AMERICAN MINISTER IN CHINA ASKS FOR TROOPS

COOK'S INTERFERENCE MEETS OPPOSITION

Humboldt County Clerk Denies Right to Meddle With Law

The following communication concerning County Clerk Jack Cook's political methods is interesting:

"Office of the County Clerk of Humboldt County. Geo. W. Cousins, County Clerk and ex-Officio Clerk of the Superior Court and Board of Supervisors.

"Eureka, Cal., March 1st, 1912.

"A short time since I received a letter from J. P. Cook, County Clerk of Alameda, in which he requested me to obtain signers to some kind of a recall petition affecting the new law in relation to appointing registrar of voters.

I am in favor of the new law and therefore not in accord with Mr. Cook in the matter. I do not think Mr. Cook will be able to get signers in any county outside of Alameda. I am sure that he could not do anything in this county. If you are in accord with this new law I would ask you to kindly do all you can to block Mr. Cook's efforts. I believe the law is a good one, and if it's not a good one it is not the part of the county clerks, but the part of the legislature to repeal the same. Respectfully yours,

"GEO. W. COUSINS,
"County Clerk, Humboldt County."

FINAL PAPERS RECORDED IN CHURCH PROPERTY SALE

New Building to Rise at Fourteenth and Clay Streets in May

Final papers were recorded yesterday in the resale of the First Methodist Church property at the southeast corner of Fourteenth and Clay streets, size 100x100, to Wickham Havens and Walter Leimert. The purchase price was $310,000 cash paid by Havens and Leimert through the Laymance Real Estate Company, agents, representing a syndicate composed of J. F. Carlston of the Central Bank, H. C. Taft of Taft & Pennoyer, Wickham Havens, Walter Leimert, Walter P. Frick, a mining man; Charles P. Hall, capitalist; J. P. Gragliardo, a capitalist of Northern California; C. L. Hoffman, a capitalist of San Francisco; C. F. Hunt of Hunt Bros. Canning Company, and Herbert Fleischacker, banker of San Francisco.

Laymance, about one year ago sold to the Syndicate the church property of 100x125 for $275,000. The Syndicate later sold the southern twenty feet on Clay street for $40,000 to Mrs. Pauline Ench, leaving a profit to the Syndicate of $75,000.

Laymance, who represented both the buyers and sellers, in speaking of the sale, said:

"It is a splendid illustration of the faith of Oakland capitalists, such as Havens and Leimert, who have done a great deal of investing in Central Oakland real estate, for although Havens and Leimert were members of the original syndicate, they willingly paid the profit of $75,000 to their associates and are confident that they have made a good investment at the advanced figures."

Laymance says that the building will be torn down as soon as the church can give possession, which will be some time in May, as the owners cannot wait for possession until the church gets its new building constructed, as that would leave the property unimproved for at least another year. It is the intention of the owners to construct a substantial building along the same lines of architecture as the buildings on the opposite corners.

Another pleasant feature of the transaction is that so many of the original owners were outside parties, and they have been returned a handsome profit from the investment in Oakland real estate, and bespeaks for other heavier transactions by the same people as well as an evidence to other investors that there is a profit to be made in the purchasing and development of Oakland real estate.

Rain Gauge Registers .44 Inch for Past 24 Hours

During the twenty-four hours ending at 1 o'clock today, the Sanborn rain-gauge registered .44 inch, making a total of 7.59 inches for the present season to date. Last year at the corresponding period 28.66 inches were recorded.

LOS ANGELES, March 6.—Rain continued over Southern California last night and the forecast this morning was for showery, unsettled weather today and tomorrow. The precipitation in Los Angeles in the last 24 hours was .51 inch. That brought the total for the storm up to 2.63 inches and that for the season to 1.52 inches.

SOUTH IS WET.

SAN DIEGO, March 6.—Since 5 o'clock yesterday .76 inch of rain has feel in San Diego, making the total precipitation since last Friday morning 2.49 inches. In the back country and the mountains the precipitation has been unusually heavy. At Cuyamaca the rainfall since yesterday morning has been 2.55 inches, making 6.22 inches there since March 1. The total for the season in San Diego so far has been 5.06 inches, leaving a deficiency of 2.47 inches. Rain is forecasted for this afternoon and tonight by the United States weather bureau.

Tetrazzini 'Home'; Friends Greet Her

SAN FRANCISCO, March 6.—Madame Luisa Tetrazzini, San Francisco's own diva, arrived today in the city she calls home. As she stepped from the train at Third and Townsend streets, she was met by half a score of personal friends, who called her "Luisa" and tossed clusters of violets into her outstretched arms. She kissed her hands to them all, laughing and smiling like a child reaching home after a long exile. When she alighted she was greeted by Mayor Rolph and a party, and the personal friends, who must needs give the cantatrice over to the public which has made of her an idol. Mayor Rolph presented her with an armful of Killarney roses, and extended to her the welcome of the city. The party was then whirled to the Fairmont Hotel.

Snead Killed by Tenant, Who Commits Suicide

GEORGETOWN, Tex., March 6. — John T. Snead was killed here today by one of his tenants, R. O. Hillard. The assassin killed himself. He said he shot for revenge.

John T. Snead was the father of John Real Snead. The latter recently was on trial for the killing of Captain A. G. Boyce. The first tragedy was the sequel to the elopement of Captain Boyce's son with Snead's wife.

The Snead trial was not decisive, the jury failing to agree.

Hillard met Snead in front of the postoffice and opened fire immediately, killing Snead instantly. Then he killed himself. He left a note saying Snead had treated him badly and that he first had intended to kill him and then to feign insanity.

At first it was erroneously said that Al Boyce, whose elopement with John Real Snead's wife started the feud, had done the shooting. It is believed young Boyce remains in Manitoba, whence he and Mrs. Snead went from Texas.

NICARAGUA GUARDS KNOX

Outburst of Anti-American Feeling Results in Arrest of 50 at Managua

Newspaper Suggests Dynamiting Secretary of State and Editors Are Jailed

MANAGUA, Nicaragua, March 6.—An extraordinary outburst of anti-American feeling led to the arrest last night of 50 of the more prominent ringleaders who are being held in detention until Secretary of State Knox has departed. This is the first indication publicly expressed of opposition to the Central American trip of the secretary.

The persons arrested include the entire editorial staffs of the Diario de Nicaragua and of the Diario Moderne which had published several letters and placed headlines over them suggesting that dynamite should be used against the state secretary. All dispatches leaving this city are subjected to keen censorship.

The program of official visits, including solemn sessions of the assembly and of the supreme court, was carried out today, and afterwards President Diaz held a reception at which formal addresses were delivered. At 4 o'clock a gala banquet was given, followed by a grand ball.

HEAVILY GUARDED.

The American secretary of state and his party traveled from Corinto to Managua on a special train which was heavily guarded in consequence of anti-Knox and anti-American propaganda industriously circulated by former Zelaya officials and expatriated Columbians. These persons represented that the visit of Secretary Knox meant further American domination.

A pilot train carrying 50 soldiers with a machine gun in position, preceded the special, while a third train followed carrying 100 soldiers, with an other machine gun.

TRACKS WATCHED.

The 100 miles between Corinto and Managua was traveled in six hours, the trains stopped occasionally for a close inspection of the tracks. No untoward incident occurred. Small crowds at the stations cheered, not, however, for Knox, but for General Chemorro, the choice of many for the presidency as opposed to General Mena, who has been elected by congress for the term beginning January next.

Secretary Knox arrived here from Corinto at 9 o'clock tonight and was accorded a hearty welcome. A platform had been erected near the station, from which President Adolfe Diaz greeted the secretary.

Knox responded briefly, and was then driven to the president's palace, where he and Mrs. Knox will be guests during their stay in Managua.

LANDS AT CORINTO.

CORINTO, Nicaragua, March 6.—The armored cruiser Maryland, with Secretary Knox, arrived here yesterday from Punta Arenas. The secretary and party were warmly greeted by members of the Nicaraguan cabinet and great crowds of natives. A special train carried the party to Managua, where the secretary and Mrs. Knox are the guests of the American legation.

Prior to the sailing of the Maryland from Punta Arenas yesterday, practically all of the inhabitants of the town gathered at the wharf. Hats were removed and all stood in silent attention when the band played "The Star Spangled Banner."

Minors Are Married; Clergyman Is Sued

MONTGOMERY, Miss., March 6.—Because Samuel Palmer, a young Baptist minister here, performed a marriage ceremony uniting Frances Windsor, a 15-year-old girl, with a lad of 19, he became the defendant in a suit for damages filed today by Benjamin Windsor, a farmer, father of the bride.

Windsor asks $2000. He alleges that the minister knew the girl was under legal age and that he "willfully and maliciously" performed the marriage over the objections of the parent.

Legislators Oppose Change at S. F. Mint

Congressman Joseph R. Knowland has informed the Chamber of Commerce of the intention of the California delegation in Congress to oppose the reduction of the mint in San Francisco to an assay office. Congressman Knowland declares the treasury department is also opposed to the change.

SOUTH POLE DISCOVERED BRITISHER WINS VICTORY

CAPTAIN ROBERT F. SCOTT, the Englishman, who discovered the south pole, and his big ship Discoverer.

Capt. Robert F. Scott Defeats Amundsen in "Farthest South" Race

LONDON, March 6.—The news that Captain Robert F. Scott has reached the south pole, which reached London today, is of considerable interest, aside from its scientific value, because of the race between the explorer and Captain Roald Amundsen, who went south in Nansen's old ship, the Fram. Scott sailed in the Discovery.

Word has been expected from both explorers for some time, and today's message is the first news. Mrs. Scott has as yet had no direct word from her husband, the message reported going to officials.

Both explorers have had ample time to reach the pole, according to Sir Ernest Shackleton, and it was for a time feared that calamity had overtaken them. The message, however, has set these fears at rest so far as Scott is concerned.

GEN. ANDRADE IS ASSASSIN'S VICTIM

Officer Who Put Down Ecuador Rebellion Killed

GUAYAQUIL, Ecuador, March 6.—General Julio Andrade, the military commander at Guayaquil, was assassinated at Quito last night by some of his soldiers.

General Julio Andrade was the chief figure in the suppression of the recent revolution in Ecuador after the death of President Estrada. He took command of the army supporting the Quito government, which favored General Lionaides Plaza, who took over the reins of government on President Estrada's death.

Mrs. Martin Again Fights for Liberty

MRS MARTIN—CHASER PAGE ONE—

Mrs. Isabella Martin, now in San Quentin on a life sentence for having dynamited the home of Judge Frank B. Ogden, filed proceedings today with Judge William Wells in the form of papers to begin habeas corpus action to secure her liberty. The petition, which covers 84 pages, alleges that the petitioner is unlawfully confined in San Quentin, and demands that Warden Hoyle of the penitentiary be cited to appear and show cause why he should not be compelled to release the complainant.

Want State to Help Poor Youths to Wed

BOSTON, March 6.—The state should assist poor young men to marry between the ages of 21 and 25, in the opinion of Professor William F. Boos of the Massachusetts general hospital. Speaking before the Twentieth Century Club he said:

"Early marriages are calculated to raise the standard of chastity. Young men should be aided financially in marrying early if they cannot without aid undertake the responsibility. More botany, biology and sex hygiene in the public schools would be worth 100 per cent more than all the grammar, algebra, history or geography and Greek put together."

COTTERILL WINS ELECTION IN SEATTLE

Gill Loses in Race for Mayoralty by 645 Votes

SEATTLE, March 6.—Complete returns from yesterday's municipal election give for mayor, George F. Cotterill, 31,655; Hiram C. Gill, 31,010, a majority for Cotterill of 645.

The other officers elected are:

Corporation counsel, James E. Bradford; comptroller, Harry Carroll; treasurer, E. L. Terry; councilmen—A. J. Goddard, A. F. Haas, John F. Peirce, Charles Marble. All Socialist candidates for office were beaten.

George F. Cotterill, the mayor-elect, is widely known because he is the national head of the Independent Order of Good Templars and was formerly chief officer of the international body of the same organization. He holds national prominence as a prohibition speaker.

WOMEN AID COTTERILL.

When the campaign following the primaries of February 20 was begun no practical politician would admit that Cotterill had a chance to win, owing to his views in favor of single tax, municipal ownership and prohibition. In the last week, however, the fight became a repetition of that of last year when Gill was recalled by the votes of the newly enfranchised women. The women and the churches took an active part in yesterday's election, asserting that Gill's election would mean the restoration of gambling and a vice district.

Prisoner Identified As Wife Murderer

Armed with extradition papers Detective Sergeant James Robertson of Jackson, Tenn. and J. A. Klinck of the office of the District Attorney arrived in Oakland this afternoon to take back Samuel Miller, who escaped from Memphis in 1903 when he was under the death sentence for the murder of his wife.

Miller was identified by Klink, who was associated with the firm of attorneys who defended him at the time of the murder trial.

Secretary's Speech at Chicago Wins Tart Reply; Colonel Again Explains

Declares Leaders of Campaign Against Him Are Trying to Wreck Party

Secretary of War Stimson, in announcing his decision as between Taft and Roosevelt, said:

"I am for the renomination of President Taft.

"I am now and always have been a progressive.

"Mr. Taft has faithfully carried out the progressive faith.

"I entered public life under the inspiration of Theodore Roosevelt.

"I am a firm believer in his great national policies.

"I now remain his sincere friend.

"But I believe those who are forcing him, against his original intention, into the arena against Mr. Taft are jeopardizing instead of helping real progress.

"Mr. Taft has faithfully carried out his pledges of four years ago.

"Mr. Taft has been most falsely villified and abused.

"The recall of judges would bring the courts down into the welter of politics."

MINEOLA, L. I., March 6.—Secretary Stimson's speech in Chicago last night supporting President Taft for the Republican nomination brought a tart reply today from ex-President Roosevelt.

"In regard to Mr. Stimson's statement that against my original intention I am being forced by certain persons into the arena this year, I need merely say," declared Colonel Roosevelt, "that the statement is correct only in the sense that it would be correct to make the same statement as to my advocacy of Stimson for Governor in 1910.

"In that contest, as in this, I was exceedingly reluctant to be drawn into the contest. In that contest, as in this, I acted only from a sense of duty to the people as a whole, and in that contest I was assailed with precisely the same arguments by the great majority of those who are now assailing me.

"If I had considered only my own personal interests and personal preference I should, of course, have kept out of the 1910 campaign, have let the machine remain in control at Saratoga and seen the state go Democratic by 300,000 majority, as under those circumstances it certainly would have gone.

FELT IT DUTY.

"I went because I consciously felt that it was my duty to take my part in the fight for honest government, for genuine self-government by the people, without regard to consequences to myself, and I am in this fight on precisely the same basis and for practically the same reasons.

"Let me add, in view of the questions of certain friends, that neither Mr. Stimson nor any other man whom I have supported for public office owes me any gratitude for doing so. I support a man not to get his gratitude, but because I believe he will render good service to the people; and I ask nothing from my man in return except that he render such service to the people, and I judge him accordingly.

"As for the question concerning 'who are forcing me into the arena?' the answer is essential. Which side is making the demand for open primaries and which side is stifling this demand wherever possible, refusing to accede to it, save under compulsion

Nun Gives Up Life as Shipwreck Martyr

Goes Down With Vessel in Trying to Rescue Girl Charges.

VICTORIA, B. C., March 6.—Sister Marie Ephram, a nun, died a martyr to duty in the wreck of the steamer Tathra, lost with 24 lives in the new Hebrides recently, according to advices brought by the steamer Makura yesterday. The nun was on her way to the mission station at Pentecost Island, with four native girls, when the wreck occurred. As the steamer was sinking, Sister Marie was placed in one of the small boats, but when she found that her charges had not been rescued, insisted on returning to the Tathra to search for them. She went down with the ship.

MEN TO BE SENT AT ONCE

American Minister Calhoun Asks General Bell for Additional Battalions

Missionary Slain in Fight With Soldiers in Chin Chow Streets

WASHINGTON, March 6.—American Minister Calhoun has called on Major General Bell at Manila for more American troops for China service. Bell has informed the war department, and it is expected he will dispatch the remaining battalion of the Fifteenth infantry, numbering about 700 men, to Tien Tsin at once.

MASSACRE CHRISTIANS.

Minister Calhoun reported that British missionaries in Chilo province have been attacked and that native Christians in the province of Shantung have been massacred. Republican troops are reported to be leaving Che Foo today for Tien Tsin.

The minister adds that, while no immediate danger threatens Peking, additional troops are needed at Tien Tsin, where foreign troops are assisting the Chinese officials in preserving order. Moreover, foreign military occupation of the railroad from Peking to Tien Tsin may become necessary.

MISSIONARY KILLED.

PEKING, March 6.—A missionary named F. Day, belonging to the Church of England Mission, and attached to the district of Pao Ting Fu, was killed today by mutinous soldiers. Day, Bishop Charles P. Scott of the North China diocese, and another missionary, F. S. Hughes, were making a regular tour of the mission stations in the vicinity of Pao Ting Fu. Arriving at Tien Chwang Yang, Bishop Scott sent Day and Hughes to Chin Chow to fetch letters.

The two missionaries found mutinous soldiers sacking the town. These commandeered the missionaries' carts, and on the missionaries attempting to recover them, Day was killed. Hughes took refuge in the town hall, where he still remains. A British attache from the legation here, accompanied by a detachment of eight British soldiers, left this morning for Chin Chow to rescue Mr. Hughes.

General Liuan Heng, the vice-president of the Chinese republic, is leaving Wu Chang for Nanking, where he will take the oath as proxy for President Yuan Shi Kai, the president-elect of the republic, Tang Shao Yi Yai is proceeding from Peking to Nanking to take the oath of premier. When these formalities have been completed, the entire Republican cabinet will come to Peking at once.

CONDITIONS IMPROVE.

NEW YORK, March 6.—The Rev. Dr. Arthur J. Brown, president of the Presbyterian Board of Foreign Missions, received the following dispatch from Peking today, which considerably alleviates the anxiety felt in regard to the Christian missions in China:

"The condition of affairs is improving in Peking. Promises under the protection of American soldiers. Pao Ting Fu missionaries and property well and safe. Telegraph line broken or interrupted, so that they cannot communicate with Shuntchfu."

Shuntchfu is on the railroad to the south of Pao Ting Fu.

TO PATROL CITY.

TIEN TSIN, March 6.—The commanders of the foreign detachments stationed here, at a meeting yesterday, elaborated a scheme for the joint patroling of the city when such a measure is found to be necessary. The Japanese troops, who arrived last night from Manchuria, have taken up their quarters in the city.

The Chinese authorities, it is reported, have requested the immediate dispatch of Chinese troops to Tien Tsin to maintain order there. It may be regarded, however, as absolutely certain that the commanders of detachments of foreign troops will not allow Chinese reinforcements to approach within seven miles of Tien Tsin and will not permit the terms of the protocol in regard to the foreign concession to be broken in any way.

The workers on the railroad at Hsinho, between Tien Tsin and the coast, at which place there are large stores, have appealed for protection.

MARTIAL LAW.

TIEN-TSIN, March 6.—Tomorrow the British concessions here, where the Americans reside, virtually will be placed under martial law. No Chinese will be allowed on the streets later than 11 o'clock.

BOYCOTT NOTES.

SAN FRANCISCO, March 6.—A cablegram received here today from Shanghai says Chinese merchants there and at Hongkong have boycotted Dutch bank notes on account of the supposed ill-treatment of Chinese by the Dutch authorities at Java.

FOREIGNERS AIDED TO FLEE

Rebels Join in Efforts to Get Americans Out of Seething Mexico

Arizona Man Reports That His Ranch Has Been Destroyed by Malcontents

WASHINGTON, March 6—The administration, it was learned today, is planning to send more troops to the Mexican border. Secretary Stimson, on his return from Chicago tomorrow, is expected to take up with President Taft the number of troops to be sent and their disposition.

The Mexican ambassador is expected to have a conference with President Taft today.

State Department officials did not credit today a report that the Mexican Minister of Foreign Affairs, Manuel Calero, had declared the Mexican people would hold as hostage Americans and all other foreigners, should foreign troops enter Mexico.

Official advices from Mexico were meagre. Although rebels are reported in control of Chihuahua, American Consul Summers telegraphed that the situation was less critical than at any time since February 15.

American Consul Holland at Saltville, state of Coahuila, said that while there had been no encounters with rebels in Jazaminal, a town south of Saltillo, much uneasiness existed there. Americans in the disturbed district, he reported, are coming into Saltillo or are departing for the United States.

EL PASO, March 6.—A telegram was received here today from George J. Reiger of Hayden, Ariz., stating that Mexican malcontents had destroyed his ranch in Sonora, Mex., and taken his cattle.

The train which it is expected will bring Americans out of Chihuahua to El Paso had not started this forenoon, according to railway officials. The delay is believed to be due to congestion of troop trains and not to any unwillingness of the rebels, who have joined forces at Chihauhua to permit foreigners to leave.

Lieutenant Hall, who was sent to Columbus, N. M., Monday, reported to Colonel Steever today that in the fight between Mexican bandits and cowboys no Americans were killed or injured. Lieutenant Hall talked to two of the cowboys who were driven from the ranch, which is on the Mexican side of the border. The cowboys confirmed the newspaper reports in all essential details.

AMERICANS GUARDED.

TORREON, Mex., March 2 (Via. Parras, March 6—Delayed in transmission).—The 58 American citizens at Velardena were relieved on February 29 by a force of rural guards under the command of General Pereyra. The mines and smelter of the American Smelting and Refining company are still working.

A detachment of 125 rural guards was left to garrison Velardena.

MOTHERS OPPOSE JOINING SCHOOLS

The Clubs Will Fight Plan to Inaugurate New System Here.

Four Mothers' clubs of the Oakland Federation opposed the establishment of intermediate high schools and the consolidation of the Manual Training and Commercial high school, at the regular session of the Oakland Federation of Mothers' clubs held yesterday afternoon at the home of its president, Mrs. J. E. Spencer of Brush street. Eleven clubs were represented at the session. P. M. Fisher, principal of the Manual training and Commercial high school, addressed the members upon the combination of the industrial and classical education in one high school. He argued that the literary courses would submerge the industrial and would not be practical. He opposed the proposed new system advocated by the board of education.

That the present courses of study in both the primary and grammar grades need revision instead of new systems and intermediate high school was the consensus of opinion of the clubwomen.

A committee composed of Mrs. Rees of East Oakland and Mrs. Strowbridge was appointed to frame resolutions on behalf of the federation, condemning "rag" dances. The question of motion pictures and their censorship will be discussed in the near future. The federation will act upon the intermediate high school plan at its meeting Tuesday afternoon, March 18.

and trusting to the use of patronage, to such methods as those tried in the recent Kansas City Congressional convention, and to those very machine leaders who have turned a complete somersault as regards the President during the last four years?

MANAGING CAMPAIGN.

"These leaders are managing the campaign against me, and if they were deliberately trying to wreck the Republican party they would follow precisely the tactics they have been following—tactics which make it seem that they would rather see the Republican party defeated than see it restored to what it was under Lincoln and see it become again the genuine party of the people, the party that stands for real popular rule and for the highest ideals of social and industrial justice, to be achieved through popular rule.

"We stand for direct presidential preferential primaries everywhere, in Massachusetts, in Illinois, in New York (for in New York the presidential primary law, passed by the machines of the two parties, is expressly designed to prevent either party from escaping the control of the professional politicians and from falling under the control of the people.) If our opponents wish the people to have their day let them support real primary bills.

"If in open primaries without coercion or fraud, without pressure brought by the use of patronage or by the promise or by the withholding of patronage, the plain people of the Republican party declare that they do not wish me to be nominated, then most certainly I do not wish the nomination, if they declare that they do wish me, not in my interest but in the interest of the people as a whole, then, as I have already said, I will accept and will strive to serve the people with all of whatever powers I possess."

Secretary of War Praises His Chief

CHICAGO, March 6.—Henry L. Stimson of New York, secretary of war and the Roosevelt candidate for governor of New York in 1910, last night declared himself for President Taft and said that while he remained the "sincere friend" of Roosevelt, he could not support him for the Presidential nomination.

Stimson entered President Taft's cabinet last year, after consultation with Roosevelt, and with the distinct understanding with the President that he would be bound in no way to take part in the political activities of the administration. In a speech before the Taft Club of Illinois last night he declared his belief that President Taft's administration represented the highest expression of progressive Republican policy.

"I am here tonight to speak for the renomination of President Taft," said Stimson. "I am now and always have been a progressive.

FAITHFUL WORK.

"I am for Mr. Taft because I believe he has faithfully carried out the progressive faith of the Republican party; that his administration stands for orderly, permanent progress in our national government, and that to refuse him the nomination on the assertions that have been made against him would be a blow to that progress and would put a premium upon hasty and unfounded criticism.

"I entered into public life under the inspiration of Theodore Roosevelt. I am a firm believer in the great national policies for which he has fought, and I now remain his sincere friend. But I believe that those who are forcing him, contrary to his original intention, into the arena against Mr. Taft, are jeopardizing instead of helping the real cause of progress in the nation.

"The introduction of such a contest at this time, dragging in, as it necessarily will, new and personal issues which are quite foreign to the great progressive policies for which the Republican party stands, cannot fail to weaken whichever candidate is eventually nominated in June. If, as a result, that candidate is defeated in November, the government may be thrown into the hands of a truly reactionary party for years to come."

Stimson said that President Taft had devoted himself unceasingly to the carrying out of constructive work along progressive lines. The administration was begun, he said, upon a plan that had "the thorough approval and deliberate endorsement of Mr. Roosevelt," and to that plan President Taft had adhered rigidly.

"Is it fair now to criticise him," asked Stimson, "because, in faithfully carrying out this pledge of four years ago, in performing this vitally useful, though inconspicuous work, he has not dominated the public attention with dramatic display?"

President Taft pledged himself, said Stimson, to a "progressive development" of the work that President Roosevelt had inaugurated, and the "completion and perfection of the machinery by which the moral standards set by President Roosevelt may be maintained."

UNSELFISH WORK.

"To this work Mr. Taft has devoted himself," said Stimson. "He thus deliberately renounced more striking methods of reform and set himself to the undramatic and inconspicuous public service which leaves out all thought of a man's own aggrandizement.

"He has repeatedly, for example, urged upon Congress to place upon the classified civil service virtually all of the Presidential offices, a measure which would at one blow strike out most of the enormous political power of the President.

"The results of this deliberate self-abnegation are shown in the great legislative and constructive accomplishments of his term.

"Mr. Taft's standards of administration, like those of Mr. Roosevelt, have been constantly toward purity and elevation in our public service and our public life.

"With great patience, with unswerving courage, with absolute disinterestedness in those excitable minds when men's minds are full of a readiness for criticism and a desire for experiment, he has carried on the burden of administration and has carried it forward. It will be a reflection upon our own power of fair-minded and candid judgment if we do not recognize the merit as well as the difficulty of that achievement now."

CRITICISES REFORMS.

Reform methods of government advocated by many of the progressives, and in part by Roosevelt, were severely criticised by Stimson. He denounced the recall of judges as destined to bring the courts "down into the welter of politics," and said that it was no test of a Republican's progressiveness to require his support to systems that had been successful in certain states.

"It is mere narrowness and intolerance to insist upon a remedy which has proved effective in one place, as the necessary test of sincere and intelligent reform in another," he said. "It is even more erroneous to make fidelity to one of these schemes of local government in one of the commonwealths a test for what is proper and appropriate in the government of the nation at large."

Stimson said that the referendum apparently had worked well in Oregon but that in a fifty-years' trial in New York, as applied to constitutional questions, it had been a failure.

"Should the national Republican who lives in New York be read out of his party," he asked, "because he declines to accept the referendum as the best remedy to cure the abuses of popular government in his own state?"

JUDGED BY SUCCESS.

"It only confuses and distracts to drag into a national campaign the prejudices and shibboleths which have arisen in the contests of the different state. Mr. Taft's administration must be judged by the attitude with which he has approached and not according to the views which any of us may hold upon those local questions of state machinery."

The secretary of war drew attention to the investigations that have been made under President Taft into problems that had been the subject of serious controversy for years. The work of the tariff board, the Hadley railway securities commission, and the Hughes commission on second-class mail matter, were typical, he said, of the methods sought by Taft to ascertain facts.

"I doubt if there has ever been an administration where so many vital questions of progress were under careful, scientific investigation and scrutiny by commissions of competent experts," he said. "There is nothing dramatic about such a method, but a reform accomplished in the light of such carefully accredited facts is more likely to be permanent. This is the very essence of Mr. Taft's method as a reformer."

President Taft has been "most falsely vilified and absused" in connection with the tariff, said Stimson, and has, in fact, taken the Republican party out of the grasp of the special interests benefited by the tariff and has made a part of the Republican progressive policy the downward revision of the tariff law schedule by schedule.

"Is not this a tremendous achievement in the direction of national progress?" asked Stimson, "to completely rescue his party from the methods and influences which, if uncontrolled, would inevitably turn it into a party of special interests and reaction? Is he not right in standing to the uttermost, even to the exercise of all of the executive powers of veto against the old privilege-breeding methods of tariff revision employed by the Democratic House of Representatives? Is he not right in insisting, even against popular clamor, that we shall make a clean break with the past and that no tariff revision shall take place except upon these conditions and after a scientific study by a non-partisan board of experts?"

Secretary Stimson reviewed the administration and achievements. He said that the President had outlined the system of trust reform which, if adopted, would put the country in a "fair way of solving our trust problem, and solving it right"; that in the corporation tax the President had "turned the flank of one of the most stubborn fortresses of reaction." His interest in human welfare was evidenced by his devotion to the progress of the Filipinos, said Stimson, and through his activity in behalf of the arbitration treaties, his efforts for adequate workmen's compensation and effective employers' liability laws and his suggestions for an industrial commission.

TO INSPECT CANAL.

To the city of Chicago the most important feature of the visit of Secretary of War Stimson will be his inspection today of the drainage canal.

The inspection trip was planned because of the request of the city and sanitary district to extract 10,000 cubic feet of water a second from lake Michigan. It is certain this much is necessary to properly dilute the sewage of the municipality. The district now has the right to take 4167 feet a second from the lake.

Unless the request is granted it is certain all the fish in the Illinois river will be killed. Approximately 46,000,000 pounds annually are sold from the stream.

It is maintained by Chief Engineer George M. Wisner of the sanitary district that the city of Chicago will be compelled to expend between $40,000,000 and $60,000,000 for adequate facilities to dispose of sewage unless the request is granted.

Would Make Choice by Direct Primary

WASHINGTON, March 6. — The following letter challenging the Taft campaign forces "to a test by means of primaries" was sent to Director William B. McKinley of the Taft campaign committee late yesterday by Senator Dixon, Roosevelt's executive chairman.

"My dear Mr. McKinley: For the purpose of determining definitely whether the Republican voters of the country desire Colonel Theodore Roosevelt or President Taft as their candidate in the approaching presidential campaign, I hereby challenge you to a test by means of primaries in ever State in the Union."

Senator Dixon states that the obvious purpose of both the Republican campaign committees is to elect a Republican next fall, that both are interested primarily in the success of the party, and that the first requisite to such success is to choose the candidate with the greatest popular strength.

"We ought to have a free and voluntary expression of opinion directly from the voters, who will carry the ballots that will determine finally the verdict at the polls." The letter continues:

"The voters of the country have the unquestionable right to express their desire, and, I sincerely trust you will accept this challenge and prepare to cooperate with me in the arrangement of such primaries.

"Commissioned officers are necessary to direct an army, but it is the rank and file that win the victories.

"Respectfully yours,

"JOSEPH M. DIXON."

McKINLEY'S REPLY.

Director McKinley's letter in reply was brief. He wrote:

"I am just in receipt of your letter of the fifth inst., delivered by special messenger. Since you are pleased to apply to your communication so grave a term as challenge, it becomes somewhat important to have our respective relations to candidates made clear at the outset.

"I would, therefore, say that I have been asked by President Taft to act as director of a bureau with headquarters in Washington organized for the purpose of securing his renomination for a second term. Before answering your challenge, I desire to know whether you are acting as chairman of the Roosevelt executive committee either by selection or authority of Mr. Roosevelt, and also whether your so-called challenge was issued by authority of Mr. Roosevelt, whose nomination for a third term as President I understand you and your organization are attempting to secure.

"Respectfully yours,

(Signed) "WILLIAM B. McKINLEY.

"Director National Taft Bureau."

Clark Wins When 'Houn' Dawg' Howls

IOLA, Kan., March 6 — The "dawg" was present, and Champ Clark won the seven delegates to the State convention at Hutchinson chosen at the Allen county convention here. A resolution had been offered indorsing Clark when the "houn' dawg" strayed in. In the midst of a speech hailing William J. Bryan as the only candidate who could lead the Democrats to victory somebody stepped on the 'dawg's" tail.

"Woo-oo-oof!" howled the dog, and it was several minutes before the convention calmed down. On a vote to indorse Bryan the delegates were brought to their feet in a hubbub, and a delegate again trod on the "dawg's" tail. With another howl the "houn'" leaped across the platform in front of the chairman's table.

Calls of "Put him out!" "Put him out!" were mingled with those of "Vote!" "Vote!" The 'dawg" stayed and Clark won.

Attacks Ambitions of Col. Roosevelt

HELENA, Mont., March 6 — W. J. Bryan, in an address here, attacked last night what he termed the third term ambition of Theodore Roosevelt. He declared himself opposed even to a second term. He prefaced his remarks by a casual mention that "as late as 1904 a candidate for President solicited and secured from the head of a great railway system $250,000 for us in the campaign in one state."

W. J. Bryan Silent as to His Choice

HELENA, Mont., March 6 — That he would refrain from expressing a personal choice of a Democratic nominee only so long as there was no danger of a reactionary Democrat being nominated, was made plain by William J. Bryan in an interview.

Bryan denied that he was "booming" Governor Shafroth of Colorado, or that the Colorado Governor had a boom.

"I did say, and I still believe," he added, "that if he were nominated I believe that Governor Shafroth would poll more votes than any other candidate who has been mentioned."

La Follette Forces Plan the Campaign

WASHINGTON, March 6.—La Follette forces will concentrate their efforts on North Dakota, California and other states where direct presidential primaries soon are to be held, it was announced today.

Senator La Follette has no intention of abandoning the field to the Taft and Roosevelt forces, it was said, though he is at present taking no active part in the campaign.

Walter L. Houser, director of the La Follette fight, now is in California, and telegraphed today that La Follette delegates would be put up in every section in the state. Similar fights will be made in Nebraska, South Dakota, Oregon, New Jersey, Wisconsin and North Dakota, according to Mr. Houser. The North Dakota primaries will be held March 19.

Wealthy Inebriate Goes to Prison

Robinson Mansfield Committed, According to His Own Wish.

LOS ANGELES, March 6.—On his own petition, Robinson Mansfield, son of a wealthy Los Angeles physician, will be sent to the Patton asylum next week as an inebriate.

Mansfield, upon the death of his father, inherited approximately $250,000. He declared to Deputy District Attorney Alexander, to whom he appealed for a committment to the asylum, that this fortune ruined him. He made a pathetic appeal to be sent to Patton in order that he might be cured of his craving for liquor and Alexander took him before Judge Hutton yesterday, where the committment was issued.

55 Are Injured in Collision of Trains

SALT LAKE CITY, March 6 — Fifty-five persons were slightly injured when two passenger trains on the San Pedro, Los Angeles & Salt Lake Railroad collided last night 25 miles west of Las Vegas. The collision was due to train No. 1, which was running late, attempting to make a siding at Erie ahead of train No. 8.

JOHNSON L. CALLISON DIES AT AGE OF 71

After a period of illness covering four months, Johnson L. Callison passed away at his late residence, 578 Thirtieth street, yesterday afternoon, aged 71 years. He was a native of Indiana.

Callison was an old-time mining man, having associated with Governor Odie of Nevada in mining deals. For a time he resided in Hawthorn, Nev. He is survived by a wife, Emma M. Callison, and three sons, Lloyd M., Harry M. and Cecil L. Callison.

The funeral will take place from the family residence tomorrow at 1 p. m. under the auspices of the Alameda county bureau of relief, Knights of Pythias. The interment will be at Mountain View cemetery.

PIONEER A. S. SCHWEER IS DEAD AT PLEASANTON

Native of San Lorenzo Passes Away After Brief Illness

PLEASANTON, March 6. — A. S. Schweer, a native of San Lorenzo, died this morning after an illness of one week. He was 50 years old and had lived in Pleasanton for forty years. He received his education in the public schools of this place and was a graduate of the Livermore College. Schweer had always been prominent in civic and public affairs and is well known about the bay.

His wife, who was Miss Angelita Bernal, died about ten years ago, and Schweer leaves a daughter, Irene, and a sister, Dr. Paulina Nusbaumer, a prominent physician of Oakland. He leaves an estate valued at $100,000, consisting of the Schweer ranch at Santa Rita, near Pleasanton.

The funeral will be held in Pleasanton Friday morning.

POLICE READY FOR I. W. W. OUTBREAK

Force Ready for Quick Mobilization; Labor Body Denounces Interference.

The police force concentrated in the lower business districts, since the trouble with the Industrial Workers of the World was slightly reduced by order of Chief of Police Adelbert Wilson last night, as there was apparently no danger of the agitation being resumed during the rain. The police will hold themselves in readiness tonight for instant mobilization, however, as it has been rumored that the I. W. W. speakers will again attempt to open their campaign for free speech.

Denunciation of the invasion of Hamilton Hall by the police Sunday night as "equal to the outrages of Lawrence, Massachusetts" was voiced by speakers at the meeting of the Oakland Building Trades council last night. A committee was appointed to co-operate in the campaign for free speech with the Central Labor Council and other similar bodies.

Resolutions were adopted by a unanimous vote as follows:

"To all members of organized labor and a justice-loving public:

"On Sunday evening, the third of March, the authorities of the city of Oakland outraged all principles of decent government by inaugurating a disgraceful riot, sending into the streets a horde of irresponsible police to attack peaceful citizens and to club and beat them into a state of submission.

"Not content with rioting on the streets the police invaded a peaceable assemblage in a public lecture hall without notice, surprising those present and assaulting many inoffensive citizens—even women and children—by clubbing and beating them into insensibility. And all this without reason, without justice.

"The entire administration of Oakland must bear the blame for this outrage, aimed at the sacred right of free speech, guaranteed by the Constitution of the United States, which in the words of Captain Petersen, 'Don't go in Oakland.'"

"This Building Trades Council condemns the officials of this city, particularly Commissioner Turner, and calls upon all right thinking citizens of Oakland to put a stop to these usurpations even to the putting out of office the law-breaking officials who would precipitate a civil war in our midst.

"BUILDING TRADES COUNCIL."

A committee of five was appointed to co-operate with a committee from the Central Labor Council, in further investigating Sunday night's affair. They are: J. T. Kerns, J. T. Bloomer, Perry Burlingame, William Livermore and Joseph Laurence.

ASK INFORMATION ON NEW ORDINANCE

EDITOR TRIBUNE: Being one of the already overburdened taxpayers of Oakland, could you please inform me through your valued columns if the late ordinance creating dozens of positions in the street department with doctors' or lawyers' salaries, passed upon by our city council as advertised in Tuesday's Enquirer, is intended for the city of Oakland alone or *for Greater San Francisco in case we annex*, and oblige, etc.

Very truly yours,

JAMES RUGGLES,

967 E. Fourteenth St., Oakland, Cal.

Executive Department, City of Oakland, California, Frank K. Mott, Mayor, H. A. Wilkinson, Secretary.

Oakland, March 4, 1912.

Editor TRIBUNE: I am in receipt of your letter or recent date enclosing letter from James Ruggles. In reply would state that the ordinance referred to does not create new positions but it was found necessary to pass this ordinance on account of the reorganization of the Street Department.

When this ordinance goes into effect, it will effect a saving in the Street Department of from nine to ten thousand dollars per annum.

Trusting that this information is what you desire, I am, Very truly yours,

FRANK K. MOTT.

REQUIEM MASS A BIG SUCCESS

The Berkeley Oratorio Society presented Verdi's "Requiem Mass," at Harmon gymnasium last night, before a large and enthusiastic audience of music lovers, who assembled from all the bay cities. The oratorio was given under the direction of Paul Steindorff, who has been patiently drilling the chorus for several months, and the members justified his efforts last night, by their splendid work.

The solo parts were taken by Frank Figone, bass soloist at St. Mary's Cathedral, San Francisco, Mrs. Orrin Kipp McMurray, soprano, leader of the choir of St. John's Presbyterian church, Mrs. Lena Carrol Nicholson, contralto, of Oakland, and Robert N. Battison, tenor. The chorus has been drilled for several months by Paul Steindorff and presented the Verdi masterpiece in a manner that won the heartiest applause of the audience.

FLEES IN HASTE WHEN COURT RELEASES HIM

SAN FRANCISCO, March 6.—When John Peterson, alias Frank Shanley, was arrested three years ago, with a companion, for stealing the lamps from one of the entrances to the old city hall, there was much laughter at his expense. Today there was hardly less merriment when, once again in the toils of the law, he was released and literally ran from the court room.

Peterson and his pal spent two hours sawing off the lamps, while a policeman coolly watched from a doorway opposite and easily arrested them. At that time the accused was released on probation and was not seen by the police until he was caught in the yards of the San Francisco Gas and Electric company on Monday and charged with attempted burglary.

Today he promised Judge Dunne that he would go to sea, and was again given the benefit of probation. When the word which spoke his release had fallen from the judge's lips, he snatched his hat and ten feet narrowly escaping a sentence for contempt of court.

CHUTES COMPANY IS SUED FOR $130,000

SAN FRANCISCO, March 6.—The Realty Rebuilding company, the concern which now owns the property which Rudolph Spreckels subleased after the fire, and in which he still is believed to be interested, filed an action today against the Chutes Realty company for $130,000, and a second action against the stockholders thereof for nonpayment of rent. The property is located at Turk, Eddy, Webster and Fillmore street. After the fire it was leased to Eugene Sullivan and Abraham Ruef and subsequently the Chutes obtained possession of it and converted it into an amusement park. It was destroyed by fire a year ago. The action against the stockholders is for $20,666 each, and the following defendants are named: M. Oppenheim, E. Smith, M. Symc, E. B. Davis, J. Kelsey and R. Well.

ADDRESSES WOMEN OF FRUITVALE

Laurel Club Hears of Voter's Duties From Mrs. J.B.Hume.

UPPER FRUITVALE, March 6 — Mrs. J. B. Hume, the Berkeley civic educator, addressed a meeting of the Laurel Club this afternoon at the home of Mrs. W. F. Childs, 3050 Hopkins street. The club was recently organized and includes in its membership many of the prominent women of this section.

Mrs. Hume spoke of the civic duties of women and urged that those present familiarize themselves with political issues to the betterment of social conditions and the questions of the day pertaining.

RAG-TIME CALF MAKES TROUBLE

"For keeping a certain calf, said calf being noisy and obnoxious in his conduct," Jacob Weil of 914 Fourteenth street was this morning found guilty of violating a city ordinance before Judge Mortimer Smith and fined $5, with the alternative of spending two and one-half days in the city prison. Weil had been arrested on the complaint of a number of residents about the 900 block in Fourteenth street, the arrest being made by Patrolman Con Keefe.

According to the complaining witnesses the calf was of a musical disposition and kept up a continuous performance that had any automatic electric piano outplayed by several hours. Weil pleaded guilty to keeping the calf within the limits marked by the ordinance, but denied that the animal was musical.

ILLEGAL OWNERSHIP OF LAND ALLEGED

Club Claims the Peoples Water Company Has no Right to Property.

Claiming that the Peoples Water Company is in illegal possession of a block of land northerly on Twenty-fifth avenue from the line of East Twenty-ninth street, the Latham Terrace Improvement Club filed a petition with the city council this morning asking that the city force the company to grant a right of way substitute for the street alleged to have been taken. The street is at present occupied by the dam built by the water company for the reservoir at Twenty-fifth avenue.

E. W. Hyden, president of the club, appeared before the council to urge action in the matter. Hyden explained that the club had had a committee engaged in making a careful investigation of the rights of the water company and of the city in the land involved. An opinion, based upon a search of the records, had been obtained that the corporation had no right or title to the street.

The matter was referred to Commissioner of Public Streets W. J. Baccus, and an attempt will be made to carry out the wishes of the club. Heyden, who was appointed by the club as a committee of one to appear before the council, explained the situation as follows:

"The water company occupied this land without any good title to it. The club has no expectation of ever getting the dam removed and therefore recommends that a street skirting the dam to the right be asked of the water company in lieu of the property taken. This would open up a fine residential district to Hopkins street."

PETITION FROM CLUB.

The petition from the club is signed by Hyden and Benjamin Birch, the secretary. It recites the following:

"The committee of investigation reported as follows:

"First: That an investigation has been made of the records of the county board of supervisors prior to the time of the recent annexation and by this investigation it does not appear that any action was ever taken by the said board of supervisors to close Twenty-fifth avenue northerly from East Twenty-ninth street.

"Second: Investigation has also been made of the records of the county surveyor's office and nothing is shown thereon to indicate that any action has been taken which would require the surveyor to correct the original or subsequent records made by him originally in the year 1869 and filed in the office of the county clerk, Book of Deeds No. 38, pages 182 and 183.

"From the above it would appear that the Peoples Water Company is in possession of Twenty-fifth avenue northerly from East Twenty-ninth street, that the title to the aforesaid portion of Twenty-fifth avenue is vested in the city of Oakland, and the closing of it is not the result of any action of the board of supervisors prior to the time of annexation nor to any action taken by the city council or commissioners subsequent to annexation.

"Therefore, in consideration of the facts above set forth we respectfully petition the city council to instruct the street department immediately to remove the fence on the northerly line of East Twenty-ninth street where it crosses Twenty-fifth avenue.

"The dam of the Peoples Water Company having been placed across Twenty-fifth avenue makes it impossible to continue said avenue on the lines originally laid out and as noted on the map filed in 1869, unless this dam should be removed by the city. Under the circumstances the suggestion is made that Twenty-fifth avenue be made to skirt the base of the dam on a curve to the point of ending as shown on the map above referred to at Hopkins street."

PLANS TO REDUCE COST OF LIGHTING

Commissioner Turner Would Save Money for City of Oakland.

Plans to reduce the cost of street lighting in the City of Oakland were outlined by Commissioner of Public Health and Safety Fred C. Turner, this morning, when he introduced a resolution instructing the city electrical department to prepare plans and specifications for calling for bids for supplying electricity and gas for the street lighting for the fiscal year 1912-1913. It is the plan of Turner to obtain competition among the companies that a lower figure may be obtained for the street lighting.

The street lighting bill is one of the heaviest on the city budget. Turner has had the project of having the city install electroliers and obtain power at wholesale from the corporations. It is possible that this will not be attempted, as it would entail a heavy original expense. But City Electrician George Babcock will be asked to report on the probable cost of putting into effect such a plan.

To obtain more competitive bids for the street lighting, City Electrician Babcock will investigate the plan proposed by Commissioner Turner of establishing zones into which the city will be divided for the lighting contracts. Companies best fitted with equipment in one section of the city will thus be able to enter low bids, and the city will reap the benefit.

ALASKA SHIP IS ON WAY NORTH

Will Carry Supplies for Season's Fishing Before the Fleet Sails.

Slipping moorings from alongside the Alameda warehouses of her owners, the big Alaska Packer Association's ship Star of Alaska left the inner harbor this morning under tow of the tugs Fox and Pilot. The Alaska is the first vessel of the big fleet of salmon packers laying up off Alameda to leave this side for the waters of the northern seas. She will be engaged in picking up supplies of food, fuel, tin for the canneries, and other details connected with fishing in the northern seas, for the next few days.

The Alaska upon her arrival in the northern waters will get the canneries in readiness for the season's catch, as she will carry all of the necessary paraphernalia used by that part of the salmon industry. According to officers of the company the "catch" this season will undoubtedly eclipse all former ones.

The sailing of the Alaska is the opening gun for a general scramble of packets for the north and in a few days these big carriers will depart daily for the northern fisheries.

The first steps for the completion of the city's new quay wall at the foot of Grove street was begun this morning when the steam schooner Daisy, Captain Smith, from Willapa Harbor ran alongside the dock and discharged 50,000 feet of lumber. The lumber was consigned to the Healy Tibbetts Co., and will be used in the construction of the wall. At present the wall is in a poor condition, it being flooded with water. The Healy Tibbetts company recently received the contract for the completion of the work started by the Hansbrough Brothers, and will begin active work pumping out the stagnant water some time during the later part of the week.

The Alaska-Pacific freight and passenger steamer Watson, Captain Bartlett, from Seattle and Tacoma steamed over to this side this morning and laid along side Long wharf.

Running under tow of the Oakland Launch and Tugboat company's tugs Dixie and Panama the little three masted schooner Lottie Carson, which arrived here recently from Eureka, was laid alongside the D. J. Hanlon company's yards. The Carson will receive a general overhauling in preparation for a trading trip along the coast of Mexico and lower California.

Arriving this morning from Eureka was the steam schooner Despatch, Captain Wilson. The little carrier is discharging lumber at the Pacific Lumber company's wharf.

The steam schooner Bandon, Captain Rosenblad, from Bandon tied up at Long wharf early this morning.

Steaming in directly from sea, the steam schooner Arctic, Captain Linder from Fort Bragg arrived this morning at Long wharf.

The three masted schooner Galilee is at Moore & Scott shipyards receiving a general overhauling.

FEARS WRATH OF FATHER; LEAVES

Oakland Youth Disappears and Police Are Asked to Look for Him.

Fearing his father's wrath and that he would be prosecuted for the accidental shooting of S. Schmolowitz, a friend of his sister's, who was hurt by a pistol belonging to the youth, 16-year-old Nathan Blaser, of 1522 Wood street, has run run away and no trace of him has been found. The youth disappeared Tuesday, and the police are looking for him. His mother is prostrated by the shock. The father says that all will be forgiven if the lad returned.

Schmolowitz, with several other young friends, was visiting the Blaser girl last week, and Nathan was present. In a playful scuffle one of the young people found a 22-caliber revolver in the boy's pocket. It was old and rusty, but it contained one bullet. One of the party fired it—who, is not known. The bullet grazed the forehead of Schmolowitz, inflicting a slight skin wound.

The boy, who was carrying the weapon against his father's orders, shouted that their carelessness had gotten him into trouble, and that his father would beat him, and fled from the house. He has not been seen since.

"I have not slept since Nathan went away," said Mrs. Blaser today, "and I am looking all the time to see if he will return. His father would not have beaten him, as the shooting was not his fault. The room was full of young people and I don't know who fired the shot.

SCARED OFF.

"The boy had the pistol for some time, but his father took him away. Later he regained possession of it, but we thought he gave it to the boy that owned it, as he said, and did not believe that he was carrying it. We told him that a man could be arrested for carrying a pistol, and this, with the fear that his father would beat him scared him off."

Mrs. Blaser state that the boy was friendly with a negro, Edward Haight, whereabouts unknown to her, and fears that he has gone off with him.

NOT STRAIGHT.

"Haight is not straight," said Mrs. Blaser, and I am afraid they will get into trouble. The negro seems to be a close friend of his, and I think that the two will be found together. The police are working on this theory."

The boy is the son of I. Blaser, a tailor, operating a place of business at his residence, and was employed as an apprentice in his father's shop. Mrs. Blaser stated that the father was strict, and often whipped the boy who, she declares, is large for his age. The boy is of light complexion, about 5 feet 6 in height, and wore an old brown suit at the time of his disappearance.

A LITTLE SAGE AND SULPHUR MAKES THE GRAY HAIR VANISH

Harmless Way to Darken Hair; Simple Remedy for All Hair Troubles.

Who does not know the value of Sage and Sulphur for keeping the hair dark, soft and glossy and in good condition? As a matter of fact, Sulphur is a natural element of hair, and deficiency of it in the hair is held by many scalp specialists to be connected with loss of color and vitality of the hair. Unquestionably, there is no better remedy for hair and scalp troubles, especially premature grayness, than Sage and Sulphur, if properly prepared.

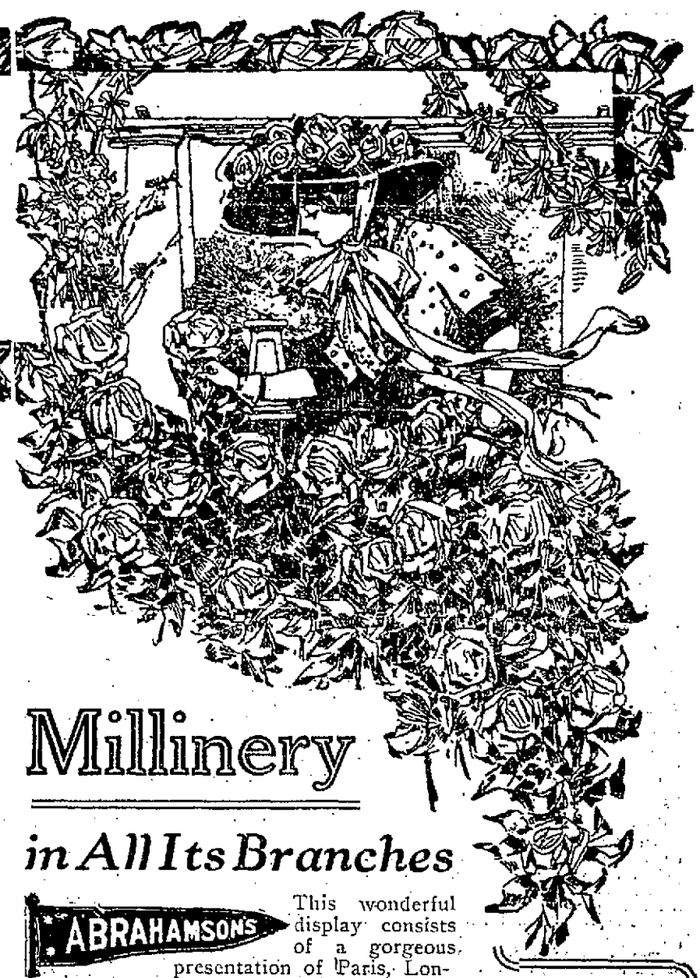

The Wyeth Chemical Company of New York put out an ideal preparation of this kind, called Wyeth's Sage and Sulphur Hair Remedy, in which Sage and Sulphur are combined with other valuable remedies for keeping the hair and scalp in clean, healthy condition.

If your hair is loosing its color or constantly coming out, or if you are troubled with dandruff or dry, itchy scalp, get a fifty cent bottle of Wyeth's Sage and Sulphur from your druggist, use it according to the simple directions, and see what a difference a few days' treatment will make in the appearance of your hair.

All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented. Special Agent Owl Drug Co., 13th and Broadway, Washington and 10th streets, 15th and San Pablo Ave.

MEN-RELIGION EXPERTS ADDRESS CONFERENCES

Boys Needed to Build Up Church, Says J. L. Alexander; 970 Men Enlisted

Alameda county cities have excelled all American communities that have held Men and Religion Foreward Movement campaigns to date, in the matter of registrations of men who have promised to take an active part in the institutes of the movement.

This announcement was made this forenoon to the clergymen, who were conferring with the members of the expert team, headed by Clarence A. Barbour, in the First Congregational Church.

The list of big cities with which the east shore of the bay has competed includes Baltimore, Buffalo, Pittsburg, Philadelphia, Boston, St. Louis, Louisville, Minneapolis and Detroit.

Pittsburg, the former holder of the record, has been beaten by a handsome margin, the exact size of which is not known yet. Pittsburg scored between 900 to 1000 names. Alameda county passed the 1000 name mark today and is still adding to its long list.

LUNCHEONS HELD.

Denominational luncheons were held this afternoon and members of the expert team attended. The exceptions were Dr. Barbour, who went to San Francisco to attend a meeting of the Chinese, who are holding a campaign along the regular lines; and John M. Dean, who went to Richmond to address a meeting of shop employes this afternoon and another meeting this evening.

The program for the campaign will be followed out as originally announced in Alameda county cities this evening. There will be institutes in the First Congregational and First M. E. churches in Oakland, and platform meetings in the First Methodist Episcopal Church in Oakland, Brooklyn Presbyterian Church in East Oakland, Plymouth Congregational Church in Piedmont, First Presbyterian Church in Berkeley, and the First Presbyterian Church in Alameda.

Tomorrow the business men of the three Alameda county cities will lunch at the Key Route Inn. In the evening there will be a meeting of members of the Masonic fraternity in Scottish Rite hall, to be addressed by Clarence A. Barbour.

Sixty pastors met this morning in conference at the First Congregational Church and listened to brief addresses by the visiting experts of the Men and Religion Forward Movement.

John W. Dean was the first speaker, and discussed plans for community extension.

"It is far easier to build up a church with boys than with men," said John L. Alexander, the boys' expert. "The best organization for a boy in the local church is the organized boys' Bible class."

"A boys' loyalty is going to be with the organization that gives him the most."

David Russell, the South African evangelist, said: "The church needs reviving and strengthening. Only 20 per cent of the men and boys are inside the Protestant churches of country or under their influence. Many men have turned their backs on the churches. Your churches are going out of business unless you are adding to the churches daily those that are being saved. The church can never be strong unless it is enlisting men in active service."

ADVOCATES BOYCOTT.

Raymond Robbins gave the pastors a description of the Seventeenth ward, Chicago, where he lives, where the moral and human values are determined by social conditions. Robbins advocated the boycott against any anti-social situation.

With 970 men registered last night for the opening institutes of the Men and Religion Forward Movement in the east bay cities, that movement was actively launched on its work. Addresses in the afternoon and evening by the various team members of the campaign movement were the features of the day and will be repeated this afternoon and evening and throughout the balance of the week.

The attitude of the church toward organized labor was the subject of Raymond Robbins, special service worker, who spoke before a joint meeting of the labor councils of Oakland, Alameda and Berkeley last night at Rice Institute. Robbins was one of the organizers of labor in the American Federation of Labor. Robbins' address was heard by a large delegation from the local councils and by a number of ministers.

In the afternoon John L. Alexander, specialist in boys' work, spoke before several gatherings of school children in Chabot hall and the school buildings. Other talks were given by John E. Doan at a mass meeting of the employes of the Santa Fe shops in Richmond, Robert Moore in Hayward at a joint meeting of the churches in the district, while Dr. Clarence A. Barbour and Alexander conferred with the office employes of the Young Men's Christian Associations of Northern California.

Institutes were held last night.

OVERRULE DEMURRER, KAY TO STAND TRIAL

Judge Mortimer Smith this morning overruled the demurrer filed by Louis P. Kay, charged with obtaining money under false pretenses in connection with his alleged claim that he was giving Masonic ritual initiations to Masonic lodges for $35 a head, and the case will go to trial. Kay pleaded not guilty after the overruling of the demurrer, and asked for a jury trial. The case will be heard March 12.

Milady's Toilet Table

By Mme. D'MILLE

There are simple home treatments that keep the hair and complexion young looking. Dry shampooing cleans the scalp and hair, and makes the hair grow. Just put a cupful of cornmeal in a fruit jar and mix with it an original package of therox; sprinkle a little on the head and brush out. It brushes out easily and leaves the hair clean, bright, wavy and rich in color.

To keep the face youthful and fair, make a simple lotion by dissolving an original package of mayatone in a half pint of witch hazel and rub over the face, neck and arms every morning. Your complexion will soon be smooth, clear, satin-like and free from blemishes.

Wild hairs or fuzzy growths can be made to vanish quickly by applying delatone paste. Mix enough powdered delatone with water to cover the hairy surface; apply and after two or three minutes rub off, wash the skin, and the hairs will be gone.

Chaps, cold sores, pimples, eczema and skin eruptions disappear if you rub Mother's Salve into the affected surfaces before retiring. It quickly heals sores, cuts, burns, scalds, etc. It is antiseptic as well as healing and lessens danger of blood poisoning.

SCHMITZ CASES PUT OVER; PROTEST FILED

SAN FRANCISCO, March 6.—Over the objection of Attorney Frank Drew, representing former Mayor Eugene E. Schmitz, the case against the latter were continued until March 22 by Superior Judge Lawlor this morning. Drew protested against the court's action in the matter on account of the affidavit of prejudice which had been filed against Judge Lawlor. Counsel claimed that another judge should have been called in.

CAPT. FREEMAN RESTING AFTER HIS OPERATION

Captain E. M. Freeman, who underwent an operation for stomach trouble on Saturday at Providence hospital, is reported from the hospital this afternoon as being in an improved condition. Dr. O. D. Hamlin, who is the attending physician, announced that he rested easily during the night and showed signs of improvement this morning. While his condition is serious, because of his advanced age, Freeman is believed to have a fair chance of recovery.

REQUISITION HONORED.

Deputy District Attorney Phil Casey today received word from Sacramento that Governor Johnson had honored extradition papers in the case of A. F. Eddy, who is wanted in Pasco, Wash., on a grand larceny charge. Eddy was arrested in Berkeley several days ago by Chief of Police Vollmer.

OBJECTS TO WAY HE OBTAINED FREE RIDES

The novel method of obtaining buggies and cabs and automobiles to go out on many little trips into the country by representations that he was the agent of a well known firm of Oakland, is declared by Roy Garrrison of 2720 San Pablo avenue, to have been practiced by Walter L. Howe of 1610 Bonita avenue, Berkeley, for the past few weeks. Garrison had Howe arrested on a technical charge of violating an ordinance as a result of the alleged custom of the man, and the case was called before Judge George Samuels this morning. Howe pleaded not guilty and the case was put over till tomorrow for further hearing.

EVERY MINUTE COUNTS WHEN YOU ARE IN PAIN

Instant Relief for Indigestion and Stomach Troubles Afforded by a Stuart's Dyspepsia Tablet.

Free Trial Package.

There is no occasion to suffer five minutes from indigestion or any similar stomach trouble when you can so easily get Stuart's Dyspepsia Tablets.

The Time It Takes a Messenger to Get Stuart's Dyspepsia Tablets Seems an Age to a Sick Stomach.

When millions are used every year—and when every other man or woman that you meet will recommend Stuart's to you if you will but inquire—why do you continue to suffer from stomach trouble? What more evidence can you ask? And as still further proof you can even send and get a sample package entirely free. The sample will surely convince you.

The reasons why Stuart's Dyspepsia Tablets accomplish such results are very easy to understand. These tablets contain almost the same elements as the gastric juices of the stomach. And when your stomach is sick and not working just right, it does not give out enough of the natural digestive juices to properly take care of the food you eat. So if you will only give the stomach a little help by taking a Stuart's Dyspepsia Tablet you will relieve it of its chief duty and allow it the rest it needs to recuperate. One grain of the active principle in Stuart's Dyspepsia Tablet will digest 3000 grains of food, whether you place it in a glass jar or in your stomach.

All druggists sell them. The price is 50 cents per box. If you prefer to try them first write to F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich., and a sample package will be sent you free.

WED 30 YEARS; RAISE 12 AND NOW ASK DIVORCE

STOCKTON, March 6.—After nearly thirty years of married life, during which time they reared twelve children, five girls and seven boys, Mr. and Mrs. Knox A. Thorp, residing near Lodi, have chosen different paths. The latter has now filed a divorce complaint. Mrs. Thorp alleges extreme cruelty, specifying that on several occasions her husband applied vile epithets to her and ordered her away from the home.

She avers that on one occasion, during an outburst of temper, he dragged her from one room to another by the hair and threw her out of the house with such force that she was rendered unconscious. She also charges Thorp with being intemperate. The couple were married at Mokelumne Hill on July 8, 1883. Thorp is a plumber.

PROGRESSIVE REPUBLICANS OF THIS STATE ORGANIZE TO SUPPORT TAFT

ENTHUSIASTIC MEETING HELD

A. L. Shinn Declares Faction Will Support Underlying Principle of Party.

President Referred to as "Our Most Majestic American."

SAN FRANCISCO, March 6.—Further endorsement of the candidacy of President William Howard Taft for renomination came yesterday at a big meeting held in the ball room of the Palace hotel by the Taft Progressive Republican League of California. The meeting was attended by a large number and was presided over by Charles M. Belshaw. Among the speakers were Mrs. Abbie E. Krebs, chairman of the Women's Taft Organization of San Francisco.

The meeting was marked with the greatest enthusiasm, and Taft was cheered at almost every mention of his name. Father Joseph P. McQuaide, one of the speakers, referred to the president as "the man on the hill," and Emmett Phillips, of Sacramento, spoke of him as "our most majestic American."

A motion was made at the meeting to admit the women's organization to membership in the league, which has on its rolls almost every Taft organization of importance so far formed in the state. This motion, however, was not seconded, and Mrs. Krebs, president of the women's body, stated that they preferred to work independently.

NEITHER OF THEM.

"We women are not standpatters," she said, "nether are we progressives. We know but one thing, and that is to work, first, last and all the time for the renomination and election of President Taft. I know but one road to the White House, and that is the one he has taken. He is an arbitrator and a great man of peace; he understands what is best for the welfare of our country as does no other man. He believes in a Republican tariff, and so do we. He took the nomination for president because of loyalty to and friendship for Roosevelt, when we know the one great ambition of his life was to have an honorable place on the supreme bench of the United States. He deserves a second term from the voters of the United States, and we women will do all we can to help him get it."

Permanent organization was affected by electing ex-Senator Belshaw president and Joseph E. Cutten secretary of the league. In addition, the report of the committee on organization, which was adopted, named A. L. Shinn and Marshal Hale as vice-presidents and an executive council of the officers named, authorizing the council to increase its own membership and to name any other committees it "deems necessary to further the interests of the Taft campaign." The members of the council named in the report are Fred G. Sanborn, Byron Mauzy, W. D. Fennimore, Charles A. Murdock, Andrea Sbarboro, Mannie D. Cohn, A. D. Fretz and Alexander Russell of San Francisco, Colonel D. W. Longwell and J. V. Kelly of Los Angeles, Henry Ward Brown of San Mateo, A. E. Miller of Sacramento, B. B. Tuttle of Yolo county, M. E. Sanborn of Sutter county.

RESOLUTIONS ADOPTED.

Immediately following the report of the organization committee, which was presented by Fred G. Sanborn, as chairman, A. L. Shinn offered a set of resolutions, which were adopted.

Father Joseph P. McQuaide, an active member of the Taft Republicans of California, was present, and an invitation to speak from Chairman Belshaw gave him opportunity to pay to President Taft a personal tribute, that had its inception when both were serving in the Philippines, and added:

"I know of no man in the United States who is more willing, in an humble way, to do what can be done for President Taft. We, in Washington, when fighting for the exposition, learned to know him as 'the man on the hill,' and as such I love to think of him. There should be no politics connected with the name of Taft in California.

"I even know Democrats who will forsake their party ties to vote for him, and surely every Republican in California should not do less than our Democratic friends."

Andrea Sbarboro, Emmett Phillips, Wallace Bradford and Henry Ward Brown all made speeches, pledging themselves to Taft and his re-election. Senator Belshaw interpolated a few remarks between addresses of the others, at one time saying:

"I agree with Wallace that Hiram Johnson does not carry the Republican progressive vote of California in his vest pocket. I voted and worked for him, but I am not following him now in the flop from La Follette to Roosevelt, when he became convinced the latter could probably poll more votes than the former. That's one reason I am for Taft—because I believe in the square deal of which Roosevelt talks so much, but which Taft constantly practices."

A. L. Shinn, who called the meeting to order, made the longest address of the afternoon, which is, in part, as follows:

WEDDED TO PRINCIPLE.

"In launching this campaign it must be understood that we Progressive Republicans are not unmindful of the great revolution so successfully maintained by Governor Johnson in this state, but while we are unalterably opposed to control of government by special interests, we are just as firmly wedded to the wholesome and time-tested policies and principles that underlie the great structure of the Republican party, and we decline to follow any person or any movement that tends to jeopardize those policies. Those policies are again assailed—not alone by our Democratic friends—and we must meet, within party lines, all questions affecting the welfare of our nation.

"In seeking for a president who represents the best there is in American statesmanship to whom shall we turn in this era of spectacular political transformation? To my view there is one man who by his dignity, his sincerity, his constancy rises above all others as a fitting candidate for the high office of president at this time, and that is the incumbent, William Howard Taft.

"I would like to ask Colonel Roosevelt what Mr. Taft has done to cause the Colonel to change his mind. Does the Colonel claim the right to make and unmake presidents? Possibly Mr. Roosevelt has overestimated his own powers."

Chief Executive Wins Praise in Resolution

The following resolutions have been adopted by the Taft Progressive League, pledging its support to the chief executive in his fight for renomination and urging Californians to aid in the work:

As progressive Republicans we are opposed to the political ascendency of special interests and assert our adherence to the privileges of the Republican party.

We favor the nomination and re-election of President W. H. Taft, and assign the following reasons why California is especially interested in his candidacy:

Mr. Taft was elected as a progressive Republican to carry out the policies of his illustrious predecessor. His nomination was due solely to the progressive sentiment of the country.

He has exercised all of the powers of his office to fulfill the obligations implied by his succession to Roosevelt, and in every instance he has manifested the highest intelligence, good faith and patriotism. The great progress accomplished by his administration in this behalf is familiar to all. Under such circumstances, he should be granted the ordinary courtesy of a second term.

He represents the integrity of the tariff policy of the Republican party. This policy is of vital importance to California. We have the best tariff schedule for California products in the history of the state, but that schedule is the subject of constant attack, and any reduction would mean great loss to our people. California can depend upon Mr. Taft for fair treatment in her tariff schedule. Upon the other hand, there is a clamor for horizontal reduction and unreasonable changes, which endanger the protection accorded California products of every kind.

The non-partisan tariff commission recommended by President Taft, is, in our judgment, the only safe method of adjustment.

He represents the civilized sentiment for peace among nations and the elimination of warfare.

Mr. Taft has always manifested a strong friendship for California. It is common knowledge that the Panama-Pacific exposition would have gone to New Orleans but for the active assistance of the President. Very recently the prospects of the vast scheme for improving the Sacramento and San Joaquin rivers were unpromising, but Mr. Taft came to our aid and now the consummation of that work is practically assured.

There is a strong tendency to divert the Republican party from its fundamental principles, but we believe that the welfare of the United States will be best promoted by adherence to the policies of the party under which the country has always prospered.

California, at least, has much to gain from the policies of the Republican party, and has cause for deep gratitude to President Taft, who is the best friend this state has ever had in that office.

We condemn the unfair criticisms of Mr. Taft and his administration, which have sprung up from unjust prejudice and a sensational political tendency.

We believe that the probability of his election is stronger than that of any other candidate.

We request all citizens of California to join with us in the campaign for the nomination of President Taft.

T. ROOSEVELT, AS JUROR, EARNS $3

Colonel Serves in Mineola Case Which Is Postponed; Won't Talk.

MINEOLA, N. Y., March 6.—For the first time in his life Theodore Roosevelt served today as a juror, for which service he earned $3. A crowd greeted him when he reached Mineola from Oyster Bay.

A case continued from yesterday, it was announced, would take up most of today's session, so it was unlikely that Roosevelt would be called to sit in a case today, but jurors were not excused. Roosevelt put in the time in the grand jury room, where he settled down in a chair with a book.

Roosevelt was asked whether he would comment upon Secretary Stimson's speech in Chicago last night in support of Taft.

"I don't care to say anything about that," he replied.

The colonel was somewhat annoyed at the persistent attention of the camera squad that followed him at every step.

"It's awfully hard," he said, "to smile and look pleasant when your picture is taken so often."

WOMEN QUARREL; ONE BADLY HURT

Landlady Believed to Have Been Hit With Bottle; Skull Fractured.

SAN FRANCISCO, March 6.—Miss Hazel Leach, landlady of a lodging-house at 631 Jackson street, is at the French Hospital suffering from a fractured skull and in a serious condition as the result of a quarrel with Miss Daisy Gordon, a former lodger, which occurred at an early hour this morning.

Money matters lay at the bottom of the disagreement between the pair, and it is claimed that Miss Gordon picked up a bottle which lay on a sideboard in the reception room and struck Miss Leach over the head with it. The latter fell to the floor in a fainting condition and soon lapsed into unconsciousness. When the police arrived the Gordon woman had gone and Miss Leach was hurried to the hospital. An operation may be necessary to save her life.

17-YEAR-OLD GIRL PICKED UP ON DESERT

LOS ANGELES, March 6.—In a hearing which was set before Judge Wilbur today, the juvenile court had one of the most puzzling cases that has ever come before it. The judge was called upon to decide what disposition to make of the case of Adele Kretchmer, a 17-year-old San Francisco girl who was brought here from San Bernardino. The girl declared that she wanted to be a "lady," but her love for wandering has always overcome that desire. She was picked up on the desert several days ago by a train crew and taken to San Bernardino. Efforts were made to provide a home for her, but she said she preferred to go where she pleased.

TO ABOLISH HANGING BY INITIATIVE VOTE

LOS ANGELES, March 6.—Systematic agitation in favor of the abolishment of capital punishment in California has been revived in Los Angeles with the arrival from San Francisco of J. H. Young, secretary of the Anti-Capital Punishment League of California. Young stated that he would make arrangements today for the circulation of initiative petitions through which it was expected to obtain a vote on the abolishment of hanging. A mass meeting also is planned for Saturday night.

COURT TO DECIDE BOY'S SPIRITUAL WELFARE

KANSAS CITY, Mo., March 6 — On a court decision may hang the spiritual welfare of Charles Dixon, 11 years old, and sole heir to a fortune of $40,000 left by his father, Charles Dixon, of Kansas City, who, with his daughter, was drowned while bathing in Lake Michigan last summer. The boy's relatives are divided against each other as to whether he should be a Catholic or a Protestant.

Mrs. Cornelius B. Baker, a sister of the boy's mother, who died in 1906, and the lad's guardian, embrace the Unitarian faith. She is opposing the suit brought today by the boy's uncle, George A. Dixon, who seeks to obtain possession of Charles, in order, as he says, to "improve the spiritual welfare of my little nephew by keeping him within the Catholic church."

MAYOR GAYNOR WRITES RECORD SHORT LETER

NEW YORK, March 6.—Mayor Gaynor, whose long and epigrammatic letters on diverse subjects have been offered to the New York public for perusal almost daily since he took office, has surprised the city with a letter containing only twelve words. It defines his position on the mooted subject of city markets. It is in reply to a business man who wrote asking if the mayor thought the free public market plan practicable.

The enthusiasm of Mayor Gaynor, was not aroused by the recent visit of Mayor Shank of Indianapolis, to judge from his brief letter, which is as follows:

"Dear Sir: Yes. Markets should be established. Yours,

"(Signed) William J. Gaynor, Mayor."

SALT LAKE, Utah, March 6 — But for the thickness of his skull, August Larson of Rockford, Ill., would be a dead man instead of a patient at a Salt Lake hospital. He was taken to the hospital by the police after he had fired a revolver against his head in the day coach of a train starting for Los Angeles. The bullet glanced and lodged in Larsen's nose.

"They were after me and I thought I would kill myself first," the man declared at the police station. Larsen has letters showing membership in the Swedish Lutheran church at Rockford. He seems to be suffering from delusions.

FORMER LABORER DIES RICH MAN

George Johnson Passes Away at His Home in Pleasanton.

PLEASANTON, March 6. — George Johnson, a pioneer stockman of Alameda county, died at his home here yesterday from a complication of ailments. He was 82 years old and a native of North Ireland.

Johnson was prominent in civic affairs in this section of the county for fifty years. He started his career as a laborer and accumulated a fortune estimated at $100,000. Johnson worked for General John Green, one of the early supervisors of the county, in making his first start Later he grazed his sheep along the San Joaquin foothills until he purchased range lands. He died porsessed of about 3500 acres of range between Corral hollow and Midway and also owned oil lands in and near Tesla.

He was a local power in democratic politics and in public and private life. He was a member of Alisal lodge No. 321, F. and A. M., for nearly 40 years and his funeral services will be held under Masonic auspices

The dead man is survived by a widow, Mrs. Annie Johnson. There are no children.

VICTOR REITER HITS MAN WHO INTERFERED

SAN FRANCISCO, March 6 — Busily engaged making preparations for the Baden-Powell banquet at the Palace Hotel Victor Reiter did not court the advice and interference of Thomas Potter, nephew of Milo M. Potter, who was flayed to the floor, sought medical treatment and a remedy for discolored eyes.

FIGHT RESTRAINING ORDER.

WOODLAND, March 6.—Another step was taken yesterday in the condemnation suit of reclamation district No. 108 against the Hershey estate, when an answer was filed by the defendants, who some time ago secured a restraining order to prevent the reclamation district from carrying out its plan to build the highest levee in the state. This project was thought to have been abandoned until now on account of the litigation that was precipitated.

DETECTIVES ARE THROUGH.

NEW WESTMINSTER, B. Detectives state that this will close the matter as far as they are concerned.

CHARGED WITH OFFERING BRIBE

Thomas Wilson Arrested Following Alleged Atempt to "Fix" Witness.

SAN FRANCISCO, March 6.—Thomas Wilson was arrested early this morning, charged with offering a bribe as the result of an alleged attempt to "fix" the complaining witness against Lillian Williams, who has been charged with grand larceny.

The woman was arrested on complaint of Humbert Betti last week, after Betti, who is a bartender, had notified the police of the Barbery Coast squad, that she had robbed him. This morning Officers Kalumbach and Ogden were informed that Wilson had called upon Betti, had offered him $10 to call off the prosecution and had left a diamond ring as security for the money. By an arrangement with Betti the police were there when Wilson came and took him into custody.

WOMEN PREPARE FOR BIG FIGHT

Temperance Forces Lining Up for San Leandro Election.

SAN LEANDRO, March 6.—Under the leadership of the San Leandro W. C. T. U., the fight to assure the election of town officials in sympathy with the policy of the union is continuing without abatement, a corps of energetic women still being in the field canvassing registration and urging their sex to vote as they recommend.

With the formation of a San Leandro civic league, affiliated with the state body, the W. C. T. U. forces, which are prosecuting a bitter fight to defeat the liquor interests at the coming election, feel that their chance for success has been almost doubled. Although the Alta Mira club, composed of the exclusive local set, is strictly nonpolitical in its activities, nearly every member of the organization is actively connected with the new civic center of the W. C. T. U. This, it is asserted by those well informed, is due to attacks made on the club by certain parties prominent in the political field.

ILLEGAL REGISTRATION DROPPED.

For the time being the women, under the direction of Mrs. S. M. M. Woodman, have dropped the investigation into alleged cases of illegal registration, and the efforts of the anti-saloon forces are being concentrated upon seeing that all registration made between now and next Friday is lawful. That no illegal votes may be cast in the election, special pickets will be placed at the various polling places, and every suspicious voter carefully watched. Owing to the addition of two precincts, there will be five polling places to be picketed.

The registration is the heaviest ever recorded here, and a close and determined fight is expected at the polls. So far the W. C. T. U. forces have not yet announced what candidates they will support.

HOMES WANTED FOR TWO GIRLS

Miss T. W. Rich Seeks to Place Homeless Children in Good Families.

Family homes for two girls are wanted by Miss Theresa W. Rich, who has charge of the placing of girls for the probation office

One of the girls is a Protestant girl of 14 who wishes to work her way through the 8th grade and high school. She is described as refined, willing, and capable. The other is a Catholic girl of 17, who wishes to work her way through business college. It is desired that family homes be offered for these girls where they will obtain their living, clothing, etc., in return for their services outside of school hours, wages being a secondary consideration.

Girls are not placed by the probation office to enter homes in the status of servants, but to be received as members of the family, because their need is individual attention and an affectionate concern for their work and amusement interests.

PROPOSED DIAMOND MERGER IS FAILURE

NEW YORK, March 6.—Advices received from South Africa by Maiden Lane jewelry dealers indicate that the attempts of the big diamond magnates to swing a union of the German diamond mine and the Debeers interests have failed and that future prospects of a consolidation are not at all promising. The Debeers interests for some time have been trying to come to some agreement with the German and Belgian syndicates which control the output of the new diamond fields in the German colonies of South West Africa, where are found large quantities of small diamonds. The Debeers company controls the market for larger diamonds.

SAYS BATTLESHIPS RAISE COST OF LIVING

CHICAGO, March 6.—"The board of review is the rich tax dodger's protective league."

"The cost of high living is due to the building of battleships."

These were the sentiments voiced last night at a meeting of the Race Betterment league, a woman's organization, called for the purpose of ratifying the selections of various county candidates made last week.

Of 200 persons present only about 75 were men. None of the men was included in the list of speakers.

One disgruntled man queried: "If they won't let us talk here, what can we expect when they get the ballot?"

OAKLAND WOMAN HURT BY CAR ACROSS BAY

SAN FRANCISCO, March 6.—Mrs. L. J. Wheelock, a hair dresser, living at 1622 Telegraph avenue, Oakland, was run down by a car at the Ferry loop at a late hour last night and badly bruised. Mrs. Wheelock was crossing on the outer track when a McAllister street car, in charge of Motorman J. Duncan, struck her. She received a sprained arm, contusions of the body and was treated at the Harbor hospital.

Here's Chance for Some Oakland Girl to Acquire Spouse

Chicago, Ill., March 2, 1912.

EDITOR TRIBUNE—I trust you shall pardon the liberty I am taking in communicating with you, but appreciating the superior ability of the newspaper in communicating with the people, I take this means to accomplish my aim.

Sometime in the future I shall move to Oakland and engage in business, but before doing so I would greatly appreciate the acquaintance of some young lady who would not object to matrimony should we both be satisfied. I am 25 years of age and would like to get in touch with some one from 18 to 23 years.

If you are in a position to assist me, I shall gladly reciprocate your kindness whenever it is in my power to do so.

Thanking you very kindly in advance, I remain

Truly yours,

R. M. HARRIS.

FOREIGN CONSULS WILL BE GUESTS

Panama-Pacific Company Will Entertain at Official Dinner.

SAN FRANCISCO, March 6.—The president and board of directors of the Panama-Pacific Exposition company will give a dinner next Tuesday evening to the foreign consuls of this city at the St. Francis hotel. This will be the first official function following the issuance of the invitation by the president of the United States foreign nations to participate. Governor Johnson and Mayor Rolph have been invited and it is expected that both will speak.

Lieutenant-General Sir Robert Baden-Powell paid an official visit to exposition hedquarters this morning and conferred with President Moore relative to the participation of the boy scouts in the 1915 fair.

CATS ESCAPE; CITY HALL RATS ARE GLAD

SAN FRANCISCO, March 6.—There are no rats in the new Hall of Justice, but the old building recently abandoned on Eddy street abounded in them.

Policeman Bill Shaw, chief commissary of the department, fears, however, that it will not be long before the rodents make their appearance in the new jail up in the attic of the hall, and this morning he made an excursion to the prison on Eddy street and obtained his two cats, which are said to be the best ratters in the city.

They were brought over in a sack by a couple of janitors, who stumbled on the stairs en route to the lofty jail. There was some spitting and scratching, a scramble to escape, and when the prison door opened, the messengers were empty handed. Presumably Tom and Jerry will be back in Eddy street in the morning.

LYNCH ARRAIGNED IN CHINESE SMUGGLING CASE

LOS ANGELES, March 6.—Harry Lynch, a local pilot, charged with conspiracy to smuggle in Chinese at Oakland, was before United States Commissioner Van Dyke yesterday and his trial was set for March 16. He was released on $1000 bond.

Lynch was charged with being interested in the smuggling in of a party of Chinese at Oakland last week, and federal officers said that he was on the pier, evidently to direct the movements of the landing party, when the launch Morning Star was boarded by the customs officials.

Lynch claimed the charges were without foundation, and that he had nothing to do with the Morning Star or the party of Chinese aboard.

BATTLESHIP UTAH ADDS NEW RECORD TO NAVY

NEW YORK, March 6.—Word reached the navy yard here yesterday that all previous speed records for battleships in the United States navy had been broken by the battleship Utah, with an average speed of 22 knots in her four-hour full-power run off Provincetown. The designed speed of the vessel, an oil and coal burner, was 20.70 knots. American battleship speed laurels have been held by the Delaware, which in her preliminary trial made an average of 21.58 knots.

STANDARD OIL MAN DIES

NEW YORK, March 6.—Richard Curd Tilford, a large holder of stocks of the Standard Oil Company and other industrial corporations, is dead here from paralysis of the heart. He was 67 years of age and a bachelor. His brother, Henry M. Tilford, was formerly vice-president of the Standard Oil Company.

Sore Feet Dangerous; Gives Quick Home Cure

Don't permit sore feet to continue. The nagging irritation to the nervous system of daily foot torture frequently results in serious nervous disorders. Beside this there is the suffering, the haggard features and the peevish disposition. Don't

waste an hour. Get your feet cured to stay cured. Here is the treatment that will do the work positively and quickly. No matter how many patent medicines you have tried in vain use this treatment, which was formerly known only to doctors and you will get prompt results: "Dissolve two tablespoonfuls of Caloclde compound in a basin of hot water. Soak the feet in this for full fifteen minutes, gently massaging the sore parts." The effects are marvellous. All pain goes instantly and the feet feel simply delightful. Corns and callouses can be peeled right off, bunions, aching feet, sweaty smelling feet, chilblains and frost-bites get immediate relief. Use this treatment a week and your foot troubles will be a thing of the past. Caloclde works through the pores and removes the cause. Get a twenty-five cent box from any druggist.

H. C. CAPWELL CO.

Will Install a Ladies' Tailoring Department

MR. JAMES J. DUNNE.

With the opening of the new Capwell store on March 16th the ladies of Oakland will have all the advantages afforded by a first-class, made-to-measure, high-grade tailoring establishment.

This new and important department in the big, new store will be under the management and conduct of the well-known ladies' tailors, Schary & Dunne, who for many years have successfully catered to the Oakland ladies.

By pleasing their patrons this firm has established an enviable reputation. Mr. James J. Dunne ranks very high among American designers in the tailoring art, and will prove a valuable asset to the H. C. Capwell Company.

Messrs. Schary and Dunne have received many congratulatory letters from friends and patrons wishing them success and prosperity in their new and wider field.

Preparatory to meeting the requirements under the new order of things there has been assembled a splendid stock of the most choice woolen fabrics for ladies' tailored suits and every detail will be carefully looked after. Taste and individuality will mark every suit turned out.

Come in and they will be gladly shown you regardless of any intent to purchase.

Kill Two Birds With One Stone

First see the fashions here and elsewhere—then, in heed of the fact that but a few more days remain of our Removal Sale, take advantage of the great economies offered during these closing days. Ten chances to one you'll save enough on necessities to go a long ways toward paying for some new furbelow you've seen.

Have you realized that some new Spring things similar to what you're going to see are here in our Removal Sale at prices 'way below those you've noticed on price tags elsewhere?

Tomorrow—Another Glove Sale

Women's $1.25 Kid Gloves 79c pr

1200 pairs of Women's 2-clasp Overseam Kid Gloves go on sale tomorrow (Thursday) with the opening of the doors at 9 a. m. They are a special purchase of new, fresh gloves bought for your savings during final Removal Sale days. They come in black, white, tan, brown and slate and would sell in the regular way for $1.25 pair. Buy them at a saving of nearly 50c.

Belt Buckle Demonstration

A special demonstration of the merits of the "Perfection Adjustable Belt Buckle" is now being given at the jewelry counter. This superior buckle has a safety-pin attachment which forms and holds the belt and skirt bands securely at any desired waist line. A great necessity to all women—especially to stout figures. The buckle is made in pearl, enamel, oxidized or gold finish and sells from 35c to $3.50 each. Do not fail to see them.

New Spring Dresses of Serge Have Joined Those of Silk at . . $9.75

These newcomers were opened up in the new store and it was intended they should stay there—but to add greater zest to final Removal Sale days we had them brought over to join some of their silken sisters at the little price of.....$9.75

They are made of good quality serges in one-piece style with pretty Dutch necks, three-quarter sleeves and, with the exception of the blacks, with pipings to contrast with their colors of blue or brown.

We told you before of the silk dresses, that they were foulards, pongees and taffetas made in plain or fancy styles, and that you would have to pay regularly from $18 to $30 for them. A great many recognized the bargain and came for them.

A good assortment left in sizes 34 to 44.

$1.75 Velvet Bags 69c

Less than half asked for this odd lot of black Velvet Bags. They are made with flap with button covered clasp and finished with silk fringe at bottom and long silk cord handle. Square and round shapes.

$1.00 Crib Spreads 50c

We have marked these at Half Price to close them out because they are slightly soiled from handling and being used in the windows for display purposes. They are good quality honeycomb crib spreads and come in choice Marseilles patterns.

OAKLAND TRIBUNE EDITORIAL PAGE

M. C. CHAPMAN
President

California Is for Taft.

The Taft movement in California is a voluntary expression of popular sentiment. It is not machine-made—there is no machine to make it. Its sincerity is demonstrated by its spontaneity. There is no combination of Federal, State or municipal officeholders behind it, hence it is the result of voluntary individual action that has been prompted by admiration for the President's character and record and a feeling of gratitude for the great service rendered California when he threw the weight of his great influence in favor of San Francisco in the contest for the Panama-Pacific exposition. Indignation at the outrageous abuse heaped on the President exerted a contributing influence in bringing out this expression of Taft sentiment.

The men who are lining up in support of the President are tried and true Republicans, loyal to the principles of the great party founded by Lincoln, Giddings, Sumner, Stephens, Sherman, Fessenden, Seward, Hamlin and the Morrills, proud of that party's traditions and devoted to the spirit of progress that has always animated it. They are not the fag-ends of other parties, remnants of Populism and camp-followers of the old Democratic organization. They are not professional job-chasers changing their allegiance to parties and bosses in their scramble for places and their eagerness to gain the favor of the dispensers of political patronage. They are voters who believe in the policy of protecting American labor and industry and bringing the great trust organizations under submission to the law.

Taft ought to get the vote of California, and we are confident he will get it. This State is Republican in sentiment. Its people are sensible and red-blooded, and they believe in fair play and abhor ingratitude and hypocrisy. Taft was their friend in their hour of need, and he stands by their productive industries which are threatened by tariff-smashers masquerading from time to time as Democrats, Populists and Progressive Republicans. They love the President for his honesty and candor, his courage and resolution and his firm enforcement of the laws; his eminent talents and his broad-minded statesmanship.

The Taft movement is a spontaneous movement of the people. It is opposed by the bosses and patronage jobbers of the State machine who were but yesterday throwing up their hats for La Follette and now hurrahing for the patron of the trusts and the advocate of a great standing army; the man who defies the third term precedent established by Washington, and scoffs at the constitution as "flint-lock legislation."

California will support Taft, the policy of protection and the example of Washington. It has no genuine sympathy with cant, humbug and political treachery. It is for the party of real progress—the Republican party—and in favor of one of the most high-minded and progressive Presidents the nation has ever had. It is for Taft.

Consular trade reports show that the cost of construction in France has increased in close approximation to the increased cost of living. In Havre construction cost has increased 32½ per cent since 1907. Increase in wages and the price of material are the chief reasons assigned for the heavy advance.

Horrible Tales From Lawrence.

Whether a committee of Congress shall investigate the Lawrence strike is a reasonable subject to debate, but the hearing of testimony as a basis for future Congressional action is productive of wholesome results. Some shocking stories are being told of the ill-treatment of the mill employes. For instance, it is stated by witnesses on oath that children working in the mills for a pitiful wage were charged five and ten cents a day for drinking water. The charge was deducted from their scanty earnings whether they drank the water supplied by the mill companies or not. It was testified that the water charged for at such an exorbitant rate was canal water. One boy of fourteen testified that he earned $1.84 in three days and paid ten cents a day for drinking water.

The water charge is plain robbery; when it is subtracted from a starvation wage, it is equivalent to stealing from the hungry. Whole families worked in the mills and yet were so poor they could not afford to buy butter. Children were compelled to leave school and go to work for a few cents a day because their families did not have enough to eat. No wonder the mill-owners took desperate measures to prevent such facts from going out to the world.

Senator Works has exposed himself in Washington as an enemy of California's wine industry. He admitted that he was in favor of prohibiting the manufacture of wine in the United States. Had he avowed such sentiments prior to his election, he would never have gone to Washington to misrepresent the people of this State.

The Blackmailing Organ of Reform.

The blackmailing sheet that is forever yelling reform and forever grafting is a familiar figure in the journalistic world. Such papers are in the same category with the cinch-bill reformer so frequently encountered in legislatures. For them reform is only an instrumentality of graft and blackmail. Their pretended virtue is only the disguise of a rogue seeking to shake down some corporation or officeholder and plunder the public treasury. When such journals rush to the defense of a crooked county clerk investigation will disclose that patronage has prompted the championship. When a persistent hammering of city officials is followed by the publication of a big building ordinance and the attacks at once cease, there is no mistaking the inference. Somebody has come through, and the journalistic blackmailer has got what he went after. The method is an old and familiar one, and is only different in degree from the methods of the footpad or the ordinary blackmailer who threatens unpleasant revelations unless his mouth is closed with money.

Publications of this type are a disgrace to journalism and the bane of civic progress. They attach themselves as leeches to every movement having improvement in administration and the laws to be administered as an object, and use reform as the shibboleth of loot. When they raise a cry at the heels of a candidate or an officeholder it is for the purpose of compelling him to make peace at a price. When they take up the defense of an officeholder they have denounced for years it is a sign that peace has been made on financial terms. When the mouth of one of these cormorants has been stopped by a patronage bone such as a building ordinance, the public will be at no loss to understand that official timidity has yielded to grafting importunity.

Taft gave California the Panama-Pacific Exposition. Roosevelt threatened to send the army out here to force Japanese in the public schools. You pays your money and you takes your choice.

LISTENING

—NEW YORK WORLD.

Conditions in Mexico.

But a few days ago Francisco Madero was expressing the utmost confidence in General Orozco's loyalty. Now Orozco is marching on the City of Mexico at the head of an army with the avowed intention of deposing Madero and taking the presidency himself. He is not for Vasquez Gomez, who is conducting a campaign by letter from San Antonio and is already calling himself president of Mexico. In the meantime predatory bands are raiding over two-thirds of the country, creating a reign of terror and throwing everything into chaotic confusion. Foreigners are fleeing from the country because they have no protection. Madero's efforts to restore order are growing feebler day by day, and his fall seems to be only a matter of time, and a short time at that. Conditions are deplorable in the extreme, with small prospect of an early mending. Our government is determined not to intervene unless forced by the increasing disorder and excesses to step in for the protection of foreign residents, but it begins to appear that intervention is inevitable. It is quite certain, however, that the United States will not send troops across the Rio Grande unless such a step should be deemed necessary by the governments of England, Germany and France, whose citizens and interests in Mexico our government is under an implied obligation to protect. Public sentiment in the United States is opposed to intervention unless it becomes absolutely necessary, but from present indications it cannot be postponed if anarchy is to be arrested.

Really the San Francisco News-Letter is unkind to mention the enthusiastic laudations of Taft that formerly appeared in the Berkeley Gazette. That was before the editor of the Gazette was appointed State Printer. As the News-Letter should know, things look different when viewed from the State Printing office. A lucrative appointment is a very convincing argument with many men, and the editor of the Gazette is human.

As Colonel Roosevelt has applied the recall to his pledge not to be again a candidate or accept another nomination, he naturally sees no reason why it should not be applied to judicial decisions. Doubtless he would like to recall the decision that knocked on the head the prosecution he instituted in the name of the government against the editors of the New York World and the Indianapolis News.

In the meantime what has become of Beveridge, the Grand Young Man of Indiana? Is his soul-stirring stunt entitled, "Words Without Ideas" to be omitted from the political vaudeville bill this year?

George W. Perkins, former partner of J. Pierpont Morgan, and one of the organizers of the Steel Trust, is for Colonel Roosevelt. In 1904, Perkins sweated the big life insurance companies for contributions to the Roosevelt campaign fund. Perkins has reason to know that the Big Stick is only a stuffed club, so far as the predatory corporations are concerned.

ROYALTY AND DIVORCE

Queen Mary on her husband's accession to the throne caused it to be known that she intended to revive the rules and regulations of Queen Victoria. She even went a step further, says the Metropolitan, and intimated that the men concerned in divorce cases as respondents or as co-respondents, would be regarded with disfavor in the highest quarters.

Queen Victoria never visited her displeasure on the men implicated in divorce cases, save in the solitary instance of Sir Charles Dilke. Indeed, several of her most famous and most trusted ministers, such as, for instance, Lord Melbourne, Lord Palmerston and the now octogenarian, Lord Llandaff, were mixed up in all sorts of divorce cases, without ever forfeiting either their offices or her good will.

Both King George and Queen Mary, however, found that it was quite impossible to put their avowed intentions into practice. They could not exclude divorced women from their court unless they barred therefrom the King's own first cousins, Grand Duchess Cyril of Russia and Princess Louise of Schleswig-Holstein, as well as a host of other royal and imperial foreign personages more or less closely related to them by ties of blood.

In Russia divorce was condemned formerly by both the court and by society. Moreover, it was extremely difficult to accomplish, being granted only on the grounds which would suffice to secure a decree of nullity from English and American tribunals, or else for infidelity. But in the latter case the legal conditions were exacting and the cost of a suit so expensive that demands for the dissolution of marriage ties were few and far between.

Now, however, the situation has entirely changed. Divorces have become frequent in Russian society, and despite the objections of the emperor and of his Hessian born but English bred consort, the court has had to open its doors. Thus the wife of General Soukhomlinov, the minister of war, one of the most popular figures at the court of St. Petersburg and in the great world on the banks of the Neva, was first married to M. de Butewich, with whom her union was legally and ecclesiastically severed in 1869.

The Countess Witte, wife of the former premier, who represented Russia at the peace conference at Portsmouth, N. H., in 1905, and who is still a minister of state, is also a divorcee and is received at court. Moreover, there are a number of divorcees in the imperial family itself, something wholly unknown until the present reign.

THE VOICE OF GOD AND THE NATIONS*

From the ends of the earth to its heart throbs, there is heard a voice as of prayer.
The still small voice, Jehovah-inspired, breaking in on the prophet's despair.
A forerunning call for repentance, presaging the wisdom that saves.
With mankind awake, its ways to forsake
In Mammon's domain that depraves:
The Lord God of Hosts! He reigneth supreme!
And whom may His imminence willful blaspheme,
While urging the helm in some petty realm,
As if God's over-ruling were only a dream.

The voice of God and the nations! The voice that never grows old!
The voice that is heard 'mid the turmoil, confronting the godhead of gold!
Give heeding, I pray thee, give heeding, to the gospel so often renewed.
Take up the refrain, nor seek to disdain
The call that would hallow the Good.
The Lord God of Hosts! He reigneth supreme!
What anthem can compass the wondrous theme?
Awake and give ear, with your back on despair,
To the voice of the nations renewing its claim.

Astray? Ah, how far in our straying *from Him who is Father of All?*
Oh, pray that this voice of the nations may fill the whole earth with its call,
To restore the ambitions of rightness, in the heirship the human may claim.
As the gift of God's grace, for the saving of race,
In a world so prone to its shame!
The Lord God of Hosts! He reigneth supreme!
And who is there dares His decrees disesteem?
The Divine—the sublime—is the gospel of time,
That calls on the nations the Good to redeem.

—J. M. Harper.

PURSUIT OF HAPPINESS

Mrs. Louise Lawrence Suydam expected to be made happy when she went as a bride to the mansion of her millionaire husband on Long Island. She was not remarkable in this. Perhaps after her untimely death she is survived by at least 60,000,000 people who, out of the American total of 92,000,000, expect to be made happy in some way, at some time, by somebody.

Out of this possible 60,000,000, all who live long enough may become as happy as anyone can ever expect to be. They may learn in time that if they do not make themselves happy, no one else can. When they discover that it is not only their undivided, but their inalienable, responsibility to make themselves as happy as they care to be, they will be out of the class of pets.

As Mrs. Louise Lawrence Suydam did not make herself happy in her Long Island mansion, no one else could. It was impossible. Even if they had tried their best, they would have been obliged to give it up finally. But without waiting, she eloped with the plumber boy because when her husband did not make her as happy as she wished to be, she did wish to make him as unhappy as she could because of his failure. She did not expect to make the plumber boy happy, or to be *made happy by him.* He was merely a convenience in making her husband miserable.

Now that she and the plumber boy have ended their experiment by suicide, which she undoubtedly promoted, all who survive with the idea that they can be petted into happiness have a logical conclusion, supplied, ready made. They can go on surviving if they study the evidence in this case long enough to learn from it that those who do not make themselves happy cannot be petted into happiness, matrimonially, socially, politically or in any other way whatever.—St. Louis Post Dispatch.

20 YEARS AGO IN OAKLAND

The deed to the land formerly owned along the shores of Lake Merritt by the Oakland Water Front company was placed on record today by the city of Oakland, which now owns the property. The company, in deeding this land to the city, did so with the proviso that it be used as a public park, and the city accepted this arrangement.

The Home Savings Bank, which a few days ago bought the corner of Fourteenth and Broadway for $125,000, was this morning offered $150,000 for the site by J. H. Macdonald. The offer was refused. The bank has announced that a handsome four-story building will be erected on this site.

W. G. Henshaw and Mrs. Henshaw have returned from an extended trip to Europe. During their absence they visited London, Russia, Germany and many points of interest.

Suit is commenced by the city to open Fourteenth street between Alice and Harrison. The owners of the property affected include Victor H. Metcalf, J. H. Macdonald, C. V. Gibson, Mrs. Annie Haight and Rev. C. W. Wendte. These owners object strenuously to the proposed street work.

Frederick Warde, the famous actor, appears tonight at the Oakland theater in "The Lion's Mouth." Miss Adele Belgarde is his leading woman.

The city council has decided to place an iron-stone sewer on East Twenty-third street. Several property holders asked for the improvement.

Albert Brown filed a petition for permission to erect a wooden building on Thirteenth street, same to be used as an undertaking parlor. Mrs. Anna Riehl applies for permission to build on Washington street.

The city council has ordered the Consolidated Piedmont Cable company to electrolize the horse car line on East Fourteenth street. The resolution was passed to print.

LOONS MIGRATE; SPRING IS HERE

First Signs of Change in Seasons Is Noted in San Diego.

SAN DIEGO, Cal., March 6 — The first sign of spring, if a change in the seasons can be noted here, was evident on the San Diego bay today, when a flock of loons, estimated to have numbered 10,000, mobolized on the surface of the water, and maneuvered to the strange and weird calls of their loon leaders until their formation was perfect.

Then at a given signal the feathered visitors from the north who have been the unbidden guests of San Diego during the past winter, rose in the air and in a wedge-shape body headed for their summer home in the Arctic, their lone leader or "gallant admiral" pointing the way.

Several persons lined the bay shore and witnessed the strange mobilization, which lasted for more than an hour.

POTATO PRICES SOAR; SUPPLY VERY SHORT

STOCKTON, March 6.—An inventory just taken of the potatoes in the local warehouses shows that there are 94,600 sacks on hand in Stockton. It is also stated that George Shima has 90,000 sacks on the river bank. It is reported that the total supply in the state is 300,000 sacks short of the supply needed to meet the demands till the harvest opens

Yesterday tubers sold for $2 50 per bag on the river bank and even higher prices are predicted in the near future. The eastern cold spell has proved a source of gain locally.

WOMAN ACCUSES POSTMASTER FISK

Charges of Impropriety Made by One-time Employe of Postoffice.

SAN FRANCISCO, March 6.—Following the reappointment of Postmaster Arthur G. Fisk by President Taft for another four-year term, charges of impropriety have been preferred against Fisk by Miss Mary Joesten, a young woman employe who was discharged April, 1911.

Miss Joesten is backed in her charges against Fisk by Miss Mattie Fitzgerald of 221 Spruce street, Oakland, who was discharged for the same offense. It is alleged by Miss Joesten that she repulsed the advances of her employer and was deprived of her position for this reason.

The case against Fisk has the support of several members of the state officers of the Knights of Columbus, of which Miss Joesten's brother, J. J. Joesten of 242 Linden street, is a prominent member. When the claims made by the girl were placed before these members, and President Taft had sent his recommendation for Fisk's reappointment to the Senate on January 22, they sent telegrams to Senator Works of California, Senator Bourne of Oregon and Senator O'Gorman of New York, with the result that the Senate is making the present investigation.

"I cannot with propriety discuss the nature of the charges made against me by Miss Joesten at this time," said Postmaster Fisk yesterday.

"INSPECTORS DID IT."

"She was dismissed on April 3, 1911. I had nothing to do with her dismissal, except to carry out the order which was sent to me for the discharge of ten young women, of whom she was one.

"We have nothing to do with these cases. That is handled entirely by the postoffice inspectors, who are the police power of the postoffice. I did not even know that Miss Joesten was being investigated, or that she was under suspicion until long after the case against her was begun.

"The matter was in the hands of Harry Hall, inspector in charge. The girls who were dismissed were watched for months, and Miss Joesten was seen, I have been told, stealing magazines and chocolates, by three inspectors in the observatory stations.

"I knew Miss Joesten only as I know any one of the thousand employes of the postoffice. I remember that I had occasion a few times to reprimand her for failing in her duty.

"The claim that she has made that I ever said anything on other than business matters is absolutely untrue. Her charges are false, and I will prove they are false before this thing is finished.

"They have been made by her because she wants to clear her name of the stigma of dismissal for theft, with which I had nothing to do.

"I have absolute confidence that they will be swept away by the committee of the Senate when the full facts are put before them. I am now sending full information on the case to Washington, and my claims are backed up by the testimony of the inspectors and by every employe of the postoffice who knows anything of the matter.

"For nearly nine years I have been postmaster of San Francisco, and I am sure that no one will give any credence to these claims of an employe who has been discahrged for dishonesty."

DARING MAIL ROBBERY COMMITTED AT DEPOT

LOS ANGELES, March 6.—Postal Inspector C. E. Webster yesterday revealed the robbery of a mail pouch, which occurred at the Santa Fe depot here Saturday night. The pouch came from San Diego, and nearly all of its contents was directed to Eastern cities.

The sack was cut open behind some barrels, nearly under the eyes of the clerks at the Santa Fe depot. The thieves then started to run down the street, evidently opening the letters as they ran. The postal officials stated it would be weeks before the full amount of the loss would be known. They have no clew to the robbers.

COLD LETTERS THESE; MAY NOT THAW OUT

OMAHA, Neb., March 6. — Frozen into a solid mass of ice, 210 sacks of paper mail from New York and New England en route to the Pacific Coast reached Omaha and the postal authorities have been busy trying to thaw the lump into pieces which can be handled. It is believed the entire lot has been ruined.

The condition of the mail is the outcome of a fire in the railroad yards at Aurora, Ill., when a carload of second-class mail which was being transported by the Burlington route took fire. The car was rushed to a locomotive watering tank and a flood of water turned on it. The fire was extinguished, but the contents of the mail sacks were soaked, and, as the postal car continued on its way westward, froze into a solid cake of ice. The car was unloaded with pickaxes and crowbars.

OPERA SINGER BADLY INJURED BY TAXICAB

NEW YORK, March 6. — A taxicab, racing up Broadway on the wrong side of the street, wiped the rear step of a southbound trolley car at Thirty-eighth street yesterday afternoon and plucked M. Missenson, the singer in the Chicago Opera Company, now at the Metropolitan Opera-House, off the car, flung him onto the pavement, dragged him a dozen feet and ran over him.

The singer's right leg was broken, his right wrist fractured and he was internally injured. Missenson was rushed to a New York hospital in a dangerous condition.

COOK IS SCALDED

TO SEND WIRELESS MESSAGE ON FLY

Mare Island Board to Investigate Invention of Electrician Morin.

MARE ISLAND, March 6.—The Mare Island wireless board, which sits here during the week beginning March 22, is to make an investigation of the experiments of Chief Electrician H. H. Morin, U. S. N., wireless aeroplane expert of the coast. Morin expects to demonstrate the feasibility of an invention of his to send and receive messages by wireless while stationed in an aeroplane.

The board which will conduct the official experiments consist of Lieutenant E. H. Dodd, U. S. N., Lieutenant R. M. Fawell, U. S. N., and Wireless Expert Geo. Hanscom of the Navy Yard.

In his experiments Chief Electrician Morin expects to send and receive messages to and from San Francisco, the Yerba Buena Naval Training Station and other bay wireless stations from his aeroplane at Mare Island. He also hopes to establish communication with the Point Loma plant if weather conditions are favorable. The inventor does not use the dangling wire in sending and receiving, as have other wireless operators, who have been unsuccessfully experimenting with the aeroplane wireless apparatus. Instead he uses the stays of his aeroplane in transmitting and receiving his messages. The combined weight of the two aerials used by Morin is but 8 ounces.

Chief Electrician Morin will be suspended 250 feet in mid air between the two wireless poles at the south end of the local naval station, while the experiments are under way. A Curtis aeroplane model machine which has been recently built at Mare Island for the purpose will be used by the inventor for the official tests.

SMOTHERS BABY IN SLEEP.

MARTINEZ, March 6.—The seven-months-old child of Mr. and Mrs. Frank M. Freitas of Pinole was smothered when the father, with whom the child was sleeping, turned while asleep and threw his arm over the face of the babe sleeping at his side. The mother entered the room about 8 o'clock in the evening and, removing the father's arm from the child found that the babe was dead.

How to "Shed" a Bad Complexion

It's foolish to attempt to cover up or hide a sallow complexion, when you can so easily remove the sallowness, or the complexion itself. Rouge and the like on a brownish skin only emphasize the defect. The better way is to apply pure mercolized wax—the same as you would cold cream—putting it on at night, removing it in the morning with warm water, following with a dash of cold. The effect of a few applications is simply marvelous. The half-dead cuticle is absorbed by the wax—painlessly, gradually, in tiny, imperceptible particles—revealing the beautiful velvety-white new skin beneath.

No woman need have a sallow, blotchy, pimply or freckled complexion if she'll just go to the druggist's, get an ounce of good mercolized wax and use as suggested.—Woman's Realm.

SUES FOR DIVORCE.

LOS ANGELES, March 6.—James Morley, clubman, baseball fan, patron of sports and manager of many enterprises in and about Los Angeles, filed suit in the superior court yesterday for divorce from Dorrie Morley, whom he married in Redlands in 1900. He charges desertion. It is said that Mrs. Morley left him a year ago and went to San Francisco.

MASTER OF LANGUAGES DIES IN KANSAS CITY

KANSAS CITY, Mo., March 6. — Nicholas Klemmence, master of languages and the wrestling art, for eight years detective and interpreter of the Kansas City, Kan., police department, is dead here today from pneumonia

Klemmence was feared by the tough element because of his reputation for possessing greater strength than any other man in Kansas City. He spoke nine languages and had a thorough acquaintance with the foreign districts of the city. He was a native of Austria.

TURLOCK MAN MISSING.

TURLOCK, March 6.—Search is being made for Andrew Westlund, a resident of Turlock, who disappeared four months ago. The last seen of him was November 5, at Leadville, when he purchased a ticket for Turlock. His grip was found on a street car in Oakland a little later.

WEAK HEART? NO!

You May Think You Have, Nine Times Out of Ten It's Gas Around Your Heart

I know what I am talking about. I have proven it time and time again, that if you have Gas in your stomach and can't belch it up, it presses against your Heart, causing palpitation, and that anxious and smothered feeling; worse than that, it renders you very nervous and irritable. Take Baalmann's Gas Tablets—2 before and after each meal—and I wager in two weeks you will agree with me that I am right.

Mrs. R. Grace, 2140 O'Farrell St., San Francisco, says. "Suffered three years with gas in my stomach; had five physicians, but no results. Took Baalmann's Gas Tablets and in one week was entirely cured. Can eat anything now."

Mrs. Wm. Hickerson, Oil Center, Cal., says. "I find your Baalmann's Gas Tablets are better than all the doctors have ever given me for Gas and Indigestion. I've been a nervous wreck for sixteen years."

Mrs. M. Abrahams, 1316 Taylor st., San Francisco, says: "Baalmann's Gas Tablets are the best thing I ever used for Gas. Am telling all my friends about it."

Mr. Julius Kiser, 3009 B st., San Francisco, says. "I am completely cured of a stubborn and most annoying case of belching, with less than one bottle of Baalmann's Gas Tablets."

Every druggist sells them for 50c, or send 50c direct to J. Baalmann Co., 336 Sutter street, San Francisco.

FOR YOUR HAIR

Here Are Facts We Want You to Prove at Our Risk.

Marvelous as it may seem, Rexall "93" Hair Tonic has grown hair on heads that were once bald Of course, it is understood that in none of these cases were the hair roots dead nor had the scalp taken on a glazed, shiny appearance

When the roots of the hair are entirely dead and the pores of the scalp glazed over, we do not believe that anything can restore their growth

When Rexall "93" Hair Tonic will do as above stated, it is not strange that we have such great faith in it, and that we claim it will prevent baldness when used in time. It acts scientifically, destroying the germs, which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and nourishing them. It is a most pleasant toilet necessity, is delicately perfumed and will not gum nor permanently stain the hair.

We want you to get a bottle of Rexall "93" Hair Tonic and use it as directed. If it does not relieve scalp irritation, remove dandruff, prevent the hair from falling out and promote an increased growth of hair and in every way give entire satisfaction, simply come back and tell us and without question or formality we will hand back to you every penny you paid us for it.

We lend our endorsement to Rexall "93" Hair Tonic and sell it on this guarantee, because we believe it is the best hair tonic ever discovered. It comes in two sizes, prices 50 cents and $1 00. Remember, you can obtain it only at the Owl Drug Co. stores in Oakland, San Francisco, Los Angeles, Sacramento, Portland, Seattle, Spokane.

LEWIS GOES ON TRIAL FOR ALLEGED FRAUD

ST LOUIS, Mo, March 6.—The first day of testimony taking in the case of the government against E G. Lewis, head of the Lewis Publishing company, and of the University Heights Development & Investment company, charged with fraudulent use of the mails, was taken up with the identification of documents which will play an important part in the hearing in the United States district court here.

United States District Attorney Honts in his statement to the jury charged that Lewis used his own publications to advertise his personal investment schemes.

Fourteen women who are to be witnesses for Lewis took seats behind Lewis' attorneys when court opened. They refused to reveal their identity, but said many other women who invested in the Lewis enterprises will appear.

PRISONER CONFESSES BLOWING DEPOT SAFE

SAN JOSE, March 6.—Frank Wheaton, alias Frank Shannon, who was returned to this city from Imperial Valley a month ago on a charge of having robbed a Japanese store here, yesterday in Judge Dougherty's court openly confessed that he is the person who on the night of June 17 last blew up the safe in the Southern Pacific depot at Los Gatos. He got away with $72 in coin. He denied the Japanese burglary.

TWO WOMEN LAY CLAIM TO ESTATE

San Francisco Resident Wants Million Left by Mine Promoter.

NEW YORK March 6 — Two women, each describing herself as his "widow," are laying claim to the estate of Colonel William James Sutherland, an American gold mine promoter who died last April at Cross Deep in England. The estate was valued at more than $1,000,000.

Agnes Pearman Sutherland, formerly of Tacoma, Washington, whose father, Reuben F Laffroon, lives at the Hotel Belmont, this city, is the "beloved wife" of Sutherland's will, which was admitted to probate in England some time before it was filed with Surrogate Cohalan in New York, October 31 With a five-year-old son, William J. Sutherland Jr, Agnes Pearman Sutherland shares the entire estate.

Now, however, Mrs. W. J. Sutherland of No 216 Octavia street, San Francisco, has entered suit against the administrators of the estate in England to enforce her claim as the widow of the promoter. She alleges she was married to him in 1874, in St Joseph's church, Boston, and that there has been no divorce With two sons, Ignatius, 36 years old and Victor L., 32, the San Francisco woman lays claim to the entire estate Litigation is pending against the ancillary executors for the United States.

SAN FRANCISCO, March 6. — Victor L Sutherland, son of the woman who lays claim to the vast estate of Colonel William James Sutherland, told last night of the years of trouble between his mother and father and the measures resorted to by him and the woman to whom he gave all in preventing the family from sharing in the fortune.

"Since my father died in April we have sought to find the woman, whose name is Agnes Alexander, alias Agnes Pearman, and who now lives in Middlesex county, England," he said last night.

"That mother is the rightful heir to the fortune there can be no doubt. I have stood by her and will do so, as will my brother The Alexander woman is an imposter in claiming to be my father's wife, as she could not have married him legally unless he obtained a divorce, which he never was able to do despite his many efforts"

CONFESSES TO SAVE GIFT OF HIS MOTHER

SAN DIEGO, March 6.—Rather than see a set of rosary beads found in his suitcase classed as plunder of a thief, J G. Daleiden, professional burglar, broke down in the detectives' office here yesterday and, between sobs and imploring to have the beads returned to him, confessed to having committed eight burglaries, four of them in San Diego and the other four in Sacramento, within the past month.

"Give them to me; for God's sake give them to me, and I will tell all," pleaded Daleiden. "They were given to me by my mother when I was a child, and I would gladly spend my days in jail to save her gift from desecration"

The beads were given to Daleiden. He will be charged with burglary. Plunder valued at $1000 was discovered by the officers when they found his suitcase.

FRANCE PAYS HIGH TRIBUTE TO BACON

Distinguished Citizens Unite to Bidding Ambassador God-speed.

PARIS, March 6—Many distinguished citizens of France united yesterday in an imposing expression of regret at the departure of Ambassador and Mrs Bacon when a special session of the inter-parliamentary arbitration group was held in honor of the Ambassador. Mrs. and Miss Bacon were present and the company included former President Loubet, Premier Poincare, Minister of Justice Briand, President of the Senate Dubest, Baron d'Estournelles de Constant, the sculptor Auguste Rodin, Prefect of Police Lepine and large delegations from Parliament and other spheres of French life.

Baron d'Estournelles de Constant presided and voiced France's regret at Ambassador Bacon's departure, saying he had won the esteem of all French people He hailed Mr Bacon as a friend of France who had worked for closer co-operation between France and America in the direction of justice and peace in the world. He presented Bacon with a beautiful bronze sculptured by Rodin.

President Dubost then presented Mrs. Bacon with a medallion inspired by the painting of the famous portraitist, Eugene Carriere.

Ambassador Bacon responded feelingly, expressing the opinion that despite skepticism, the world was moving towards the substitution of an appeal to justice, in place of an appeal to force

Premier Poincare followed with a brilliant address of commendation of Ambassador Bacon's work toward binding the United States and France closer together, and thereby contributing to the peace of the world and the progress of civilization.

KIMMEL CASE TO BE HEARD FOURTH TIME

ST. LOUIS, March 6.—As the result of yesterday's mistrial, the famous Kimmel identity and insurance case will be presented in the courts for the fourth time in May. The St. Louis circuit court will be the arena, Judge Grimm presiding.

The hearing in the circuit court here will be based on two policies of $10,000 each, payable to Mrs. Edna Bonslett, on the life of her missing brother, George A. Kimmel, who disappeared from Arkansas City, Kan., in 1898

SEEK RESIGNATION OF MRS. B. M. RICE

Superintendent of Boys' Outing Farm Defies Enemies to Oust Her.

SAN JOSE, March 6. — A petition signed by 15 or 16 philanthropists, charity workers and persons interested in the juvenile court work, most of them women, was served on Mrs. Bertha Marguerite Rice yesterday, according to the statement of Mrs. I C Merriman, asking her to resign the superintendency of the Saratoga boys' outing farm, and thus escape "forced retirement and the consequences of humiliation."

Mrs Merriman declined to give the names appended to the petition, saying that she was not authorized to make them public, but they included that of Miss Cora Bethell, superintendent of the Associated Charities.

The petition was circulated by Mrs. Merriman, who, together with Mrs. J. A. McCarthy, has been investigating Mrs. Rice and the outing farm for several days.

The following is a copy of the petition as supplied by Mrs Merriman:

"To Bertha M Rice, as manager of the boys' outing farm. We, the undersigned, have intimate and personal knowledge of the manner in which you have been conducting the boys' outing farm, and particularly of your incompetency and inefficiency in caring for children intrusted to your care and of your efforts of raising and procuring funds and supplies for that purpose, and desiring simply to procure your retirement from this so-called work, without further scandal or complications, hereby, and on behalf of a sorely tried and scandalized community, and in the interest of a very worthy charity, call upon you forthwith to resign from and forever sever your connections with the outing farm, and thereby save the necessity of bringing about your enforced retirement and the consequences of humiliation."

Mrs Rice has been preparing for a struggle with Mrs. Merriam and her allied forces for some time, according to her own statement, and is gathering letters from influential people. Included in this collection, which she will submit in evidence in case any definite charges are laid before any organization or court, are a great many letters from boys who have spent some time at the outing farm.

When asked whether she would resign the superintendency of the place, Mrs. Rice said. "No, never!"

PROF. WILDMAN HEADS STANFORD ECONOMICS

STANFORD UNIVERSITY, March 6 — Professor Murray S Wildman of Northwestern university has been appointed by the board of trustees to succeed Professor A. S. Johnson as head of the department of economics. Professor Johnson will next fall take the chair of economics at Cornell, and the newly appointed professor will take up his work here next September. Professor Wildman is a graduate of Earlham college, 1893. He later received his doctor's degree at the University of Chicago.

BEATEN BY ROBBERS.

FRESNO, March 6 —Enticed into a deserted shack on the railroad reservation, C L. McInturff was there robbed and beaten into insensibility. Two little boys found McInturff unconscious in the shack and notified the police. Later in the day Ed Finerty, C. Reyes and A. Tucker were arrested on suspicion of being the robbers The victim was beaten with his own shoes Little hope is given for his recovery.

'MONEY TRUST' TO UNDERGO PROBING

Investigation by Congress Will Begin at Once, Is Report From Washington.

WASHINGTON, March 6 —It is the plan of the Banking and Currency Commission of the House to begin its investigation of the "money trust" immediately.

The details have not been worked out but the inquiry has been divided. One is to be an inquiry into the money trust, and the other is consideration of the Aldrich currency plan. This latter committee also will summon witnesses, but its work will be along the line of constructive legislation than those of investigation.

The sub-committee to investigate the money trust will consist of Representative Pujo of Louisiana, chairman; Representatives Brown, West Virginia; Stephens of Mississippi; Boughton, North, Carolina, Daugherty, Missouri; Barnes, South Carolina, and Neely, Kansas, Democrats, and four Republicans.

The committee which will take up the Aldrich plan will consist of Representatives Glass of Virginia, chairman; Talbott, Maryland; Taylor, Alabama; Korbly, Indiana, Moore, Texas; Bulkley, Ohio, and Kindred, New York, Democrats, and three Republicans.

SANTA CRUZ JAIL EMPTY.

SANTA CRUZ, March 6 —Legal machinery in this county threatens to become clogged with rust. Sheriff Trafton reported yesterday that not a single prisoner was confined in the county jail, and District Attorney Knight reports a clean calendar. The oldest inhabitant racks his memory in vain to recall a similar circumstance.

TELLS OF TAXES ON THE ISLANDS

New Zealand Quoted as Hint to This Country on Assessment Method.

EDITOR TRIBUNE The following clipping from the Westminster Gazette of London, England, should prove of interest to THE TRIBUNE'S readers who are now much concerned with the question of the tax rate in Oakland The clipping is in the issue of Janary 30, 1912 and is as follows

YOUNGEST TOWN IN NEW ZEALAND.

"Te Kuiti is one of the youngest towns in New Zealand Twenty years ago it consisted of one weather-board house and a railway shed Ten years ago it contained only a dozen or so nondescript buildings It has only existed as a borough for about twelve months Out of its area of 1956 acres 375 acres only belong to Europeans or the State the remainder belongs to the Maoris Some years ago the Government could have purchased all the land in and about Te Kuiti for 10 pounds sterling an acre Today they could not purchase the same area for 200 pounds sterling per acre and some of the sections in the main street have changed hands recently at rentals and good will which represent 1300 pounds an acre

FROM 10 TO 1000 POUNDS PER ACRE

"About twelve months ago, or, to be precise, on August 10, the Government officers valued the land and improvements of Te Kuiti at 197,095 pounds whilst the rateable value was 183,376 pounds On March 31 of last year the total value had risen to 227 784 pounds and the rateable value had increased to 215,600 pounds, and it is estimated that the next valuation will show an increase of at least 25,000 pounds This means that European energy and enterprise have created a value of nearly 128 pounds per acre on land which largely belongs to the Maori, and when all the sections within the borough are take up and built on, the values may easily exceed $1000 pounds per acre

It might interest you to know that the Cannibal Islands and the Maori (the natives) are all alive to the value of townsites on the railroad and that landed properties there are assessed at 94 per cent of the selling (market) value for revenue purposes What would we in Alameda county say if assessed at that proportion of values? Our county tax instead of 94 might be say 25 cents or 50 cents only. Yours faithfully,

HUGH CRAIG

HURRICANES SINK VESSELS AT SEA

News Is Brought of Disasters in Which Many Lose Lives.

VICTORIA, March 6—News was brought by the steamer Makura of the disastrous hurricanes in the Fiji and New Caledonia groups, causing the loss of a number of lives and of many vessels

The steamer Hornelen from Columbia river for Auckland encountered the hurricane in the Tongan group Its masts were carried away, bulwarks smashed two boats splintered and the deckload swept away.

The funnels and bridges were the only things left on the deck when the vessel reached Auckland

The steamer Croydon arrived considerably overdue, being 44 days from San Francisco to Auckland

The schooners Aeroplane and George de Laubardee were sunk at Noumea, several members of the crews being drowned The schooner Whiteford went ashore at Banks island, but the crew escaped. The trader Dick Angler went down with all hands off Noumea.

At Noukulofa, where the steamer Corydon encountered the storm, every launch in the harbor was wrecked and half the town was destroyed, many persons being drowned by tidal waves that followed the blow.

COMPANION OF STUART PLEADS NOT GUILTY

BOSTON, March 6—Mrs. Georgia M Stuart pleaded not guilty yesterday to two indictments against her in connection with the proceedings against Arthur Willis Shaw, the Freeport, Me., shoe manufacturer now under arrest in Los Angeles, charged with larceny. The indictments charge her with receiving money alleged to have been stolen by Shaw from the firm with which he was connected and with being an accessory before the fact in the alleged larceny Mrs. Stuart furnished $2500 sureties and was released.

The A. W. Shaw Corporation of Freeport, Me, today filed suit in the Suffolk Superior Civil court against Shaw to recover $21,000.

EXPLAINS P. O. EXPENDITURES

Auditor of Department Reports That Alleged Deficit Is a Delusion.

WASHINGTON, March 6—The House postoffice committee's report that the postoffice department really has a deficit of $627,245 94 instead of a surplus of $219,118 12 for the fiscal year 1911, has drawn a reply from Auditor Kram of the postoffice department

Kram says the Moon committee asked for and received figures showing the postoffice's receipts from July 1, 1910, to June 30, 1911, and its total disbursements from July 1, 1910, to February 17, 1912 Those figures, he says, compared the receipts of 12 months, with the disbursements of 18 months and 17 days.

SEATTLE CENSORS BAR ANNA HELD'S SHOW

SEATTLE, March 6—"Miss Innocence" will not be presented in Seattle again unless a vigorous protest from the Board of Theater Censors is disregarded by the mayor who may be in power at the time Anna Held decides to return to this city. This is indicated in a report submitted to Mayor Dilling, in which it is held by the commission that the "Texas Tommy" dance is not objectionable,

"Miss Innocence" should be censored, the report says, as it is distasteful to the commission and not calculated for any public good, The commission has not investigated the moral standing of the "bunny hug" dance but expects to do so

STATE LICENSES 90 AUTOS DAILY

During the Month of February 2105 Machines Are Registered, Says Report.

SACRAMENTO, March 6—Ninety automobiles per working day were registered and licensed in California during February, counting out four Sundays and two legal holidays, according to the monthly report for his office made by Secretary of State Jordan There were 2105 automobiles licensed.

Three hundred and sixty-two new corporations were licensed, twenty-eight were dissolved and six were revived. Of these corporations licensed, 332 were domestic. Their total capitalization was $97,667,750

For the registration of motor vehicles, Jordan collected $5264 50, for corporation licenses taxes, $7862 50; other fees amounted to $27,970 68, making a total collected during the month of $40,597 68 With the $38,051 92 deposited with the State Treasury during January, Jordan thus far this year has deposited in the State Treasury $78,649 60.

SAN QUENTIN 'TIGER' HUMS FAVORITE SONG

SAN RAFAEL, March 6 — Humming softly a favorite coon song and walking with a light step without leg shackles, Edward Delhantie, the "black demon of San Quentin," murderer of William Kaufman, again was brought into the Superior Court, but the arraignment was postponed

After the indictment was read to Delhantie Attorney George Harlan, counsel for the prisoner, asked for a continuance. He desires to investigate certain statements made by Delhantie regarding the crime

With a broad smile on his black face Delhantie was returned to his cell / He had gained a few days' grace and was pleased Murphy, however, was grave He seems to realize that, although he did not commit murder, his crime was almost as bad as that of his fellow convict.

POPULAR PRINTER DIES; MANY FRIENDS MOURN

SAN JOSE, March 6 — The many friends of Joseph A. O'Neill were shocked by the news of his sudden death in this city last Friday, and the members of his family have been the recipients of innumerable messages of sympathy

O'Neill was a native of Wexford, Ireland, and came to this country when a boy of 12 As a young man he was connected with many eastern newspapers, and up to the time of his death retained his membership in Columbia Typographical union No 101 of Washington, D. C

His brother, Eugene M. O'Neill, is the owner and publisher of the Pittsburg Dispatch of Pittsburg, Pa and his father was for many years head of the University of Wexford, Ireland

NUMBER OF DELEGATES GIVEN OUT BY JORDAN

SACRAMENTO, Cal., March 6—Secretary of State Jordan sent official notices to the fifty-eight county clerks of the state announcing the number of delegates the three political parties will be entitled to at the national conventions The numbers are 26 each for the Republicans and Democrats and 12 for the Socialists.

SAN DIEGO JAIL FILLED TO LIMIT

Violators of Street Speaking Ordinance Overcrowd Bastile.

SAN DIEGO, Cal., March 6.—Both the city and county jail in San Diego are again filled with prisoners, most of whom are violators of the street speaking ordinance The sheriff of Orange county telegraphed from Santa Ana that the overflow sent from here has already filled his jail to capacity

An order was accordingly issued by Judge Sloane authorizing the sending of 30 prisoners to the county jail at Riverside. The jail at that place will now be used until its capacity is reached, for the influx of members of the I. W. W. continues and arrests are being made nightly.

PADDERS' TRIAL BEGINS.

For Sprains

Sloan's Liniment is the best remedy for sprains and bruises. It quiets the pain, relieves congestion and reduces the swelling very quickly.

HERE'S PROOF

Mr. HENRY A. VOEHL, 84 Somerset St., Plainfield, N.J., writes: "A friend sprained his ankle so badly that it went black. He laughed when I told him I would have him out in a week, but I soaked his foot and then applied Sloan's Liniment, and in four days he was working, and said that was a right good liniment."

Mr. JOE HATCHER, of Selma, N C., R F D. No 4, writes: "My daughter sprained her wrist and she applied Sloan's Liniment and it has not hurt her since."

SLOAN'S LINIMENT

TRIES TO SLAY WIFE AND SON

Plucky Youth Struggles With Would-be Murderer and Saves Lives.

Richmond Man Fires Twice, Wounding Spouse and Boarder.

RICHMOND, March 6—At a late hour last hour John Dolan, an employe of the Standard Oil Works, while under the influence of drink, attempted to kill his wife and young son, and was only prevented from committing murder by the heroic actions of his 12-year-old son

Dolan and his wife had been having domestic difficulty for some time over his propensity for drink and he was placed under arrest some time ago and ordered by the court to keep away from his family and contribute $50 a month for their support. He had not complied with this order as to making any payment to his wife, and had not been home for some weeks until last night, when he rushed into the house brandishing a revolver and shouting that he would end it all He fired at his wife, who dodged and threw up her arms She received a bullet in the hand and her thumb was nearly severed.

Dolan raised the pistol to fire again when his young son rushed at him and endeavored to wrest the weapon away. The revolver was discharged again in the scuffle which ensued, the bullet entering the shoulder of Kavock, a boarder in the house and inflicting a flesh wound.

BOARDER HURT.

The woman ran to the home of Councilman Hartnett, a neighbor, screaming, and the police were notified. A search was made for Dolan, who fled when his wife ran out of the house, and the police tracked him in the soft mud and succeeded in capturing him after a fierce struggle.

In the jail today he states that he attempted to kill his wife in order to end all their troubles, he having just been discharged from the oil works and feeling that he had nothing more to live for, and that, if he had succeeded in killing his wife he would have also ended his own life. A preliminary hearing of the case will be held tomorrow. Mrs. Dolan is prostrated.

LOVETT CONFERS WITH LIEUTENANTS

Much Work Before Harriman Chief, Who Is in San Francisco.

SAN FRANCISCO, March 6. — Judge Robert S Lovett, head of the Southern Pacific Company spent most of the day in consultation with Vice-President Calvin and other officials in the main offices in the Flood building There are many routine matters to be talked over as well as much planning to be done in connection with the contemplated construction of nearly 700 miles of new track in California, Oregon and Nevada

The improvement in the service in Alameda county by the installation of electric trains and the increased traffic which has come to the company by reason of the new service, has convinced the officials that it would be a paying proposition to make extensions of the suburban electric line.

LITTLE TO SAY.

Within an hour after Lovett reached the city, accompanied by Julius Kruttschnitt, director of maintenance and way, and L. J. Spence, traffic director, the head of the Harriman lines welcomed a party of interviewers

"I haven't anything to say about anything," he smiled "If you wish, however, you may ask me ay questions you may think of."

The questions were asked, but Judge Lovett had little to say in the way of discussion, and referred to other officials as being in a better position to answer some of the questions

"The Harriman system hasn't got all the money in the world," he observed, when referring to possibilities of reductions in peninsula rates "Consequently, we can't spend it As a matter of fact, the rates are very low now, and we're not making any money from the service."

He stated that the local management system of the local Harriman lines was working very satisfactorily, especially on the Southern Pacific. He also mentioned the advisability of some day establishing a new "orange route" between Sparks and Butte Mountain, Nev., and Mojave, and in terminating the interview he said:

"The Southern Pacific established a record for expenditures in the fiscal year of 1909-1910. The following year showed even greater expenditures. Just what we will do this coming year is undecided at the present moment. Questions of improvements, extensions and rate changes are important to the public. I know, but as far as the Harriman lines in California are concerned, as far as the Southern Pacific is concerned, a discussion of these topics must come from President Sproule. He is the man who spends the money and it keeps him busy meeting the interest on what is spent. As fast as extensions of the electric service across the bay or down the peninsula is concerned, we have made no new appropriations therefore at the present time. Whether or not they are contemplated is a question I do not care to discuss."

FIRE PROTECTION LOWERS CITY'S INSURANCE RATES

New Schedule Explained by Underwriters; Room for Further Reduction, Is Belief

Recognition of the value of the city's salt water system for fire fighting, given by a reduction of fire insurance rates on February 1 by the board of fire underwriters of the Pacific, is mentioned in a letter from W. S. Du Val, district secretary of the board. The letter is addressed to the Merchants' Exchange and explains the status of rates in effect under the new schedule

The communication was presented at the regular meeting of the exchange last night by the special committee having the matter of rates under consideration. It was accompanied by the following report of an exchange committee.

"To the Directors of the Merchants' Exchange — Gentlemen: On August 14, 1906, Hon B. H Pendleton, president of the city council, by invitation, addressed the Merchants' Exchange regarding proposed salt water plant for increased fire protection in the city of Oakland A committee was appointed and on August 22, 1906, the proposition was endorsed and the city council was requested to provide funds to construct the same in the tax levy of that year

"The Merchants' Exchange of Oakland for many years has tried to reduce the insurance rates of the city by increasing the facilities for preventing and fighting fire

"We present this report, which shows that the board of fire underwriters of the Pacific have at last given recognition to the fact that the city government has expended large sums of money in developing an improved system of fire protection and has made a reduction in the rates of premium on account thereof

"Your committee is not prepared to express an opinion at the present time as to whether the rates have been reduced to a degree adequate to the improvement of the fire department, but we wish to acknowledge the reduction in the key rate and thank the fire underwriters for the same.

"The rates in some instances are higher than in 1906 The underwriters have furnished an explanation of the same, which we submit as a part of this report, and will ask further time to consider this matter

"Your committee desires to be continued and will be glad to take up any individual cases with any member and the board of underwriters. Respectfully submitted,

J. C. DOWNEY.
WILBER WALKER.
A. SCHLUETER.

RATES EXPLAINED.

Du Val's communication, which answers questions asked by Wilber Walker, secretary of the exchange, in a recent letter sent in connection with the campaign which the exchange has been waging for several years for lower rates, is as follows.

Wilber Walker, Secretary of Committo Merchants' Exchange of Oakland, Cal —Dear Sir: I received your favor of February 14, within the last week, Mr Torney, to whom it was delivered, desiring to furnish data regarding the changes in rates for the last six years, and these I think you have already been placed in possession of

In reply to your questions:

First—What is the key rate of fire insurance in the city of Oakland and how is it obtained?

Present key rate is 46 cents, made as follows under schedule.

Basis rate	15c
City deficiencies	16c
City rate	31c
Add for class "C" buildings 50 per cent	15c
Key rate	46c

The key rate for "C" class buildings prior to the present key rate was 53 cents. As I think you know, all deficiencies and occupancies are percentages of the key rate of any building In order to understand this reference to the brick mercantile schedule is necessary.

Second—What increase (if any) would be made in the Oakland rate if the so-called salt water system were put out of commission permanently?

At the time the schedule was applied to Oakland in November, 1908, a key rate of 53 cents, as already stated, was adopted This key rate, but for the credit given the salt water system would have been at least 5 cents higher Credit was given for the salt water system in advance of its completion, as will be seen by the letter of the secretary to Mayor Mott, and his reply

Third—What increase in the rate would be made if the full-paid companies were discontinued, and the same companies were operated on the call system?

By reference to brick mercantile schedule, page 5, you will note that the penalties range from "no fire organization," 6 points; if volunteer, 5 points; for men paid on call only the charge is the same as for a volunteer department, viz. 5 points. The difference in final rate would be from 10 to 12 per cent

Fourth—What increase would be made if the Highland Park reservoir were not in operation?

The putting out of commission of this source of supply for the city rendered necessary by its growth would be penalized by a charge of perhaps 5 or 10 per cent cent, depending upon the report of the engineers

Fifth—In view of the increased facilities for fighting fire in Oakland, why should fire insurance rates be higher in Oakland in 1912 than in 1906?

From the data supplied it would appear that the present rates are, as nearly as can be ascertained by careful reference to the books of ratings, about the same as those applying in 1906, and much lower than those in force in 1907 and 1909 Reference to statistics indicates that in 1900 the population of Oakland was in the neighborhood of 67,000 In 1910 the population was 150,000 people. The insurance rates in 1906 were inadequate for the conditions existing at that time, as indicated by the application of the brick mercantile schedule in 1907-8

The reason for this inadequency is perhaps somewhat difficult to explain, but in my experience, Oakland, for a number of years, was a storm center for insurance companies and mercantile business rates were forced below a reasonable point by the competition for dwelling business, a very desirable class Under present conditions, as you know, dwelling rates for the entire township of Oakland, Alameda and Berkeley have been placed on a minimum basis

Oakland, in common with all other cities on the coast, is rated under a schedule which is applied with reference only to physical conditions. In the application of this schedule with which you have been supplied, engineers' advice is relied upon, and for the larger cities, as you are aware, we have the benefit of the national board of engineers, whose reports upon Oakland from a fire protection standpoint are also in your possession

I will say that, as compared with the key rate for Oakland of 46 cents for "C" class buildings, the key rate for San Francisco is 57 cents, for Stockton 58 cents, for Sacramento 48 cents, for Fresno 54 cents, for San Jose 45 cents

Naturally, with the growth of cities and towns, the key rate will vary unless the standard of fire protection is advanced with the growth of the city and its necessities.

I should be very glad myself, or have the surveyors, take up with your committee individual ratings for Oakland, and the value of the schedule under the improvement of the fire hazard will be easily shown Brick buildings, almost without exception, can be reduced by removal of deficiencies which are pointed out in the survey. Yours truly,

(Signed) W. S DUVAL,
District Secretary

CHILDREN'S PICTURE THEATER IS PLANNED

A moving picture theater for children will be launched in Oakland under the direction of Mrs. Zoe Green Radcliffe of this city, aided by a number of prominent men and women interested in the welfare of the child. The movement, is similar to those inaugurated in other cities to do away with the harm caused by indiscriminate moving picture show going and make it of educational value to the child.

When seen this morning Mrs. Radcliffe who has recently returned from the east where she has been examining such theaters, said:

"It is the aim of the project to use moving pictures both for educational and purely amusement purposes, as Thomas Edison has recently suggested. By the exhibition of none but censored films the harm done by many of them on the impressionable mind of the child will be done away with, and by the showing instead of films of historical interest, fairy tales, and clean, humorous pictures, the right sort of amusement and benefit can be gotten.

"To start with here I have engaged the Oakland theater on Broadway near Sixteenth street for a series of children's matinees, beginning Saturday, March 16. They will be given every Saturday morning from 10 to 12, and only films approved by a special committee of prominent citizens will be shown.

"That committee will consist of the following well known people, while other names will be added.

"Mrs. Cora Jones, district chairman of civics, California Federation of Women's clubs; Mrs. L. P. Crane, district chairman of philanthropy; Miss Grace Trevor, president of the West Oakland home; Mrs. C. S. Chamberlain, president of the Oakland club; Mrs. H. D. Spencer, president of the Oakland Federation of Mothers' clubs; Mrs. H N Rowell, president of the Berkeley Federation of Mothers' clubs; Mrs. Elinor Carlisle, president of the Childs' Welfare League; Mrs. J. B. Richardson, vice-president of the Y. W. C. A.; Rev. A. W. Palmer, pastor of the Plymouth Congregational church and member of the playground commission."

VISITOR IN ALAMEDA FOUND DEAD IN BED

ALAMEDA, March 6—Mrs. Minnie Olsen, a native of Germany and 40 years of age, was found dead in bed at a rooming house at 1521 Park street this morning. Mrs. Olsen's home is in Germantown, Tehama county. She came to see about business affairs about three months ago, and has been stopping in Alameda since that time. BATTLE FOR A WOMEN'S COURT

Arguments Being Heard Today for Tribunal Run by Feminine Officials.

SAN FRANCISCO, March 6—The suffragette's latest demand, which is frowned on by a majority of the police judges is for a female police court, and this afternoon a battle is to be waged on behalf of the fair members of many women's clubs

The committing magistrates are to assemble in Judge Weller's court at 3 o'clock and listen to bursts of oratory and arguments pro and con in connection with this feminine tribunal which is so much wanted by the gentler sex

The suffragettes hold that a woman arrested for any offense should not be subjected to the gaze of the hanger on and lotterer in the police court, should not be forced to be escorted handled by a gruff bailiff, but should be treated with due courtesy by female attaches in a court room containing women sympathizers and maybap a female jury.

Who knows but that the opposition of the police court jurists may be directed against the movement by reason of the fact that the presence of several women lawyers in the city makes it a far from remote contingency that judges dressed in silks and satins and with the latest effect in hats decoration might be taking their places

PRISONER SAYS HE IS VICTIM OF PLOT

Dan Burke, Who Gets Three-Year Sentence in Prison, Charges Conspiracy.

SAN FRANCISCO, March 6 — Pleading that a conspiracy between a saloon keeper and a police officer was hatched against him because he had refused to rob and steal for them, Dan Burke, an old offender, was sentenced to three years in San Quentin penitentiary by Superior Judge Dunne this morning. Burke is well known to the officers of the law and it was for a violation of his probation that he was today sent again to prison.

Together with Peter McGlynn Burke was arrested soon after his release from Folsom penitentiary on July 28, 1910, for entering and robbing the store of Samuel Cooper, at 850 Folsom street Judge Dunne heeded his plea that he had been hounded by the police and that he had never had a chance and released him on probation.

Last week a case of Scotch whisky was stolen from a wagon of the Austin Freight and Transfer company, and a Third street saloon keeper claims that Burke offered it to him for sale but that he refused to buy it Later, he said, Burke returned drunk and attempted to assault him with an iron bar

He was then arrested. The accused maintains that the whole thing was a plot to railroad him to prison because he refused to steal money from a stranger who had been in the saloon on previous occasions.

VICTIM BEATEN BY HIGHWAYMEN

Amil Anderson Is Attacked by Thugs and Beaten Unmercifully.

Leaping upon Amil Anderson of 1749 Eighty-first avenue without warning, as he passed the corner of East Fourteenth street and Eighty-first avenue, last night, two highwaymen knocked the man down and beat him mercilessly. The two men gave Anderson no chance to turn over his money, but attacked him and after knocking him to the ground, kicked and beat him until he was unconscious Nothing was taken The attack occurred at 9 30 o'clock last night.

Thefts reported to the police are as follows:

James McNamara, 1309 Regent street, Alameda, pockets picked while on county line car on San Pablo avenue, leather purse containing $9 50 taken

H. A. Powell, 2703 Dwight way, Berkeley, furniture valued at $20 taken by burglars from house at 921 Myrtle street

Earl Pedler, 675 Eleventh street, overcoat stolen from Oakland high school

O F. Woods 424 Third street, garments valued at $25 taken from room

Mrs. H Wilson 483 Ninth street room entered, garments valued at $30 taken

REFUSED PROBATION.

SAN FRANCISCO March 6—Lee Kan, a Chinese boy arrested December 22, charged with burglary, was refused probation by Judge Dunne today and sent to the county jail for six months He broke into the store of Lee Toy at 508 Clay street.

'CARDINAL WOLSEY' AT THE OAKLAND

Vitigraph Feature Exhibited at Popular Moving Picture Theater.

"Cardinal Wolsey," a Vitagraph, is being featured at the Oakland photo theater this week, beginning today, and is one of the strongest dramas ever produced An Irish photoplay entitled, 'You Remember Ellen," and "The Yarn of Nancy Bell, an Edison comedy, comprise part of the program for the remainder of this week.

Beginning next Sunday, a heart gripping drama, "Heir Apparent," an Edison masterpiece will be featured and will be admitted by all to be one of the best photoplays ever produced by this company.

An exciting and educational western drama entitle 'How States Are Made," will also be featured this coming Sunday It is another Vitagraph and the interest is very keen throughout A good old fashioned 'land rush' is the main scene in this interesting picture and a miscellaneous array of vehicles and saddle horses awaiting the booming of the signal gun to start in the mad rush for homesteads, is very cleverly portrayed The method of recording claims is also very clearly shown including the means it affords opportunities for rascality and advantages for the strong over the weak.

An Essanay comedy, "The Baby of the Boarding House" will surely enliven the spirits of anyone subject to the blues 'Buster's Nightmare," an American Pathe production and a Cines entitled, "The Moorish Bride," are the principal photoplays for next Sunday, Monday and Tuesday, March 10, 11 and 12.

AT THE LYRIC.

An Edison entitled, "Children Who Labor," will be shown today and tomorrow only and will prove especially interesting to those who have kept in touch with the great work that is being accomplished to abolish this form of labor. The story of this dramatic and educational photoplay unfolds itself by making us first acquainted with a situation which few people realize.

Miss Mary Fuller, Miss Miriam Nesbitt and Wm. West carry the leading roles in this drama A splendid biograph, 'Under Burning Skies" and a Selig entitled, "Seeing Detroit," conclude the program ending tomorrow, March 7.

Friday, Saturday and Sunday, March 8, 9 and 10, there will be a Lubin production entitled, "Love and Tears," a sympathetic drama dealing with a husband who cares more for the high life of society than he does for the simple ties of the home. "A Tenderfoot's Troubles" is an ideal Kalem western comedy, centering around a genuine college chappy, who finds himself in many embarrassing situations when he invades "bronco land" to express his sentimental feelings to Helen the belle of the range, who shows him up to be deficient in more ways than one.

"Positive Proof," an Essanay drama, showing the efforts of a man, with a wife and little girl, to rise up in the world after losing his position with his firm "A Visit to Madeira," with the Kalem favorites, showing a spot in the world that contains many surprises for the traveler

CLUBS WILL NOT CHANGE NAMES

The Threatened Controversy in Claremont Settles Into a Calm.

The threatened controversy and "moral persuasive" efforts of the officers of the Claremont County club to induce the other clubs of the same name to adopt another means of identification has gradually settled down to a quiet calm.

The Claremont Club and the Claremont Improvement clubs have both remained firm in their determination to retain the names under which they are founded, and the approaches of the older organization have had little effect

G. N. O'Brien, president of the improvement club, and a member of the country club, admitted that no further overtures had been made to him to have the improvement club adopt another name and stated that he did not think such a request would be granted

Mrs Henry W. Taylor, charter member of the country club and president of the Claremont Club, fails to see any legitimate reason for the objections as set forth by the country club, and said no efforts had been made to carry the question before the board of directors of the Claremont Club

The Claremont Club and the Claremont Improvement club are both situated on Hillcrest road, Claremont. The country club is at Broadway and Clifton streets, Oakland

RECALL PETITION WILL BE FILED

The Election to Drop Berkeley School Officials to Be Demanded.

BERKELEY, March 6. — The petitions for an election for the recall of Councilman John A. Wilson and School Directors H. I. Stern and Mrs. Elinor Carlisle will be presented to City Clerk Walter J. Seaborn tomorrow morning. Seaborn expects to be able to finish checking them over by tomorrow night and to report to the council Friday morning on their sufficiency.

The meeting of the school board last night passed with no mention of the conflict. The appointment of Morris C James to the position of school superintendent to take the place of F. F. Bunker was not broached, the majority members being still unable to agree whether this was the best policy. Only routine business was transacted.

Recall headquarters was busy today checking over the signatures to petitions and arranging them by precincts for the assistance of the city clerk. The petitions now in are well over the number required by law—1060—and it is expected there will be no hitch on his score when they are presented to the clerk. New names were received yesterday afternoon and this morning, and not all of the verification deputies have yet turned in their lists.

City Clerk Seaborn has been advised that in checking up the names he may use use either the old or the new register, thus greatly simplifying his task. Many of the signers have affixed their names to the petitions with new residences since the old register, and it was feared at first this fact might delay the city clerk's work.

It was denied at recall headquarters this morning that any portion of the charter had been overlooked in the securing of signatures to the petition and that they would be found to conform to the law. To show that specific charges in a petition for recall were not needed, the following clause was quoted from the charter:

"The petition must contain a statement of the reasons for the demand for a special election." It is held that any reasons, specific or otherwise, would cover this ground, and it is claimed the reasons given in the petition are sufficient.

Until the petitions have been verified by the city clerk and passed on by the council, it is probable that no campaign meetings or policies will be considered. After that time meetings are to be arranged under the auspices of the Berkeley Socialist local in defense of Councilman Wilson and Directors Stern and Mrs. Carlisle. The recall executive committee is also to arrange for meetings in various parts of the city.

DELAY ON STREET WORK EXPLAINED

Councilman Answers Protest of the Latham Terrace Improvement Club.

Delay of many months in the matter of the widening of Twenty-fifth avenue was brought to the attention of the city council this morning by the Latham Terrace Improvement club. It was explained by Commissioner Baccus that Charles Frost, who had the matter of figuring individual assessments in hand, had been ordered on a leave of absence on account of ill health, and that City Clerk Frank Thompson, who has acted as clerk of the street commissioners, who have charge of the affair, has been overworked with a number of street assessment matters of like nature.

The council agreed with E. W. Hyden, president of the improvement club, that the delay had been excessive, and Clerk Thompson was instructed to send a letter to Frost immediately, asking him to send the data to him, that the work might be started without further delay.

The communication from the improvement club to the council follows:

"Some two years ago there was taken up with the city council the matter of the widening of Twenty-fifth avenue between East Twenty-second and East Twentieth street, and the matter has sifted through the various departments of the city government until it reached a point, so we are informed, where the figuring of assessment on each piece of property that same within the assessment district was being carried on and just at this point, where the matter seems to be hanging.

"About six months ago the president of our association appeared before the commissioners for the express purpose of ascertaining the cause of the seemingly unusual delay; and Mrs. Thompson, clerk of the board, explained that the delay in figuring out the various assessments was due entirely to the extraordinary amount of work involved in adjusting the business affairs, etc., which for the time being appeared to be sufficient justification for the unusual delay. This condition, it would seem to us, has now passed and the delay is causing a serious setback to the property facing on this street and in the immediate vicinity.

"Many of the property owners in the district affected by this purposing improvements are not entertaining a very favorable impression of this unusual delay, and we, as an association, considered that it had reached a point where it should be made a special order for business.

PLEAS GUILTY.

George W. Rogers withdrew his plea of not guilty and substituted a plea of guilty to having passed a fictitious check for $465 in Maggie Lahr last September when his case was called in the criminal department of the Superior Court today. He asked that the matter be referred to the probation office and March 19 was set for further hearing and sentence.

WILSON'S POWER IN COUNCIL GONE

Berkeley Mayor Deserted by Turner, Whom He Supported.

BERKELEY, March 6. — The breaking away of Commissioner E. Q. Turner from the Socialist faction in the city council on the vote to permit the telephone merger yesterday, is generally considered to indicate the end of Mayor J. Stitt Wilson's control of the body. This was the first time that a question intimately connected with the local Socialist program had come to vote, and Turner, who was supposed to be aligned with the Socialists, voted with their opponents.

During the municipal campaign of a year ago Turner was supposed to represent the opposition to the Good Government ticket. He was warmly supported for the commissionership in the second election by the Socialists, and with their support succeeded in downing the nearest of the Good Government candidates. Even Mayor Wilson, who was head and soul of the Socialist campaigns, threw his strength to Turner in the second campaign in opposition to the Good Government nominee.

For these reasons it was generally expected that Turner would ally with the Socialists whenever effort was made by them to put their program into effect. Until yesterday no question of Socialist import occurred. Then came the telephone merger, which Mayor Wilson and Commissioner John A. Wilson, both Socialists, had consistently fought.

Mayor Wilson's fight against the merger was based on two things, that he objected to the creation of a monopoly in the telephone service and that he wanted municipal ownership of the telephones in the metropolitan area about the bay. Municipal ownership of public utilities had been promised in the Socialist manifestoes before election and this was the first of the steps in that direction that had come to the notice of he council.

How the new alignment in the council will effect future proposed legislation of a Socialist sort is yet to be determined. Several projects of municipal ownership have been considered by Mayor Wilson that are yet to come to vote, although nearly a year of his term of office is expired.

Among these are light, water and the disposal of garbage.

DALTON SUITS ARE DISMISSED

Court's Action Follows Sustaining of Demurrers; the City Wins Victory.

Superior Judge Waste today dismissed suits brought by Henry Dalton & Sons against the city of Oakland, the Southern Pacific and the Key Route railroad companies, following his sustaining of demurrers to the action a short time ago. It was held that the wharfing rights of the city extended beyond the low tide line of 1852 and that the defendants had the right to cross the Dalton property to reach the terminus on the western water front.

MISS ANDERSON BECOMES BRIDE OF OAKLAND MAN

When Miss Ella Ruth Anderson of 2227 McKinley street, Berkeley, became the bride of Frank Spear, an Oakland business man, at the home of Rev. O. Grovensberg, pastor of the Lutheran church in San Francisco, Monday evening, the same rector performed the ceremony that married Mr. and Mrs. A. Anderson, parents of Miss Anderson.

The wedding was attended by a number of friends of the bride and groom. Miss Fingerson was the maid of honor and Robert Treadwell was best man.

Society

THE wedding of Miss Martha Vaughan and Ford E. Samuel is to be a social event tonight, solemnized in the Methodist church in Alameda, by Rev Mark Hodgson. About 250 fashionable folk will be present at the church, which will be beautifully decked in fruit blossoms. A reception to the family and bridal party will be held at the home of the bride's parents, Rev. W. E. Vaughan and Mrs Vaughan, when the rooms will be abloom with fruit bloesoms, daffodils and acacia, yellow and green being the predominant colors.

The bridal gown will be white satin made with point and duchess lace, over which will fall the filmy bridal veil, worn from a little Juliet cap. The bouquet will be lilies-of-the-valley. The maid of honor will be the bride's sister, Miss Eugenia Vaughan, who is to be gowned in green chiffon over green satin and will carry a trailing maidenhair bouquet. The trio or bridesmaids, Miss Alice Davis, Miss Margaret Denison and Miss Georgie Meredith, will wear gowns of yellow marquisette over satin and will carry armfuls of jonquils.

The best man is to be Stephen Otis, while the ushers are Harvey Hassebaum, Norman D'Evelyn and George Marwedel.

Since the recent announcement of her engagement Miss Vaughan has been given numerous social compliments by her wide circle of friends, among whom she is very popular. She has taken an active part in the social life of Alameda. Young Samuel is a Stanford man. He has been prominent in local club circles, where, since his recent return from a tour around the world, he has given numerous lectures.

DINNER FOR PROCTORS.

Mrs. Wickham Havens will entertain sixteen friends on Saturday night in honor of Mr. and Mrs. Frank Proctor, who have recently returned from abroad and are being welcomed home by their many friends.

BETROTHAL ANNOUNCED.

Announcement is made of the betrothal of Dennis Mannion and Miss Alice Flannigan, daughter of Mr. and Mrs. C. D. Flannigan of Alameda. The wedding will take place this summer. The bride-elect is a graduate of Notre Dame convent of San Francisco. Her fiance came from the east a few years ago to establish his business across the bay. He is prominent in Y. M. I. circles of the state.

ANOTHER ENGAGEMENT.

Another member of the Prelude Club to announce her engagement is Miss Velma Hardy, who is the daughter of Mr. and Mrs. W. H. Hardy of East Oakland. Miss Hardy is extremely attractive. Her fiance, Benjamin Maddox, is well known. He is a member of the class of '05 of the University of California, and belongs to the Sigma Phi Upsilon. Since his graduation he has successfully engaged in business in Los Angeles, where the future home of the young couple will be. The marriage is to take place in June.

The bride-elect is talented along dramatic lines as well as musical. She will be much feted during the coming weeks.

TO ARRIVE IN BERKELEY.

Cards were received yesterday morning announcing that Mr. and Mrs. Howard Smilie, whose marriage took place Thursday in Minneapolis, will be at home to their friends at the Smilie residence in Berkeley after April 1. The bride is a popular society girl of St. Paul and Minneapolis, and is the niece of Major Carroll Buck of the medical department at Alcatraz. Smilie is the son of Mrs. Mary Smilie of Telegraph avenue, and as both young people have a host of friends among the bay city smart set, they will receive a warm welcome on their arrival.

MISS CLAIRE McCOMB, who was made the guest of honor at a delightfully planned luncheon.

ANNIVERSARY DINNER.

The family of Stephen T. Gage, including Mr. and Mrs. George Gross, Mr. and Mrs. Joseph Loran Pease, George Gage and Stephen T. Gage Jr., and the family of Philetus Everts will enjoy their annual celebration and dinner together March 17, the occasion marking the anniversary of the California pioneers leaving their Ohio home to seek their fortune in the West. For many years the custom of assembling together in honor of prominent men has been carried on, the families taking turns in entertaining at dinner.

EBELL CLUB MEETS.

Mrs. Edwin Booth was elected chairman of the nominating committee at the meeting of the Ebell Club yesterday, and the following women were appointed on the committee: Mrs. J. R. Williams, Mrs. R. L. Lavensaler, Mrs. F. B. Ogden, Mrs. William R. Davis, Mrs. M. de L. Hadley and Mrs. Mary F. Jordan. The committee will give its report next month, when the ticket has been printed. Mrs. Charles J. Woodbury's term as club president will expire this spring and it is almost certain that Mrs. C. W. Kinsey will be the next president. Mrs. Kinsey is first vice-president of the club. Following the meeting yesterday the club held memorial services for its deceased members.

BRIDGE PARTY.

In honor of Mrs. F. F. Adams of Seattle who is being extensively entertained during her visit to Oakland, Mrs. William E. Milwain will give a bridge party on Saturday afternoon at her home in Franklin street. The affair will be informal, and the guests chiefly former friends of the honor guest, who formerly lived in Oakland. Mrs. Adams is visiting her parents, Mr. and Mrs. George Willard of Grand avenue.

CARD CLUB TO MEET.

The neighbors who form the Linda Vista Card Club will be the guests of Mr. and Mrs. Samuel Breck at their home in Santa Rosa avenue on Friday evening, when a game of bridge will be followed by supper.

AT BRIDGE TABLES.

Mrs. Thomas Knowles was a hostess yesterday, having asked a dozen matrons of the local smart set for bridge and tea. The guests included a coterie of friends who meet for a game of cards at intervals. In the membership are Mrs Knowles, Mrs. Wiliam Thornton White, Mrs. Seymour Hall, Mrs. Lester A. Greene, Mrs. Paul Dinsmore, Mrs. Rose Kales, Miss Elsie Schilling and a few others.

MUSICALE.

Dr. and Mrs. Albert E Sykes gave a musicale recently at their residence, 462 College street, in honor of Mr. and Mrs. S. Molyneux Worthington of San Francisco. The following guests were present: Mr and Mrs S. Molyneux Worthington, Mr. and Mrs Elgin Stoddard, Mr. and Mrs Robert McGill, Mr. and Mrs. James Kerns, Mr. and Mrs. Eugene Canalizo, Mr. and Mrs K Winterhalter, Mr. and Mrs. G. H. Garthwaite, Mr. and Mrs. Fred Russ, Mr. and Mrs. J. W. Taylor, Mrs. Kindlespire, Mrs. Wm. Denwoodey; Miss C. Rose, Miss Muriel Andrews, Miss Edith Kelly, Mrs. B. Maher; Messrs. Wallace Sabin, Uda Waldrop, Frank Wickman, Jack Hillman, M. Jones.

WEDDED TODAY.

Miss Alexandra Hamliton became the bride of Rudolph Schilling at a quiet wedding solemnized today in San Francisco before the families and a few intimate friends. The young couple are well known in all the bay cities. They will go on an extended trip abroad for their wedding trip.

TO VISIT HERE.

Mr. and Mrs. George Wright are expecting a visit from their son and daughter-in-law, Mr. and Mrs. Cedric Wright, who have been traveling in Europe and are at present in Washington.

The wedding of the young couple took place last year in Prague where both were studying music. Before coming to this city they will visit Mrs. Wright's parents, Rev. and Mrs. Sohlstrom of Minneapolis. They will be given a cordial welcome here by the many friends of the Wrights.

LUNCHEON.

Miss Claire McCombe was the guest of honor at a recent luncheon given at the attractive home of Mrs. Jesse A. McCall, when a group of friends were entertained at music following the menu.

HOME CLUB DINNER.

Prof. William Frederick Bade is to be the complimented guest at a dinner given by the Home club on Thursday evening. Later he will exhibit pictures of birds of the high Sierras and give a talk about them.

SPRING WEDDING

Another wedding scheduled for this spring is that of Miss Florence Rodgers of Alameda and Lieutenant James C. Gunn of the Island Scout service.

The bride-elect is the daughter of Captain and Mrs. Henry Rodgers, the former having been in the Philippines for twelve years. He had his family in the islands for a time, Mrs. Rodgers and the young folks returning to California in order to take advantage of the educational opportunities of California. The lieutenant and his fiancee will return to the islands soon after the wedding.

Lieutenant Gunn is attached to the Thirty-seventh company, Fourth battalion. He is now in California on sick leave.

IN PORTLAND.

Mrs. Harry K. Field is in Portland visiting her son-in-law and daughter, Mr. and Mrs. Henry W. Sharp. Mrs. Harry Howard, a sister of Sharp, is also a guest.

WOMEN IN THE NEWS

LEAVES LONG TRAIN OF LOVE-LORN SWAINS IN PATH

Charming English Lassie Has a String of Bleeding Hearts at Her Belt.

SAN FRANCISCO, March 6.—Miss Marjorie Ward Humphreys, niece of Sir William Prestley of the of the British House of Lords, and one of the most charming English lassies that has ever set her dainty foot upon American soil, arrived from Honolulu on the liner Sierra yesterday morning.

Accompanied by Miss E. Prestley, sister of Sir William Prestley, Miss Humphreys is completing a tour of the world, and incidentally leaving in her wake an unbroken chain of love-stricken swains, who at every stage of the journey are throwing their hands and fortunes at the feet of the beautiful tourist

An account of the conquests made preceding the arrival at Honolulu could not be obtained, but from all accounts the voyage between Honolulu and San Francisco played sad havoc with the ardent affections of a goodly number of the sterner sex.

It was said that upon at least two occasions inopportune interruptions by some heedless persons cut short the declaration of a certain wealthy sugar planter of Hawaii.

If Miss Humphreys were not possessed of so much talent the tale might have been different—one or two admirers may have had an opportunity to express himself before the lovely maid from London was carried away to entertain most of the 200 passengers on the ship.

The conquest of hearts was completed the night before the vessel arrived, when during a concert held as a farewell affair the dainty niece of the English peer, rendered with great fascination, a number of songs and recitations.

$50,000 on Clothes

WASHINGTON, March 6.—In a discussion on how much a well-dressed American woman is obliged to spend for clothes, Mrs. C. H. Anthony of Muncie, Ind., who recently startled Washington society by wearing diamonds in the heels of her slippers, yesterday gave the following list of her purchases made within a year:

Lingerie	2,000
Other lingerie (not tabulated)	2,000
Total	$49,030

Mrs. Gallatin to Wed

NEW YORK, March 6.—Mrs. Jack Gallatin, daughter of Al Adams, the late "policy king," it became known yesterday, is to be married to Francis Baldwin Anderson, a young Cincinnati millionaire.

Anderson, who is 30 years old and a social light in Cincinnati, has just been divorced by his first wife, and Mrs. Gallatin was divorced secretly last August. "Jack" Gallatin filed a counter suit in which one of his many sensational allegations was that his wife once appeared in their drawing room before several guests clad only in an undergarment.

The wedding will take place somewhere in the West Indies before the end of March. Mrs Gallatin is now on a cruise and Anderson will join her as soon as he can come from the West. His friends say he is now in Denver.

Anderson suddenly decided some time ago to make something more of himself than a social ornament, and obtained a job on the Pennsylvania railroad as a trackwalker. He worked at this up to within three weeks ago, earning $2 a day. In addition to this wage he enjoys a private income of $500 a week.

Shadows in Suit

NEW YORK, March 6.—The shadows of a "short, fat man with a big nose and bald head" floated to and fro yesterday in the evidence in the Supreme Court in the divorce suit brought by Dr. Abrams against his wife, who is known professionally as Dr. Amelie Fendler.

Mrs. Rupert, the widow of the janitor of the building at 1391 Madison avenue, where Dr. Fendler had an office in 1908, introduced the shadow into the case. Mrs. Rupert said the elevator man in the building had told her that Henry Wolff, a San Francisco merchant, was Dr. Fendler's friend. She added that Wolff was a short, fat man with a bald head.

Later, Mrs. Rupert said, she saw the shadow of such a man on the curtains of Mrs. Fendler's bathroom in the morning and heard sounds and saw shadows that indicated to her that Wolff was taking a bath. In the meantime, she said, Dr. Fendler was seen in the kitchen of her apartment preparing breakfast

Refused City Job

SAN RAFAEL, March 6.—Their backs to the wall, and faced by an overflow audience of women, the members of the San Rafael board of town trustees politely refused the request of Mrs. Vincint Neale, society leader, club woman, suffragette, to be appointed sanitary officer.

Among other things, Mrs. Vincent Neale is president of the San Rafael Civic Center of the California Equal Suffrage League, and president of the San Rafael Improvement Club, but she desired also to be sanitary officer of the town, a newly created position. Her desire was backed up by women of the various clubs which she leads.

But the town trustees couldn't see it that way. "It's a man's job," they told her finally in denying her request—and the excuse worked.

They Are Serious

LOS ANGELES, March 6.—Scores of marriages are likely to result from a unique leap year proposal contest recently started for amusement by the Glendale lodge of Masons. The lodge, in a spirit of fun, offered a prize for the best proposal written by a miss or widow, and more than a hundred competitors were quickly heard from. They wrote in such a convincing vein that it was decided to turn their proposals over without the names to an equal number of eligible young men in the lodge and let them trace them if possible

It develops that many have succeeded, and that a majority of the women were very much in earnest, which accounts for the fine quality of their efforts. Many showed remarkable talent at popping the question to an unknown. None expected to win a man for a prize, but assurance is given that many will. The prize offered—not a man—was taken by Miss Helen Ingraham.

Women Conductors

PHILADELPHIA, March 6.—"Step lively, please," spoken in a sweet, feminine voice, shortly is to be the order on the trolley cars of Philadelphia.

The Philadelphia Traction Company has decided to try the experiment of having women conductors. The matter has been under discussion for some time, but it leaked out today that several young and pretty women are priming themselves to take up their new duties of standing at the entrance of the cars and collecting nickels from the passengers. It is understood that the experiment is to be tried only on day cars at present, but if it is a success it will be extended to the night lines.

Real Diamonds

PORTLAND, Ore., March 6.—Diamonds valued at $10,000 were stolen today from a room in a local hotel occupied by Miss Amy Butler, an actress playing at a local vaudeville house. The remarkable feature of the case is that it is all true. Ten thousand dollars' worth of real diamonds were actually taken from her room by a real thief, and real detectives are making a real efforts to capture the real thief and restore the real diamonds to the real actress.

"Please, please don't say that they were lost by an actress," she begged the papers. "You know how that will be. Every one will smile and say it is the old game over again, and I never shall get my diamonds back."

Yell Routs Thug

BAKERSFIELD, March 6.—A young footpad, masked and armed, held up Edward Fano, jeweler, his wife and the latter's maid as they were returning from the theater and took a diamond and pearl pin out of Fano's scarf. As he commanded them to halt the robber pressed a revolver against Fano's stomach and commanded silence. Mrs. Fano let out a lusty scream, however, and after snatching the pin the highwayman fled. No trace has been secured of him.

The Modern Chorus Girl

By LILLIAN RUSSELL

(Copyright, 1912, Lillian Russell.)

I HAVE watched with interest the chorus girl of today and compared her with the show girl and chorus girl of ten years ago, and find her an absolutely new type of working woman. Her physical perfection is built by degrees, as the arduous rehearsals proceed towards the opening performances. The chorus girls are all young—no matter what age they have arrived at. Their work makes them young because it is hard, athletic and strenuous. The manner of drilling they go through under the modern stage manager develops muscle and brain. In rehearsing for the reunited Weber and Fields performance the girls did as much athletic exercise as a prize-fighter would if preparing for a combat. The stage manager called them to be at the theater, dressed for work, at 10 o'clock in the morning every day. "Dressed for work" means putting aside their street clothes and donning bloomers, blouses or sweaters, an easy pair of shoes or dancing slippers, and no corsets or false hair. Then those little girls were put through dancing exercises that tightened and strengthened the muscle of every part of their bodies. They would work until noon. Then sending out for a sandwich, would eat it in the theater, sitting around chatting and laughing, always gay and always pretty. Then they would begin again and work until about 5 o'clock. They then went home and returned at 8 o'clock in the evening and worked in the same way until 11 o'clock at night.

This hard work had to be gone through with every day for four weeks. The consequence is that the chorus girl is a beautiful specimen of athletic girlhood. All pretty, uncomplaining, contented and happy. They enjoy their work and are proud of their ability to do the pretty dances and numbers that are so attractive to the public. The chorus is no small part of the success of a musical comedy. And no girl need be ashamed to say proudly that she is in the chorus of any first-class comic opera or musical play.

All girls should go to a gymnasium and go through a training for muscle and bone. Limbs should be strong and supple. A thorough sweat should be taken by exercising the body to beautify and invigorate the system. There is far less harm done in the world by the hard working chorus girl than there is done by the daughters of the rich, who have no object in doing anything that is not exactly to their liking. Of course, they are all looking for a nice husband, but what girls are not? The girls who work will look twice before taking a life mate where the daughters of the rich will take a husband to get away from the stupidity of their homes. I am a great believer in the fact that physical condition directs thoughts in a happy or unhappy channel. An athletic girl is always happy. Lazy girls are always ill in one way or another. Remember, it requires training in manners and muscle to complete the modern chorus girl.

Answer to Queries

G. O. K.—If you will send me a stamped, self-addressed envelope I shall send you a formula for developing the bust.

MISS PAULINE—In answer to your four questions I will say: No. ducing. No. 2—Sour milk and cream cannot be used on the face the same as buttermilk. No. 3—Long eyelashes beautify any eye. No. 4—Walking will certainly make one thin, if you indulge in the exercise sufficiently.

AN INTERESTED CHUM—One of the most becoming ways to wear the hair of a g lirof 17 is to part it in the middle, right down to the nape of the neck. Then brushing each side (separately) forward and backward, then coiling it softly just at the top of the ear. Pull the hair forward around the face to make it soft and fluffy and more becoming. This style is often becoming with the hair left smoothly around the face.

AUTO IS ATTACKED BY BULL; AUTO IS WINNER

GAASVESTON, March 6. — Dr. Charles G. Percival, the New York editor of Health Magazine, who is traveling in the state of Washington in the famous Abbott-Detroit "Bulldog," in which he is touring the world, writes how he was attacked by an enraged bull on a steep grade fifteen miles east of the Oregon state line. It was 9 o'clock at night and the bull showed clearly in the glare of the headlights and blocked the road. Dr. Percival blew his horn, shouted and opened the cut-out to add to the noise. The enraged animal suddenly lowered his head and charged the car. The impact was terrible. The lamp was telescoped and the car was jolted up the grade. Stunned by the blow the bull fell on its side, but soon struggled to its feet. It ran down the road a short distance, then turned and charged again, but swerved before it reached the machine and dashed into the woods.

SUSPENDS PURE FOOD RULE.

CHICAGO, March 5.—All activities of the Government relative to the enforcement of the recent rule of the Agricultural Department against the sale of sulphurized oats, will be suspended until July 1, pending further investigation. It is announced by President Bunch of the Chicago Board of Trade.

OAKLAND'S BOYS AND GIRLS

JUNIOR CLASS WILL HOLD BIG DANCE IN GYM

The semi-annual dance of the junior class of the Oakland high school will be held next Friday evening in the school gymnasium which will be effectively decorated for the evening with colored lanterns, potted plants and colors. The Oakland high school orchestra will furnish the music for the evening. As it will be the first dance of the year at the local school it is being looked forward to with great interest by the young people of the school.

Neat programs have been designed by Margaret Morrison of the art staff of the Aegis. The committee in charge includes: Ed Skinner, chairman; Grant Hunt, Raynor Gimbal, Marjorie Porter, Helen Leete and Esther Wilter.

This term the low seniors and high seniors of the high school have united and will hold a big dance in Maple hall on the evening of March 23. This will be the first school dance held outside of the school in many years.

VALUES HIS WHISKERS AT $20,000 A YEAR

NEW YORK, March 6.—The value to Board Consolidated and the Nova Trust Company of President Dodds whiskers formed a grave and interesting feature of the cross examination of Merrill A. Teague, the defendants' star publicity accelerator at the Rice-Scheftels trial. The district attorney asked Teague if he did not tell him in an interview some time ago, that these whiskers gave tone, dignity and respectability to these enterprises and were worth $20000 a year to them. The witness was visibly disturbed and said he could not recall if he had made the statement or not. Since Dodd's salary was only $10,000 yearly, he thought the district attorney had misquoted him. He would not deny that he did not say it, however

GIRLS TO ISSUE SCHOOL "SCRIBE"

JANNETTE SELFRIDGE

Material is being gathered for the girls' edition of the Scribe, the students magazine of the Manual Training and Commercial high school, which will be issued April 16. Gladys McKinnon, the editor-in-chief of the young women's publication, has announced that it will contain accounts of the activities in the various departments of the school and news of interest to the members of the student body.

Principal P. M. Fisher has complimented the boys and girls upon the manner in which they are carrying on the affairs of the school under the student government management During the past few months the pupils have been interested in the vocational system, which is in vogue in many of the cities of the United States

The girls' board of student control is composed of Freda Bayley, Marion Bosher, Florence Bonesack, Janette Selfride, Florence Cunna and Gladys McKinnon.

The boys' board includes William Fox, Doland Young, Herry Brn, Allen Spencer, Thayer Hall and Emile Gustafson.

BASKETBALL RALLY OF O. H. S. IS SPIRITED

The rally for the Oakland-Berkeley basket ball game, held in Chabot hall, was the biggest of the term. It was conducted by yell leader, McDonald.

The speakers were Mr. Edwards and Mr. Jordan from the faculty, Deming Maclise from the alumni, and John Whitton, Jackson and Bent from Fremont, gave a short vaudeville stunt and the band played several selections.

The Ecclesia has recently instituted the custom of initiating new members into the society. The first initiation will be held on Tuesday, March 12, in the Oakland high school gymnasium. The ceremonies, which will be impressive, will be followed by a short program and dancing.

TAFT HEARS PITIFUL PLEA OF LITTLE GIRL

WASHINGTON, March 6.—A pitiful appeal to President Taft from a fifteen-year-old Polish girl of Erie, Pa., who begs for the release of her mother from jail, has aroused the sympathy of federal officials, although they have no power to act. The mother, the child wrote the President, was sent to jail "unjustly" as the result of a dispute with a neighbor. She left behind her four children, one a nursing babe, with no guardian or means of support.

The case was referred to J. A. Finch, pardon attorney of the department of justice, who has taken up with the mayor of Erie the question of relieving the children's distress.

MRS. TAFT LISTENS TO THE STRIKE TESTIMONY

PRESIDENT'S WIFE IS AT HEARING

Mrs. Taft Goes Through the Storm to Learn About Textile Trouble.

The Acting Chief of Police of Lawrence Tells Committee of Rioting.

WASHINGTON, March 6.—Mrs. Taft again attended the hearing today before the rules committee of the House, which is inquiring into the strike conditions at Lawrence. She journeyed to Capitol hill through a heavy snowstorm and occupied a seat behind the committee on the platform. Wives of many congressmen also were present.

Captain John J. Sullivan, acting chief marshal of Lawrence, on the stand during the morning, was asked about the stabbing of an Italian boy.

"Soldiers were going across a trestle bridge," he said, "when this boy rushed at one of them. A second soldier prodded him with a bayonet. No report ever was made to the police on this case."

"What was the boy attempting to do?" asked Representative Dalzell.

"No one knew what was in the boy's mind, but the supposition is he intended to push the soldier through the trestle."

"What happened to the boy?"

"He was taken to a hospital and recovered."

INTERFERENCE WITH WORKERS.

He told of one morning when the strikers had planned to form an endless parade, locking arms to prevent persons, who wished to go to work, from reaching the mills.

"Although they did not do this," he continued, "they did fill several of the streets leading to the mills. I am sure there were 25,000 persons in these mobs. No attempt at a parade was made, but numerous persons were prevented from going to work.

"Late in the day the strikers began pulling the trolleys off the cars, all along the line. The cars were stoned, people driven out and motormen and conductors frightened off. I saw one man pick up two chunks of ice and hurl them. I put him under arrest and was pelted with ice. One officer came to my assistance. I held up my club and threatened any man who came near. An Armenian who struck me a particularly hard blow in the head was the only man I hit. I did strike him as hard as I could. I also saw there a wounded carpenter assaulted by strikers after they had dragged him from the car."

"NO LEADERS."

"Could you locate the leaders, men and women, who led assaults?" asked Representative Wilson of Illinois.

"There were no leaders in the streets," said the captain. "The instructions of leaders were made in meetings. The crowds usually were led by women and children. They usually were in the front rank and sometimes women had children in their arms. Other women carried flags. On the first morning, Etter, the strike leader, was about the millils giving orders, but when the demonstrations took place he always disappeared."

Describing the killing of Officer Benoit the captain said:

MAN KILLED WOMAN.

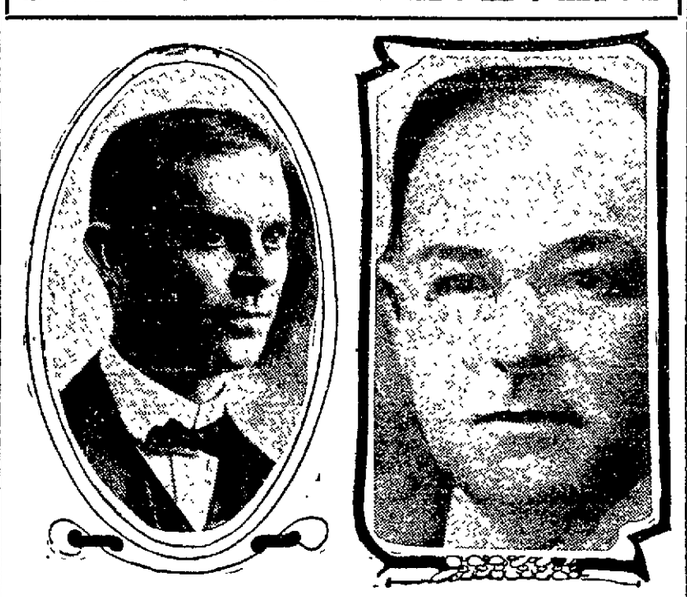

"I want to say that the man who killed the woman was the man who wounded Officer Benoit. We know that man and we will get him."

"Who was the man you have in mind?"

CIRCUS ON LAKESHORE

SHRINERS PLAN EVENT

FRANK W. BILGER (left) and G. S. MEREDITH, who are assisting in plans for circus.

Aahmes Temple Members Enlist Aid of Automobilists to Promulgate News of Affair

Plans for the circus to be given by Aahmes Temple, Order of the Mystic Shrine, during the first four days of April on the shores of Lake Merritt contemplate not only the breaking of all previous records for entertainment and festivals given in Oakland, but also the prospect of excelling anything heretofore handled in any part of the United States by the Masonic order. To this end the local committee is planning to issue a souvenir program of such artistic beauty that it will be treasured by all who are so fortunate as to receive a copy.

The preliminary arrangements for the circus give some idea of the elaborate preparations that are being made by the executive and other committees to make the affair a grand success. Not only will the souvenir program be one of unexampled beauty, but plans are being formulated for extensive advertising that will be a credit to Oakland and will draw people to this city whether interested in the Shriner circus or not.

Among these plans is the issuance of the souvenir program, which will contain 60 pages of beautiful work in cuts and printed matter, so handled as to be an example of what can be done by Oakland printing concerns. This program will be sent to numerous lodges throughout the country and will so serve to advertise Oakland.

AUTOMOBILE MEN TO HELP.

Locally the big circus will be advertised by automobile owners. Arrangements have been made by the executive committee, headed by Illustrious Potentate Frank W. Bilger, Fred W. Le Ballister, secretary, and J. A. Hill, treasurer with local firms, realty offices, garages and private owners of automobiles to carry pennants, banners, streamers and other decorations telling of the coming celebration and fiesta. It is estimated that within a week there will hardly be an automobile in Alameda county not in some way decorated to indicate the coming of the Shriner circus.

Interest in the circus, which has been aroused in Oakland, has already spread to outlying districts, and lodges in the interior of the state and in lodges along the coast are sending in requisitions for the reservation of blocks of seats. Already the committee in charge of the sale of seats for the circus reports a sale of $1000, and this is confined largely to Oakland and the immediate environs.

To make possible the immense attendance from outside of Oakland promised for the circus, arrangements are now being completed with the Southern Pacific, Western Pacific, Santa Fe and other transportation companies for special excursion rates into Oakland. The rates will cover the last two days of March and the first week of April.

OPEN HEADQUARTERS.

That the complex and extensive work of preparing for the big fiesta and carnival may be handled in the most expeditious manner headquarters have been opened by the committees for the circus in Aahmes Temple, at Broadway and Eleventh streets. Here daily luncheons are given attended by the various committee members, and reports for the day are turned in. The headquarters have been opened by order of the executive committee. Office hours from 11:30 a. m. to 2 p. m. are keep by the officers in charge.

Official report was made today by the committee in charge of the sale of tickets that a request had come from the San Jose Temple of the Mystic Shrine, and that inquiries had come from other temples. The committee chairman, Harry F. Wharton, declared that inquiries as to the accommodations and plans for the circus had come from cities and towns within a radius of 100 miles of Oakland, and that the prospects indicated that there would not be a Shriner in Central and Northern California who would not make it his business to pay a visit to the Oakland Shrine during the four day celebration.

Notification has also been received that a delegation will come from Los Angeles for the celebration, and that in all probability a special train will be chartered to bring the delegation from the southern cities. The committee in charge of the ticket sale consists of Harry F. Wharton (chairman), F. D. Voorhees, Gil W. Bacon, and C. H. Martin.

The circus is to be held for a three fold purpose. It will serve as an advertisement for Oakland and a get-together occasion for the local shrine; it will give a spring carnival on the shores of Lake Merritt and it will serve to raise a fund to send a big Oakland delegation to boost this city at the coming imperial council session of the order to be held at Los Angeles from May 7 to 11, inclusive. The money to be raised will also form a nucleus for the Aahmes Temple building fund to be used toward the erection of a great temple in Oakland to be ready in time for the Panama-Pacific Exposition.

Among other prominent Shriners who are working for the success of the circus are George Meredith, Ben O. Johnson, Harry S. Anderson and Herbet F. Seller.

LABOR LEADER ANSWERS COURT

John Mitchell Refuses to Give Assurance That He Will 'Adhere to Decree.'

Declares Willingness Would Place Him in False Light With Himself.

WASHINGTON, March 6.—John Mitchell vice-president of the A. F. of L., declined today to give to Judge Wright of the supreme court of the district of Columbia any assurance that he expected "hereafter to lend adherense to the decrees of the judicial tribunals of this land."

To do so, he declared, would be an admission that he had heretofore failed to comply with lawful decrees. Mitchell said he had rather be convicted of contempt than be acquitted on any other ground than the facts in the case.

Mitchell's letter to the court follows:

"Judge Wright: Sir—At the close of my examination in the contempt proceedings instituted against Mr. Gompers, Mr. Morrison and me the court stated that I was free at any time before these proceedings closed to give expression to the court either orally or in written communication on the subject of following recommendations:

"The court strongly recommends that you consider again the propriety of acquainting the court before these proceedings close with your conviction whether you ought, and whether you expect, hereafter to lend adherence to the decrees of the judicial tribunals of the land in matters committeed by law to their jurisdiction and power."

GIVES IT THOUGHT.

"I have given the court's recommendations careful thought and serious consideration, as a result of which I desire to say that I believe a statement by me that 'I expect hereafter to lend adherence to the decrees of the judicial tribunals of the land' would be subject to no other interpretation than that I have heretofore failed or refused to comply with the lawful decrees of the court and that my evidence in this proceeding was not truthful and sincere and in keeping with the facts in the case.

"I am not willing to make any statement that would impugn my own testimony. I am not willing by any device or subterfuge to attempt to deceive the court or secure an acquittal by any other means than those of the evidence and the truthfulness of my testimony.

"Indeed I should feel more contentment if I were convicted, conscious of the rectitude of my course and the truthfulness of my evidence than were I acquitted on any ground other than the facts as they have been presented to the court and the law as it has been enunciated by the higher tribunal.

"Yours respectfully,
"JOHN MITCHELL."

Berkeley Girl Is Honored at Vassar

Miss Coronado B. Williams Will Be One of 24 Who Will Carry Daisy Chain.

POUGHKEEPSIE, N. Y., March 6.—The twenty-four Vassar girls to carry the daisy chain on class day were announced last night. The daisy chain girls always consist of the prettiest girls of the sophomore class, twelve of the blond and twelve of the brunette type. The girls named include Rosalind Fleming, San Bernardino, Cal.; Abbey Mather Hamilton, Great Falls, Mont.; and Coronado Beatrice Williams, Berkeley, Cal.

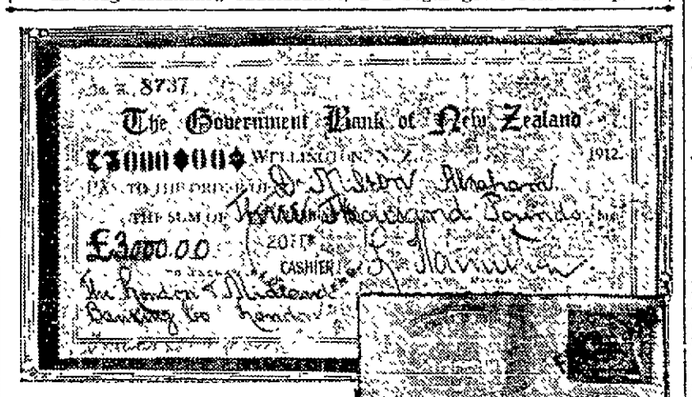

RAILWAY FRANCHISE ASKED BY NEW ROAD

RICHMOND, March 6. — A committee appointed by the city council at its Monday night meeting is now busy looking up old records to ascertain if a prior franchise granted years ago by the county supervisors will interfere with a franchise asked for by the new Castro Point railroad already grading its road from Winehaven to the Standard Oil wharf.

The road, the grade of which is being constructed by H. C. Biggs, superintendent of the San Francisco Quarries Co., is ready to bore the tunnel ahead of it and has fifty men at work on the rock fill around the bay.

FAKE DRAFT RETURNS SOUVENIR OF COOPER

Face of check (upper), showing forged names, and back (lower), showing Abraham's endorsement, and bogus government stamp.

CLEVER FORGERY TO BE KEEPSAKE

Paper on Which Dr. Abraham Tried to Realize Comes Back.

One of the interesting exhibits at the Central bank is the fictitious draft on the Government bank of New Zealand which Milton Abraham, alias "Sir Harry" Cooper, attempted to cash before fleeing from this city. The bank, suspecting the draft, sent it to the London and Midland Banking company, on whom it was drawn, for collection.

The draft comes back marked "drawer not known." One of the interesting things about the check is the inscription on it, "Payment guaranteed by the Government of New Zealand." This stamp was made by Smith Bros. in Oakland at the instance of Abraham, and was one of the clues which the police later dug up.

The draft was one of the most clever forgeries ever seen in Oakland, and only the size of the sum and a number of indiscreet acts on the part of Abraham caused suspicion.

The draft came back yesterday, and will be kept as a souvenir of the affair.

Police Searching for Christabel Pankhurst

Editors of "Votes for Women" Arraigned in London Court; No Bail.

LONDON, March 6.—Miss Christabel Pankhurst, a suffragette leader, who was erroneously reported to have been arrested last night on a charge of inciting to malicious destruction of property, has disappeared, and thus far has baffled all attempts of the police to trace her.

Mr. and Mrs. Frederick Pethick Lawrence, joint editors of "Votes for Women," who were arrested last night, and Mrs. Emeline Pankhurst and Mrs. Tuke, who were brought from Holloway jail, were arraigned at Bow-street Police Court today on a count of inciting to commit malicious damage to property.

The four were remanded by the magistrate for a week, bail being refused.

CHINESE HANGS SELF; FOUND DEAD IN ROOM

Using a piece of Chinese straw rope, Lung Hi, a Chinese laborer, 38 years of age, hanged himself last night in a room off Harrison street near Fifth. The dead man was a former employe of the chinese tobacco shops of Oakland, but had been out of work for some months. The deceased was married.

TRAMPS TAKE POSSESSION OF TRAIN

Sheriff Fires Into the Gang, Wounding One and Scattering Men.

Two Draw Revolvers, But Oroville Offical Is Too Quick.

OROVILLE, Cal., March 6.—Sheriff John B. Webber of this county shot a man, whose name has not been learned, who was one of a gang of 17 men who took possession of a Western Pacific freight train late yesterday and defied the train hands to remove them.

The man will probably die. Webber shot at another of the men, but missed. Both men had drawn revolvers to resist the order of the officer.

Sheriff Webber was notified by telephone that a freight train bound for this city had been captured by 17 tramps, and his assistance was asked. As the train stopped in the yards, the officer, who was alone, ordered the men off the cars.

One of them pulled his revolver. The sheriff was quicker and shot first, missing the man, who ran away, however. As the officer turned he saw another of the men leveling a revolver at him. Webber shot instantly, wounding the man in the abdomen.

Ivan Urban, one of the gang, surrendered. The others scattered in all directions and escaped. Urban has volunteered to act as witness for the prosecution.

SULLIVAN WILL NOT HAVE TO RETURN NORTH

SACRAMENTO, March 6.—Governor Johnson today refused to grant a requisition for the return of J. J. Sullivan, wanted in San Francisco and now held by the authorities in Astoria, Ore., on a charge of wife abandonmen. Sullivan fought the case before the governor and succeeded in showing that he had not deserted his family.

GOSSIP OF STUDENTS AND RESIDENTS IN UNIVERSITY TOWN

SOCIAL AND PERSONAL HAPPENINGS OF DAY IN THE ISLAND CITY

ELEVEN INITIATED BY TAU BETA PI

Two Alumni and One Cornell Man Admitted to the Honor Fraternity.

UNIVERSITY OF CALIFORNIA, March 6. — Tau Beta Pi, the honor society in the engineering colleges, initiated eight students of the university last night, two alumni and one Cornell graduate. The initiation was held at the mining building and was followed by a banquet in Oakland. Tau Beta Pi is a national honor fraternity founded at Lehigh in 1885.

The junior engineers who were initiated last night are: W. H. Joenicke, J. L. Underhill, O. C. Tretten, T. A. Bither, from the college of civil engineering; N. L. Tailferro and Arthur Eaton from the college of mining; D. I. Cone and C. I. Kephart, from the college of mechanics.

Two alumni were also admitted to membership. F. H. Tibbetts '04 was formerly associate professor of engineering in the university and is at present a consulting engineer of San Francisco. Professor Robert Sibley '03 is an associate professor of mechanical engineering.

For the Cornell chapter Edwin Duryea Jr., a consulting engineer of San Francisco, was initiated.

TO PLAY DICKENS TO ASSIST NURSERY

Town and Gown Club Members Are Rehearsing for Production.

BERKELEY, March 6.—For the benefit of the Berkeley Day Nursery, local society women, members of Town and Gown club, and others, are to produce a dramatization of "The Old Curiosity Shop" Tuesday evening at Town and Gown club house, Dwight way and Dana street. A limited number of guests are asked to a preliminary production of the play Monday evening.

Full regard will be had in the production for historic truthfulness in costume and setting. Leading parts will be taken by Mrs. George K. Mott, Jr., Miss Ruby Morse, Dr. Alfred Bailey, James Fisk and Warren Perry. Previous benefits for the nursery have resulted in the purchase of a lot at Seventh and Addison streets, where a cottage is to be erected with the proceeds from the coming production.

HOLD FUNERAL OF WOMAN DOG-LOVER

ALAMEDA, March 6.—Mrs. Mary Dillman, known as "the dog woman," was buried today from an Alameda undertaking parlor, after her body had been kept by an Oakland undertaker pending the expected arrival of the woman's husband from the East.

Dillman has not appeared or sent word and the responsibility for the burial was assumed by Mrs. J. Kraft of this city, with whom Mrs. Dillman formerly lived. Mrs. Dillman died in the East Bay Sanatorium from the effect of injuries received when she was run down in Oakland about three weeks ago by W. G. Davis of Alameda, an automobile dealer. She was a great dog-lover, and had twenty canine pets at the time of her death. The dogs have since been chloroformed by the humane society, as there was no one to look after them.

Mrs. Dillman was living in Fruitvale at the time of her death, having left Alameda after the court ordered her to get rid of her dogs as a sanitary measure, the board of health causing the woman's arrest.

ALAMEDA PERSONALS

ALAMEDA, March 6.—Mrs. W. H. O. Hynes gave a large luncheon and bridge party at her home on Alameda avenue yesterday. The guests were members of a card club of which the hostess is a member. It was given as a farewell to the members.

The guests were Mrs. Le Roy Pollard, Mrs. William H. Foster, Mrs. Harry McLean, Mrs. J. G. McDowell, Mrs. Charles Alexander, Mrs. W. H. Garratt, Mrs. Henry Rosenthal, Mrs. John C. Rohr, Mrs. A. J. Merle, Mrs. John McVey, Mrs. A. F. St. Sure, Mrs. Charles Bradford and Mrs. W. Hynes.

Mrs. Clarence Flint gave a luncheon and bridge yesterday afternoon. Among those who enjoyed the hostess' hospitality were: Mrs. George Leach, Mrs. Carl Rodin, Mrs. George Crandell, Mrs. Charles Gibbs, Mrs. Z. T. George, Mrs. Eleanor Kimer, Mrs. P. A. Jordan, Mrs. H. E. Medbury, Mrs. Ernest Mendenhall, Mrs. Harry Masterson, Mrs. Frank Corbusier and Mrs. Clarence Flint.

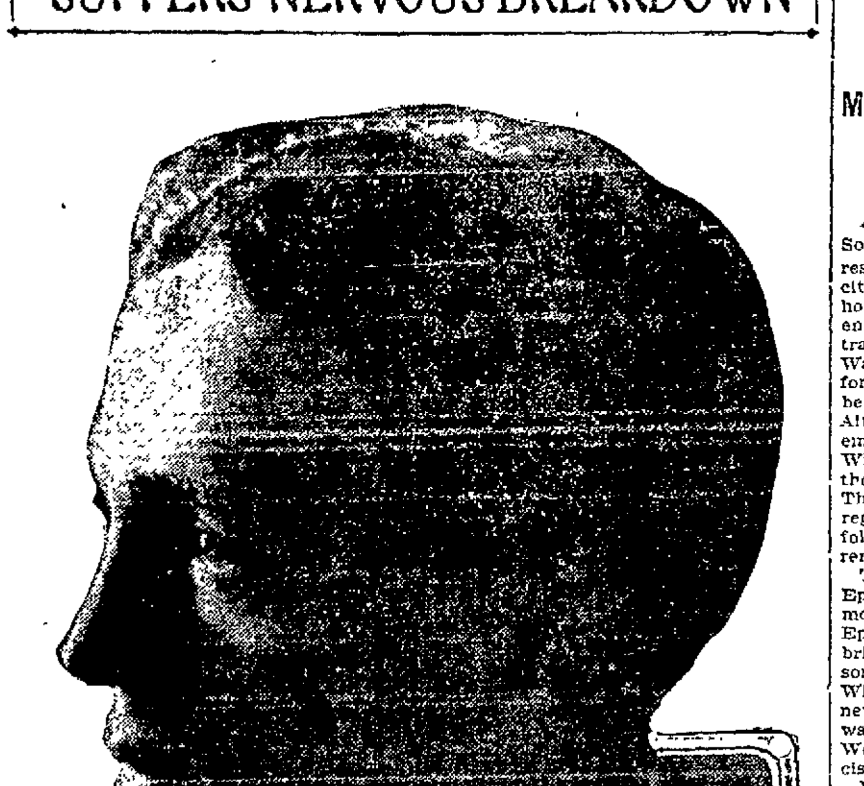

Mrs. Francis B. Graves entertained Miss Helen Todd at luncheon on Monday. Miss Todd addressed the Tea club on the subject of child labor at the last meeting. Mrs. Graves' guests were Miss Todd, Mrs. J. E. Knowles and Mrs. James Waymire.

Mrs. Jenison Hall entertained the Sixty-Three Club yesterday at her home. Luncheon was enjoyed before the play began. Mrs. Hall's guests were: Mrs. Robert Swayne, Mrs. George Plummer, Mrs. W. Abbott, Mrs. Leon Sheldon, Mrs. Philip Teller, Mrs. Edmund Rue, Mrs. Edward Holt, Mrs. J. G. Spaulding, Mrs. Charles Schulze, Mrs. Charles O'Neil, Mrs. George W. [illegible], Mrs. Louis Jansen, Mrs. P. A. Jordan, Mrs. James G. Spaulding.

ALAMEDA PASTOR, UNDER FIRE, SUFFERS NERVOUS BREAKDOWN

The REV. J. R. PERKINS, who has resigned his pastorate after a split in the congregation.

ALAMEDA, March 6.—Breaking down under the strain and worry incidental to the trouble in the First Christian church, the Rev. J. R. Perkins is confined to his bed with a nervous attack which came on suddenly yesterday afternoon. He is under the care of Dr. W. O. Smith. His resignation does not take effect for 60 days, and if his health permits, it is expected that he will fill the pulpit during March and April.

The opposition to the minister is manifesting a strange reluctance to discussing the matter. Mrs. H. J. McNutt, one of the opposition leaders, said that the church would undoubtedly continue in the hands of those who remained in the congregation. She was not prepared to express any opinion as to how many supporters of the minister were expected to leave the church with the pastor. She expressed confidence that, "with with the Lord's help," the opposition would be able to finance the church and manage the burden of debt if the remaining church members "cling to the Lord with their whole heart, soul, mind and faith." Mrs. McNutt said the other side is talking now and that the opposition probably would have nothing much to say until plans were perfected for future procedure. She tersely stated that the exact status of affairs was being magnified by the other side in some particulars, and was not accurate in other statements.

STUDENTS TELLING POLITICAL CHOICE

Presidential Primary Held by the League of the Republic.

UNIVERSITY OF CALIFORNIA, March 6.—With the appearance of blank ballots in the college daily this morning, the first presidential primary in the United States was launched. It was, of course, informal and unofficial, but it is expected to show the preferences of 2500 students in the university before it is completed.

The ballots contain the names of Hughes, La Follette, Roosevelt and Taft for the Republican nomination; Bryan, Clark, Harmon, Hearst and Wilson for the Democratic and a blank space for the Socialist. A blank is also provided to be checked by women voters.

The voting will be continued until tomorrow night. Ballot boxes have been placed at various spots on the campus. Lively interest was taken in the test this morning, and numerous ballots had been cast by both men and women students up to noon.

The election is being held under the auspices of the League of the Republic, acting as agent for the Intercollegiate Civic League of the United States. This organization has branches in forty-five American universities which are also to hold presidential primaries. The local committee in charge includes M. C. Baer, H. E. Stocker and Byron Coleman.

TO ADD ATTRACTIONS TO SURF BEACH PARK

ALAMEDA, March 6.—For the purpose of increasing the size of the swimming tank at the Surf Beach park, erecting a modern dancing pavilion and otherwise improving the property, a meeting of San Francisco capitalists and the owners of the park will be held Sunday. C. R. Smith, who has been appointed to manage the property, is to leave Monday morning for Venice and other Southern California beach resorts, where he will make arrangements to secure talent and attractions for the opening day.

A schedule of aquatic events is to be arranged for each Saturday and Sunday during the season. An interchange of talent between Alameda and all the principal resorts of Southern California will provide new features for each day.

Following out the idea recently introduced in the San Francisco schools, which provides that a scholar in order to graduate from the grammar schools shall be able to swim, free swimming lessons are to be given to the pupils of the seventh and eighth grades every Saturday morning.

NATIVE SONS TO PLAY.

ALAMEDA, March 6.—The Alameda parlor of Native Sons will be hosts at a whist party on next Monday evening at Eureka hall. After the games, refreshments will be served in the banquet room

IMPROVERS TALK ABOUT SCHOOLS

Clubs Are Busy With Imbroglio Involving Superintendent Bunker.

BERKELEY, March 6. — Activity has been great this week among the improvement clubs, the school board difficulties and the telephone merger forming fruitful subjects of discussion. The Columbus Improvement club endorsed the majority members of the board of education in their decision to elect a successor to Superintendent F. F. Bunker and also endorsed the stand taken by Mayor J. Stitt Wilson in the difficulty.

The calling off of the floral fiesta was deplored by the North Berkeley Improvement club. A conference with City Assessor Harry Squires was arranged for the first Monday evening in May. The Northbrae Improvement club has appointed a committee to obtain data on the school situation for presentation at the next meeting. This club is also active in securing more lights for the annexed district.

The question of protection at grade crossings from the electric trains was considered by the North Grove Improvement club. Resolutions were adopted asking the mayor and council to take steps at once for the better protection of citizens. The club has appointed a committee to proceed with incorporation, including George Grider, F. D. Burgess and F. D. Merrill. Efforts are being made to secure a lot for the erection of a clubhouse.

MOTHERS' CLUB WOULD HOLD LARGE CARNIVAL

ALAMEDA, March 6.—Launching the first step of a plan looking for the holding in this city of a mammoth carnival, the Mothers' club of the Haight school at its meeting last night decided to seek the assistance of the various semi-civic organizations of this city to perfect the idea. It is proposed to hold the carnival during the summer, the date to be set later.

The matter was brought to the attention of the chamber of commerce, through John Wilkens today, and he stated that there is no doubt that it will be a perfect success. Wilkens stated that he knows the chamber of commerce will take an active interest in the affair.

While the plans of the club are as yet embryonic, it is proposed to hold a parade, with floats and children representing various flowers, during the day time, with aquatic sports and games, and in the evening some sort of electrical display. All of the improvement clubs will be asked to co-operate.

MILES SEPARATE BRIDE AND GROOM

Mrs. Ruth Soule Wilson Spends the Honeymoon by Herself.

ALAMEDA, March 6.—Mrs. Ruth Soule Wilson, bride of ten days as the result of a secret wedding at Redwood city on February 26, is spending her honeymoon alone at the home of her parents, Mr. and Mrs. J. T. Soule, 1801 Central avenue, while her youthful husband, Walter Victor Wilson of Vallejo, Stanford's football hero and glee club member is pining "all by his lonely" at Palo Alto, selling real estate for the firm which employes him. Presumably as soon as Wilson prepares a home for the his bride the young folks will go to housekeeping. The family of the bride have little to say regarding the future plans of the young folks beyond stating that Mrs. Wilson will remain with her parents for the present.

The Rev. A. B. Chinn of the Menlo park Episcopal church officiated at the ceremony, the wedding taking place in the Episcopal church in Redwood City. The bride then returned to her home and Wilson went to Palo Alto. For a week Mrs. Wilson kept her secret and then told the news to her sister, Mrs. Wolff. The secret was told the sister Monday and Mrs. Wolff immediately went to San Francisco and told her father.

Last night the father confirmed the news of the wedding. He is a prominent San Francisco lumberman. The family came to Alameda about three years ago, Soule purchasing a large residence. The family immediately entered into Alameda social life, as well as the social activities in the other bay cities. The four daughters of the household speedily became prime favorites.

SOCIAL LEADER'S SISTER.

The bride is a sister of Mrs. Lionel Wolff, an Alameda society matron, and of Mrs. Ralph Damon Emerson of Aloha, Wash., the latter being Miss Francis Soule before her marriage about a year ago. A third sister, Miss Dorothy Soule, is living at her home on Central avenue.

The young bride is a graduate of the Alameda high school, a graduate of a finishing school at Palo Alto, and has been attending Stanford for the past eighteen months, though she did not return to the university at the commencement of the present semester.

Mrs. Wilson's parents knew that she and Wilson were attached to each other but considered them too young to marry and wished their daughter finish her university studies and then travel abroad for a time. Mrs. Wilson is a member of the Kappa Alpha Theta sorority. She is a graceful, tall young woman of the blonde type, talented and popular with her many friends and social acquaintances.

Wilson is a member of Phi Kappa Psi fraternity and is twenty-one years of age, his bride being a year younger. His mother resides at Vallejo and his father is dead.

COUNCIL PROCEEDS WITH BOND MATTER

Ignores Request for Delay and Passes the Preliminary Resolution.

ALAMEDA, March 6.—Councilman-elect Charles W. MacRae was sworn into office at the council meeting last night, Council President E B. Bullock administering the oath of office. MacRae immediately took the seat left vacant by the death of the late Councilman Peter Christensen.

The council adopted a preliminary bond resolution, calling for the issuance of $200,000 of municipal bonds for an electric light plant and fire and police department betterments. The date of the special bond election will be fixed by a later resolution. The federated improvement clubs of the city asked the council to postpone all bond procedure until the proposal had been thrashed over by the clubs. The communication was referred to committee and then ignored through the adoption of the preliminary bond resolution.

There was a large lobby present, which took part in the bond discussion. Among the speakers were Green Majors, C. F. Adams, Wynn Meredith, E. C. Brown, Alexander Mackie, Arthur Goldsworthy, and City Electrician J. B. Kahn. Some of the speakers wanted the council to go ahead at once, while others advised delay. Meredith, Goldsworthy and Kahn, all connected with the electricity department, were the chief speakers in favor of early action, pleading that the extensions would be imperative before another winter arrived, and that no time should be lost in submitting the proposition.

W. L. Murphy, A. Kist, Colonel Babcock, M. J. White, E. K. Taylor and J. H. Wilkens spoke on the proposed widening of Encinal avenue. Wilkens, Murphy, Babcock and White favored the entire city paying the cost. Kist opposed the entire city assuming the burden. E. K. Taylor favored quick action by the council, favoring a large district and making the railroad assume a portion of the cost. The matter was referred to the committee of the whole to report back to the council at the next regular committee meeting on March 15.

SOCIALISTS CONDEMN ACTION OF POLICEMEN

BERKELEY, March 6.—The Karl Marx club last night listended to addresses regarding the recent I. W. W. disturbance in Oakland and appointed committees to draw up resolutions condemning the Oakland police for their alleged attack on the street speakers. Another committee was named to ask the Berkeley city council to protest against the action of the Oakland police. H. C. Thompson, H. H. Lilienthal, G. L. Hughson, C. J. Staley, W. J. Gobble and Martin Morch were the speakers.

PETITIONS ARE FILED FOR LIQUOR ELECTION

BERKELEY, March 6.—City Clerk Walter J. Seaborn today finished verifying the names on the initiative petition for a charter amendment permitting the sale of liquor in original packages in Berkeley. He declared unofficially that there were sufficient signers to warrant the submission of the question to the voters. The petitions with his warrant of their correctness will be handed to the commissioners tomorrow.

PRESIDENT'S WIFE ATTENDS HEARING

Braves Severe Storm to Be at Session of the Textile Workers.

(Continued from Page 13.)

"I should not tell you that; it would defeat the ends of justice."

"Was he a striker?"

"We think he was, and the woman killed was also a striker. I think that shooting started as pure devilment, to raise trouble, and that there was no intention to kill anybody. The police did not shoot."

STRIKERS MADE TROUBLE.

Captain Sullivan told of another officer who was stabbed during the same outbreak. Another method of the strikers to arouse trouble, he said, was the concerted plan of the strikers in flocking through the stores, passing in and out without buying anything.

"They had our storekeepers in a state of terror and for some time business was practically at a standstill, though the stores were not closed," he said.

C. F. Lynch, commissioner of public safety of Lawrence, resumed the stand. He first told of having lent personal financial assistance to parents who were persuaded not to send their children from Lawrence.

CITY AUTHORITIES AIDED.

"Did the city authorities and citizens make any effort to settle the strike?" asked Representative Hardwick.

"Yes, sir; the city government commissioners met with the strike committee and tried to arrange a meeting with the mill owners. The mill owners refused to deal with the organization, but would with their own men."

The commissioner said he personally saw one riot about the mills.

"I saw a crowd hurling rocks at the mills," he said.

"What section of the statute authorized you to order the police to prevent children leaving Lawrence?" asked Representative Stanley.

"It was looked up at the time—the statute, I think, was that preventing children's departure without parents' consent."

POLICE INSTRUCTED.

"Did you instruct the police that the children must have written consent of their parents?"

"Yes."

"What if the parents were present at the depot?"

"Well, that would be different, if we knew they were the parents."

"Did you read that law you say you have on the statute books of Massachusetts on which you acted in this matter?"

"I did not."

"Did you order the police to jail the children?"

"I left that to the man who had police experience."

WOMEN ARRESTED.

LAWRENCE, Mass., March 6.—Comparative quiet prevailed during the hours preceding the opening of the textile mills today. The most important addition to the ranks of the returning operatives was the loom fixers, who voted last night to accept the five per cent wage increase.

Twelve arrests were made this morning, but all were for minor offenses. Half the number taken into custody were women who had in their possession a mixture of pepper, sand and spice.

It was estimated that in the last three days not more than 3000 persons have resumed work in the factories.

The man body of strikers, it is thought, intend to hold out in the hope of obtaining further concessions.

Captain Sullivan said children frequently were sent out of Lawrence by the strikers without the consent or even the knowledge of their parents.

WOMEN PICKETS.

Just before the trouble at the depot, he said, a system of picketing by women had been inaugurated by the strikers. These pickets would not obey the police.

"They felt they were martyrs, heroines and wanted to go to jail," said the captain. "When they were fined for assaults they appealed their cases.

"These women were in jail on the day of the trouble at the station and their children were brought to them in the jails. These were the children described here as being locked up. Their fathers had brought them there and left them.

"The women and children brought to the station after the trouble at the depot never saw a cell. They never were put in cells."

Describing the trouble at the depot, Captain Sullivan said he had twenty-four officers with him and gave orders that all loiterers be driven away.

"There were about 100 people there and all left but fifteen," he said. "To those who remained I said, 'I don't know you people, but before you leave Lawrence I want to know whether you are the parents or guardians of these children and where you are taking them."

"NO ONE CLUBBED."

"I got no answer from any of them. In a few minutes these few children were gathered up and started for the train. I established two lines of policemen and prevented them from going to that train. We put them in the automobile truck and took them to the station. No one was clubbed or hurt."

The captain denied that there was any violence used and said he was on the spot all the time and that no soldiers were there with guns and bayonets.

"There were only eight women there and fifteen children. They did not go into the truck cheerfully. They had to be assisted to the truck, but they were not thrown. This Brown woman was the only one who screamed. She did make some noise."

MRS. ROSE SILVEY DIES AT AGE OF 69

SAN LEANDRO, March 6.—Mrs. Rosa Silvey, 69 years of age and an old resident of this place, died at the family home 312 Hayes street, following a general decline. Mrs. Silvey was a charter member of the local branch of the S. P. R. S. I, No. 5. The funeral will be held tomorrow morning, under the auspices of the society from St. Leander's Roman Catholic church. The remains will be interred in St. Joseph's cemetery, Hayward.

Mrs Silvey is survived by a husband, Charles Silvey, and two daughters, Mrs. Louise Gomez of Hanford, Mrs. E. B. Wilkins of Los Angeles.

The dead woman was a native of the Azores Islands.

SMALLPOX CLOSES SCHOOLS.

DOUGLAS, Ariz., March 6.—The public schools of Douglas were closed yesterday by the authorities because of the spread of smallpox throughout the city

ALAMEDA ELKS ELECT W. C. WOOD EXALTED RULER

WILL C. WOOD, exalted ruler.

ALAMEDA, March 6.—The Alameda Elks elected the following Elks as officers last evening: Exalted ruler, Will C. Wood; esteemed leading knight, H. M. Hammond; esteemed lecturing knight, L. R Weinmann; secretary, A. W. Morganstein; treasurer, Al Latham; tiler, H. H. Shed; trustee, Henry P. Mortine; delegate to Grand Lodge, T. H. Haskins; alternate, H. C. Ward. The new officers will be installed in April.

WIRES DOWN; TRAIN SERVICE TIED UP

Passengers on Alameda Electric Line Frightened by Falling Equipment.

ALAMEDA, March 6.—A spectacular mishap occurred on the Southern Pacific electric system last night at 8:30 o'clock, tying up all service between Alameda pier and Oakland and Alameda for more than two hours. Several passengers on the train which caused the trouble were slightly cut by shattered glass from the car windows, which were broken by the heavy overhead wires as they were torn loose from the trolley masts by the train and landed on the roof and sides of the train. The passengers were thrown into a panic as the wires smashed the windows and threw sparks.

The train which caused the accident left Alameda pier at 8:30 o'clock on the north side stretch of the Alameda loop. About a mile and a half from the pier the trolley hook caught the trolley wire wire and commenced to tear it down. Nearly a mile of trolley wire was wrecked before the train stopped. Not only the wire over the train, but the trolley lines to Fourteenth and Franklin streets, Oakland, and on the south side of the Alameda loop, were torn loose, the accident happening on the narrow stretch of track between the car shops and the pier.

It was 11 o'clock before traffic was restored. The passengers on the disabled train had to walk to Webster street bridge, about a mile, and there take street cars for their various destinations. The horseshoe trains were not disabled, being about to run from Oakland pier to Mastick station in Alameda. During the tieup of the Alameda pier lines all ferry traffic was diverted to Oakland mole and the Oakland and Seventh street, Melrose and horseshoe loop trains.

VALLEJO NOTES

VALLEJO, March 6.—Registration among the women of Vallejo has been going on here under the direction of Mrs. A. A. Fulton, deputy for County Clerk Halliday. Yesterday Mrs. Fulton visited the south end and opened her office at the Phoenix Engine Co.'s fire house. Some fifty South Vallejo matrons, under the leadership of Mrs. J. E. Godley, have become intensely interested in the securing of improvements and the bettering of conditions in Mayor Dineen's village, and all of these are pledged to register so that they may be able to cast votes for any improvement projects that may come up.

Toney Joseph of Vallejo knocked out Kid Williams in 15 rounds here last night in a bout before the Palm Athletic club. Kid Schafer won in the second round from Jack McCarthy and Jack Clark and Kid Huggy boxed four rounds to a draw.

Word has been received here that the tule fires which have been raging between Suisun and Benicia, have destroyed many miles of fencing. The telegraph company's poles have also suffered from the fires.

PHI BETTA KAPPA ELECTS SEVENTEEN

Thirteen Seniors and Four Juniors Admitted to the Honor Society.

UNIVERSITY OF CALIFORNIA, March 6. — Thirteen seniors and four juniors have been admitted to the Phi Beta Kappa honor society, according to announcement today. The new members represent seven different colleges, and all have come well within the scholarship standing which admission to Phi Beta Kappa demands.

The seniors elected are:

Miss Muriel Burnham, social science; Miss Edith Clapp, letters, E. C. Clewe, commerce, C. A. Hackett, letters, Miss Hazel Hund, letters; R. A. Monroe, civil engineering, G. B. Moody, chemistry; Miss Grace Moore, social sciences, Miss Norma Noteware, letters, L. S. Ready, mechanics, W. P. Tufts, commerce; Miss Lillian Van Dyke, social sciences, and R. C. Waddell, letters.

The four juniors elected to membership are:

Miss Bertha Lais, letters; V. F. Lenzen, natural sciences, Miss Barbara Nachtrieb, letters, and J. L. Simpson, social sciences.

Of the seniors Miss Burnham and Miss Clapp are of the Kappa Alpha Theta sorority. Clewe is a member of several campus societies and was president last year of the English club. He has made several successes in college theatrical productions. Hackett is one of the authors of this year's senior extravaganza and wrote also the 1912 curtain raiser.

Miss Hund registers from Ventura and was in charge of the women's arrangements for labor day. Monroe is in the college of engineering and Moody in chemistry. Miss Moore has been specially prominent in Y. W. C. A. work. Miss Noteware was graduated at Christmas. Ready has been prominent in athletics and Tufts is regimental adjutant of the University Cadets. Miss Van Dyke is another member of Kappa Alpha Theta. Waddell registers from Oakland and Miss Lais of the junior class from Sacramento.

Lenzen is in natural sciences, where he has completed his work in four semesters. Miss Nachtrieb has been specially prominent in college dramatics and is a member of Alpha Phi. Simpson is managing editor of the Daily Californian and a member of several campus societies.

Phi Beta Kappa also elected officers this week, as follows:

President, Professor C. Derleth Jr.; first vice-president, Professor G. M. Stratton; second vice-president, Professor L. J. Richardson; third vice-president, Professor W. M. Hart; secretary, Professor C. A. Noble.

The annual banquet will be held on March 22, the day before Charter day.

COLLEGE BASKETBALL TEAM TO BE CHOSEN

UNIVERSITY OF CALIFORNIA, March 6.—The team that will represent the women of California against the basketball team of Nevada will be chosen Thursday. Daily practice is being held at Hearst Hall under the direction of Captain Doris Spencer and Miss Shafter, the coach. The game with Nevada will be played at Hearst Hall March 16 indoors in case of rain.

Daisy Newby, Mattie Himes, the present manager, and Katherine Asher, all of whom played forward on last year's varsity, are back on the court this season. Two other promising forwards are Zella Eddy and Tene Campbell. The contest for touch-center is close between Frances Jackling and Ysabel Forker. All the center positions are particularly undecided. Captain Doris Spencer will play guard. The remaining two places will be filled from the following players: Agnes Madson, Elizabeth Kelley, Ruby Poston, Alcesta Lowe and Edith Frisbie.

FUNERAL OF MRS. GIFT IS HELD IN PIEDMONT

The funeral of the late Mrs. Ellen Shakelford Gift, widow of the late Geo. W. Gift, was held today at 1 o'clock from the family residence, 123 Monte avenue, Piedmont.

Mrs. Gift was aged 77 years, and has been a resident of California 38 years. She was a member of the Society of Colonial Dames, connected with a number of distinguished families, of the Southern States. The deceased is survived by two daughters, Mrs. George D. Stratton and Mrs. Edward B. Castlen.

PIEDMONT NOTES

PIEDMONT, March 6.—Mr. and Mrs. Powell and Mrs. Eugene Trefethen of Mesa avenue expect to leave this week for Los Angeles where they will spend several weeks.

Mr. Omer Cox of Monte avenue returned Saturday from Los Angeles where he had gone on a business trip.

Mrs. E. B. Castlen of Santa Rosa is staying at the home of her sister, Mrs. G. B. Stratton of Monte avenue. Both Mrs. Stratton and her mother, Mrs. G. W. Gift are ill.

Frank Devendorf, who has been paying his family a short visit, left on Tuesday for Carmel.

Clement Rust of Mesa avenue who has been east for some time on a business trip has reached St. Louis on his homeward way.

Miss Blanche Frost of Pala avenue was hostess at a tramping party, Saturday. Starting from the Frost home, the party went over the Piedmont hills and up the old Thornhill road, tramping for several hours, and returning laden with wild currant and fruit blossoms to a supper which awaited them. The members of the tramping party were Miss B. Bowen, Miss E. Caldwell, Miss A. Gutterie, Miss M. Galego, Miss Amy Mason, Miss Hazel Watrouf, Miss F. Burnitz, Miss F. Winchester, Miss Mary Darling, Miss Elizabeth Mensing, Miss Alice Smith, Mrs. May Larkin and Mrs. T. P. Frost.

Mrs. Florence Wing who has been seriously ill at her home on Mountain avenue is better being now able to be up for a short time during the day.

On Saturday the stork brought a baby girl to the home of Mr. and Mrs. David Kapalinsky of Pacific avenue.

Captain Stephen Castle, who has been suffering from a nervous breakdown for some weeks past, is now convalescent at his home on Bonita avenue.

Mrs. Henry Davis entertained at luncheon and an afternoon of cards on Tuesday at her home on Bonita avenue. Among those present were Mrs. C. E. Palmer, Mrs. Gordon Stolp, Mrs. F. Taylor, Mrs. Ebbits, Mrs. C. Jorgensen, Mrs. D. Belden, Mrs Beck, Mrs. Weston, Mrs. W. D. Huntington, Mrs. Farrell, Mrs. Lock and Mrs. Marwedel.

On account of the death of Mrs. G. W. Gift, the meeting of the Piedmont Ladies Guild, which was to have met at the home of Mrs. John Stuchell, Thursday afternoon, has been postponed for one week.

Mrs. Gordon Stolp entertained at a sewing afternoon Monday, at her residence on Montecello avenue, in honor of Mrs. Annie Williams, who recently returned from Europe where she spent a year in travel.

Mr. H. Coward of Long Beach is the guest of Mr. and Mrs. Walter Logan of Oakland avenue.

Mrs. A. J. Jones of Montecello avenue and her son Miller Jones expect to start for Japan next Tuesday. They are planning to be away for about three months, and will stop at the islands en route.

The Young People's Orchestra held a meeting at the home of their leader, Miss Lillian Devendorf, on Tuesday evening.

Oaks Get Down to Work and Prospects Are Bright for Clever Team This Season

Sights and scenes at the Oaks' training camp. Reading from left to right—Outfielder Bankhead, THE TRIBUNE man with Hoffman, Sharpe and Zacher watching the pitchers bend them over. The last picture is that of the Eastern leaguer, Malarkey.

NEW OAKS SHOW WELL IN FIRST PRACTICE STUNTS

Signs Point to Infield Being Just as Strong as Before and Pitching Department Should Be Winner

By BERT LOWRY.

OAKS' TRAINING CAMP, LIVERMORE, March 6.—Glorious rain was the big attraction in this charming hamlet yesterday and on the faces of every man and woman and boy and girl we met was a big, broad grin.

At the hotel where the baseball "hopes" of the Oakland bugs are quartered there was a weet bit of gloom, for those fellows who want to wear the spick and span uniform of the team that will represent Oakland in the Coast League were itching to get out on the green grass and show Manager Bud Sharpe what they could do.

Until noon it looked like a session of the Hot Stove League and at 1 o'clock it looked like extra innings. Then Sol began to fret and fume and with a suddenness that was surprising, came out of his shell and poured forth his glorious rays.

You can hardly imagine what a transformation that bolt of sunshine worked. Everything was hustle and bustle. Like a bunch of school boys off for the old swimmin' hole on a summer day, the twenty odd Oakland hopes began a race for the ball park.

In a jiffy they were in their uniforms—uniforms from the big leagues and from the little leagues—and at 2 o'clock every Tom, Dick and Harry of the bunch was out at the ball park.

Calling the roll found the following tossers on hand: Tiedemann, Rorher and Gleason, catchers; Leard, second baseman; Amsbey, infielder; Cooke, infielder; Hille, infielder; Zacher, outfielder; Hoffman, outfielder; Coy, outfielder; Wilkinson, infielder; Bankhead, outfielder; Smith, outfielder; Flater, pitcher; Malarkey, pitcher; Martinoni, pitcher; Bohen, pitcher; Pope, pitcher; O'Loughlin, pitcher; Sharpe, first baseman, and Purinton, trainer.

NEW MEN SHOW UP WELL.

While the work the players indulged in wasn't as strenuous as it will be, one could not but notice the actions of the new fellows, particularly the lads that will be looked upon to fill the holes torn in that infield by the loss of Wares, Cutshaw and Wolverton.

Taking Infielder Cooke as the first one to be criticised, it is only necessary to say that he looks and acts like a real ball player. A little over weight was the only fault the writer could find with him. This, of course, will soon be remedied and the writer picks Cooke to hold down that job at short field. He's a stockily built fellow, with a long swing to his throw, but it shoots true across the field and with speed and that's what counts.

Leard, second baseman, is a rangy chap who is simply crazy to play ball, and a fellow couldn't have a better recommendation. You fans will like this chap. Leard is a peppery ball player and full of action all the time. He took to throwing the ball the equal distance from the second bag to first and every time the throw was true and straight. In his jaunt around the lot he cut loose once on the speed and showed us that he is pretty speedy on the pins.

RORHER LOOKS WELL AS CATCHER.

Catcher Rorher, who was the mainstay of the champion Dayton Club of the Central League last year and who came recommended by big Don Cameron, worked out with the pitchers and showed that he knows something of the game. He is a stockily built little fellow and puts one in mind of Tommy Leahy, who was famed as a backstop hereabout some years ago. He does no overwork in getting a ball and throws with a snap and vim that should mean death to those fellows who attempt to steal bases.

Infielder Hille shows up well in handling a ground ball and throws with a short, snappy whip that carries the pellet well and true to the mark. As I look over the infield candidates, it appears that the Oaks' infield will line up this way: Sharpe, first base; Leard, second base; Cooke and Hille, third base.

Of course, we might miss our guess, for there is Hetling, Wilkinson and Hamilton to show the fans and the manager what they know about infield joos.

HUSKY PITCHERS ON HAND.

There are not a few new pitchers around the camp and as the pitcher is the pivot of a team he naturally comes in for a lot of looking over by the boss, as well as by the fans. Yesterday Malarkey, the big eastern leaguer, Pope and O'Loughlin, did a lot of pitching to the catchers and these fellows looked like men who knew a thing or two about the game of hurling. Malarkey is a great big chap, good looking and chuck full of good nature. He has a sort of brindle-colored hair and every ball player I know with this color of hair is a good one.

That Malarkey is seasoned is evident, for he does not waste an ounce of steam when he cuts loose and when he aims for a mark he generally hits it. Then he has lots of twists and bends to the ball, and if he has some real steam behind, the Oaks have a good man. Pope is a well built chap that looks as if he could work. He didn't cut loose yesterday and you can't blame him, for it wasn't the kind of weather that a man likes to limber up in. Later on we can say more about the lad. O'Loughlin says little, but has a graceful, easy movement and plenty of twists and shoots on the ball. He will do.

HOLD-OUTS COME TO TERMS.

While we hung around the stove and swapped yarns of the great pastime, Manager Sharpe received a phone message from Secretary McAuliffe that Tyler Christian was on hand, along with Outfielder Hamilton, and that both would soon be on the way to the training camp. This leaves but Mitze and Gregory in the hold-out club, Perkins having arrived last night. This leaves Hetling, Frick, Ables, Fitzgerald, Durbin and Claflin to come, for Brookes, too, was a later arrival.

If the weather man is good today all hands will hike to the ball park, otherwise the team will do the training indoors.

FANS TO SEE TEAM ON SUNDAY.

The first chance to see the Oaks of 1912 in action will be afforded next Sunday at Livermore, on which occasion a big excursion will be run from Oakland, leaving First and Broadway over the Southern Pacific at 12.40 p. m. This will bring the excursionists to Livermore a little after 2 o'clock and the game between Oakland and Livermore will take place at 2:30.

Holders of the excursion tickets will be entitled to admission to the ball game without extra charge and the return trip to Oakland will be made directly after the game and the train should reach Oakland not later than 6:30 o'clock.

MEN

The reason my professional practice has become larger by far than that of any other physician or specialist ever in California is because of the manner in which I deal with my patients.

DR. J. C. LEE
1128 Broadway
Oakland, Cal.

I have earnestly devoted years of my life to the exclusive study of MALE MALADIES, during which time I have discovered and developed various forms of treatment for them which makes the cure of the sufferer as certain as it is that he employs my services and follows my directions. My professional ability is recommended by leading physicians as well as by my cured patients, while my financial standing is endorsed by the best banks, business houses and commercial agencies in this city.

BLOOD POISON is a dreadful disease, but at last a SURE CURE has been discovered. "606" is guaranteed and protected by the German government. I am the master of its administration, and administer the genuine "606" in 20 minutes without any pain or loss of time.

My low fees and easy payments have assisted thousands to regain their health and happiness. Free advice is given by calling or writing for my chart. Many cases cured at home. Strict privacy assured.

DETROIT MAGNATES HAVE LITTLE USE FOR BANK ROLL

DETROIT, Mich., March 6.—A local promoter last night offered a purse of $6000 for a world's championship wrestling bout between Mahnout and Zbyszko. If the terms are accepted the match is to be staged in this city. The first week of April is suggested as the time.

BERT DELMAS QUITS LOS ANGELES TEAM

MODESTO, March 6. — Bert Delmas, last year's shortstop with the Los Angeles Coast League team, leaves there today to begin his season as captain-manager of the Modesto Reds.

CHICAGO NATIONALS MUST TAKE WALSH, IS THE ORDER

CINCINNATI, Ohio, March 6. — The National Baseball Commission yesterday promulgated a finding whereby Player Anthony Walsh must be taken by the Chicago Nationals from the Terra Haute club, which recently purchased him from the Newark club of the New England League.

The finding further says that the Chicago club will be given ten days in which to dispose of the player's services as a major league club or a class A club, if it decides not to retain him, and that if this is found impossible, the Fall River club shall be given the privilege of purchase.

The commission contended that in the transfer within a year of Walsh to Newark by Chicago and subsequently from Newark to Terre Haute, which is in the same classification as Fall River, the rules of organized baseball had been violated

CUB'S MANAGER IS ON JOB FEELING IN FINE FORM

CHICAGO, March 6.—Manager Frank Chance of the Cubs was reported in Chicago last night to have arrived at the spring training grounds in New Orleans from California weighing 208 pounds, free from the annoying head pains, and to have announced himself a "candidate" for first base. The manager told interviewers that he was in no way exercised over the conduct of Heine Zimmerman, utility man who is holding out.

Pitcher Mordecai Brown left Chicago last night for the training camp.

English Gets a Draw

ST. JOSEPH, Mo., March 6.—Clarence English of Omaha and Wildcat Ferns of Oklahoma battled fifteen vicious rounds to a draw here last night.

$10.00 MY FEE

CURES BLOOD POISON IN ONE TREATMENT

R. C. HOWE, M.D.

The New German Treatment is the remedy that you should demand when suffering from this loathsome condition. For years, even ages, doctors have been treating this curse on humanity by administering drugs and poisons. The old time method was purely empirical, it being almost entirely based upon what this or that doctor would use with success upon his patients, the treatment in many instances being more injurious than the disease itself, causing the germs to be bottled up in the blood. The New German Remedy, "606" (Salvarsan), is truly scientific, and has done more to relieve sufferers from this disease than any other discovery of this or any other age. Salvarsan, or "606," as it is generally known, is so called as the result of the six hundred and sixth experiment made by its inventor in order to perfect his formula. It will kill the so called spirillica instantaneously.

Carrying out my plan of action all through life, I have been cautious regarding [illegible] until such time as the medical profession on both sides of the Atlantic have become a unit regarding its use and its power to absolutely exterminate the scourge. It is my custom to keep abreast of the times in everything that is for the good of my patients. Accordingly, I have installed the most elaborate laboratory (according to the German method), I believe, not only on the Pacific Coast, but in the whole United States.

In the majority of cases it is only necessary for the patient to remain under my direct personal care for a few hours, after which he can go to his hotel, business or home, with a feeling of relief, such as sufferers from this disease never dream. I invite you, dear reader, to come and have a heart to heart talk with me. I assure you in advance of satisfactory results. My fee will not be one cent more than you are willing to pay for a complete cure. One man came on crutches, looking like one risen from the grave. In a very short time he departed on his two legs, his cheeks flushed, his voice strong. What was done seemed a miracle. The bone pains, swelling, sore throat, ulcers and all other distressing symptoms disappeared, never to return again. Shortly after you have received this treatment directly into the blood, I will have a Wassermann test made, or I will allow you to have the same made if you desire, in order that you may know absolutely and positively for all time that every vestige of poison is entirely eliminated from your system.

I WANT to emphasize the importance of selecting the BEST DOCTOR. COME TO ME—I will cure you in ONE TREATMENT by administering "The Wonderful German Remedy"—the greatest medical discovery of the age—the results are like magic.

I ALSO CURE to stay cured Rupture, Weakness, Varicocele, Hydrocele, Stricture, Bladder and Prostatic Ailments, Piles, Fistula and Rectal Affections, Rheumatism, Catarrh, Eczema and all Chronic, Nervous, Blood, Skin Diseases of Men.

Write For self examination and give me a full description of your symptoms and how he, if unable to call. All dealings are confidential. Expert Consultation free. Delays are dangerous.

DILLON AND COFFEY ARE IN TIP-TOP CONDITION

Rival Middleweights Are Both Confident of Winning and Fans Should Witness Rattling Good Mill

Jack Dillon and Walter Coffey, who are to box the main event at the Wheelmen's pavilion at Twenty-fourth and Vernon streets tomorrow night, put the finishing touches to the training yesterday afternoon and this morning both principals reported themselves to be in the best of shape for the bout.

It will be a sort of elimination contest, this bout between Dillon and Coffey, for the loser might as well put the gloves away and hike off into the hills and go to plowing. Dillon is confident that he will be the man to come under the wire a winner. A victory for him means a match with Klaus. It is the first appearance of Dillon on the coast and for this fact, too, he wants to show the fans just what he really has.

Yesterday he took to the road, despite the inclemency of the weather, for a long hike through the hills around Millett's, and upon his return reported that he had enjoyed the jaunt. In the afternoon Dillon donned the gloves with Nate Forbes and his brother Tom, and gave another indoor exhibition as to what a slam-bang tearing-in fighter he is.

While he has been at work only since last Saturday, Dillon has greatly impressed the followers of the game with his dashing style of boxing and the fans are anxiously awaiting the coming of tomorrow night just to see if he can perform as well when put to the real test.

COFFEY HAS DONE WELL.

Coffey, the other end of the bout, comes from San Francisco and did a little work around his home town. Then he went over into New York and showed the real class there against many of the top-notchers in the game.

This kept up for some little time and then he ran into weather that isn't anything like we have out this way and Walter got a longing for the land of sunshine, fruit and flowers. His muscles got stiff and he couldn't deliver the punch that had helped him on to fame and dollars.

Back to the old home town he hiked and went right to work to get back to shape. His gym work shows that he is the Walter Coffey of old and if he handles himself as well in the ring tomorrow night as he has in the gym at White's, Mr. Dillon is going to have a merry time getting by the Californian.

Both the boys expect to put over the wallop that will produce sleep, and should this happen the fellow that gets home can surely claim recognition in the middleweight ranks for a long time to come.

FAST MEN IN PRELIMINARIES.

There should be lots of action in the preliminary bouts. Percy Cove is drilling like a Trojan for his mix up with Ray Brughman in one of the six round bouts, and these two should put up a torrid mill.

Wayne and Robinson, in the other six round affair, are working good and hard and they, too, should give plenty of action. Besides these two bouts there will be two four round bouts between fast boxers.

ABIE AND TOMMY IN SHAPE.

Abie Attell and Tommy Murphy, who will be the big card at Coffroth's Daley City arena on Saturday, are hard at the grind and both feel confident that he will be returned the winner. Attell is hopeful of romping home in front, for he has been promised another crack at Kilbane in September and a defeat would cheat him out of that long looked for opportunity.

McFARLAND WINS ALL THE WAY FROM ONE-ROUND HOGAN

Chicago Boxer Handles oBag's Prize Package in Same Way Murphy Did.

NEW YORK, March 6. — Packey McFarland, the Chicago lightweight, won all the way in a ten round bout with "One Round" Hogan of California at the Fairmont Athletic club here last night.

McFarland led so easily all the way that many thought he could have scored a knockout but he appeared to hold back to allow Hogan to last ten rounds. The Chicago man landed enough blows to knock out six men if he had used more steam, but he seemed to delight in tantalizing Hogan without allowing him more than two or three clean blows.

Hogan weighed in at the ringside at 137 pounds, a pound heavier than McFarland. The bout began with McFarland leading with two lefts to the face and an attempt at a right swing which missed and sent McFarland to the floor by the force of his own blows. But he was up in a second and began fighting his man all over the ring and into his corner with lefts to the face and right uppercuts. He used this combination repeatedly throughout the bout and seemed to have Hogan puzzled. The Californian hit only at short range and did not land a single straight blow in the second.

McFarland landed with rights to the body and swings to the head in the third and Hogan returned weakly. In the fourth Hogan started for the first time to mix up, but McFarland was quick and clever with lefts to the face and right uppercuts. He used these blows effectively through the fifth, sixth and seventh, as well. In the latter round he started Hogan's nose bleeding.

In the eighth Hogan made his showing, landing a right swing which started McFarland's nose bleeding. Packey promptly was all over his man again and through the ninth and tenth held his lead by using his left to the face and a right uppercut. Hogan tried to slug back, but plainly was weak.

McFARLAND MATCHED TO BOX BURNS ONCE AGAIN

CHICAGO, March 6.—Packey McFarland and "Kid" Burns were matched last night to fight ten rounds at Kenosha, Wis., on March 15. The acceptance of McFarland was received by wire from New York, where last night he defeated "One Round" Hogan. This makes two bouts in four days at Kenosha. Hugo Kelly and Eddie McGoorty having been matched to box there on March 18.

ANSON IS WANTED BY COLUMBIA LEAGUE AS CAPTAIN

CHICAGO, March 6. — President John T. Powers of the Columbian Baseball League announced today that Captain Adrian C. Anson, former leader of the Chicago Nationals, had been offered the leadership of the Pittsburg team in the Columbian League.

It is probable that Captain Anson will go to Pittsburg to look over the situation before he definitely accept the offer.

BOSTON SCOUT WILL COACH COLLEGIAN BALL PLAYERS

HARTFORD, Conn., March 6.—Thomas J. Dowd of Holyoke, a Boston American scout, will coach the Trinity College baseball team this year. He will come here March 15 and stay until June 8, when the season closes. The first game will be with Yale at New Haven on March 30.

BURNS-FRAYNE BOUT IS OFF.

That old talk about "grudge fights" has put the crusher on the Burns-Frayne bout that the Fruitvale club had hopes of pulling off. The talk started the police to worrying and the chief said that while he did not object to clean boxing matches he would not stand for "grudge fights," and he is right.

Maybe some promoter over the bay will grab the two, for it would be a great match. In the mean time Matchmaker Moffitt is angling with Berg and Petroskey for that night.

FISCHOF WINS A PURSE.

PARIS, March 6. — Eugene Fischof's Latour won the prix Du Maine, which was run at the Saint Ouen race course yesterday.

LATEST NEWS FROM OUTSIDE TOWNS

HAYWARD MEN FORM TAFT CLUB

"Four Leaf Clover League" Is Name of New Political Organization.

HAYWARD, March 6.—A Taft club has been formed here for the purpose of assuring the nomination of President Taft. The club will be known as the Four Leaf Clover League, Patch, No. 1, of Hayward. The originator of the scheme was Dr. S. W. Browning, the local health officer, who was appointed temporary secretary.

A telegram was forwarded to the Chief Executive at Washington apprising him of the organization of the body and requesting him to send a communication encouraging the movement, which will be read at a public meeting to be held on March 11, in Native Sons' hall.

A letter has also been sent to President Taft and reads in part as follows: "We earnestly believe that a nationalization of the league would be of inestimable value during your campaign and should be the forerunner of a permanent institution in our land, representing forward Republican principles, just as the Primrose League in England, which originated in the last Beaconsfield-Gladstone campaign, has become a permanent institution representative of the conservative party principles."

Dr. Browning has got into communication with the Taft forces in San Francisco and will make an effort to have campaign speakers here at the meeting on March 11.

S. P. ELECTRIC TO ENTER RICHMOND

Report Current That Work Is to Begin on Road in the Near Future.

RICHMOND, March 6.—The Southern Pacific is to build its electric lines into Richmond soon, according to information given out by the officials of the company. Details of the electrization of the Southern Pacific local passenger service between this city and the Oakland mole, giving at least an hourly service, are being arranged. The line is to be run to Richmond from Berkeley at the same time the line is started south through San Leandro and Hayward to Niles.

This decision has been arrived at by President William Sproule, according to report, and meets the approval of Judge Robert S. Lovett, chairman of the executive committee of the Harriman lines, who is now in San Francisco, and is to be shown over the proposed routes.

According to the estimate of the Southern Pacific engineers, the work into Richmond will commence within 60 days and be completed during the summer or fall.

MERCHANTS TO MEET.

SUNOL, March 6.—The meeting of the Sunol Chamber of Commerce for the discussion of the good roads movement will be held Saturday, March 9, and not March 17, as previously announced.

NAVY YARD NOTES

MARE ISLAND, March 6.—Word was received here late yesterday from the navy department that the Mare Island navy yard is to build the condenser and circulation pump for the new collier Jupiter, under construction there. The Altberger company will submit the necessary plans to Lieutenant Commander G. S. Lincoln.

Orders were received from the navy department yesterday for the extension of the Halsey bonus system providing for the payment of a premium to workmen who complete jobs in less than standard time, to the flag loft and bow shop. The system has been in effect in the sail loft for several months, and is claimed by navy officials to result in great saving, although it is opposed by workmen in navy yards throughout the country.

Several 5000-mile wireless messages were received at Bremerton last week, coming from Washington, D. C., by way of the wireless station at Key West, Fla., across the continent to Mare Island, thence north to Puget sound. These were the first wireless messages ever received at Pugt sound from the national capital.

Owing to the fact that the cruiser West Virginia is to proceed from Honolulu to Bremerton this week, orders were received at the Mare Island yard yesterday to stop the shipment of stores on a steamer leaving San Francisco for Honolulu next Thursday, and send them to Bremerton. The cruiser is due there on Friday, March 15. The West Virginia will be assigned to the reserve fleet.

Clarence F. Dingman, an apprentice who sought to avoid courtmartial for desertion through habeas corpus proceedings, when arrested in Nevada last January, has been sentenced to a year's imprisonment and a dishonorable discharge from the navy, the findings of the court having been approved by the department. Dingman deserted from the Constellation at Newport in 1908.

'DADDY GEORGE' SPEAKS TO 800

The Founder of Boys' Republic Tells of Work to Hayward Audience.

HAYWARD, March 6. — The first address in California by William R. George, founder of the George Junior Republic, at Freeville, New York, was delivered here yesterday in the grammar school auditorium to a large gathering of school children of all ages. A large portion of the audience consisted of adults, the gathering numbering nearly 800 persons.

"Daddy George," as he is known to the citizens of his republics, of which there are seven, described the first steps of the movement which resulted in the founding of the republic at Freeville. He told of the conditions which determined him to establish the nucleus of the little community, of the manner in which the boys and girls who became members of the colony were taught to govern and support themselves and to become useful citizens.

"SELF-GOVERNMENT" IDEAL.

"Self-government," said the speaker, "is our motto, coupled with 'Nothing Without Labor.' These are the basic principles of the movement." At the close of his address George was given a great ovation.

He said in part:

"Above all things that I may say to you about the George Junior Republic, I want to impress upon you that it is not a reformatory institution nor a school, nor a charitable establishment. It is not for the bad boy and girl alone nor the poor boy and girl. It is just a village where the boys and girls govern themselves by administration of the laws of our country and support themselves by their own efforts and thereby learn self-control and independence to the end that they may be good citizens.

"When the George Junior Republic was established it was designed for the help of the poor children of New York. Later we changed our plans somewhat, and began taking in the bad boys and girls from among the poor. We found that the child who was the wickedest in his home environment often made the best citizen of the republic, and our republic was never in better shape than at that period.'

RICH AND POOR ELIGIBLE.

"Then we began taking in bad boys and girls from rich families. We could see no reason why the rich boy should not be saved for good citizenship as well as the poor boy. We made the father of a rich boy pays a contribution to the funds of the republic, but this did not give the boy any favors. He was left to work out his own salvation and very often the poor boy became rich in the little community, while the rich boy remained a regular customer at the 'beanery' lunch place.

"The village is conducted as any other village is conducted, except that a citizen reaches a voting age at 16 years instead of 21. This teaches responsibility at an age when youth is most susceptible of impression.

"The reason why most bad boys become bad boys is the hero worship of the dare devil boy, a thing that is common to all boys of all conditions and natures and stations in life. Boys will hang together, they will form gangs, and if there rests with them no responsibility they get into mischief. We teach them responsibility and it makes them good citizens.

"We have seven of these republics, all of the same type and doing the same work. The largest is the one at Freeville, with some 200 citizens. One is being established in England now. There are villages in Western Pennsylvania, Flemington, New Jersey; Litchfield, Massachusetts; Baltimore and Chino, California.

PUBLICITY TO SPREAD FAME OF ANTIOCH

ANTIOCH, March 6.—A campaign to advertise Antioch and vicinity has been inaugurated here, $700 having been subscribed for publicity purposes, the expenditure to be made by the chamber of commerce. On "California Invitation Day" hundreds of post cards were sent out and already replies are being received from eastern people. These will be answered by a committee of the chamber of commerce.

RICHMOND MOOSE PLAN PICNIC FOR SPRING

RICHMOND, March 6.—Plans were completed at a meeting of Richmond lodge Loyal Order of Moose, last evening, for a joint picnic with the Berkeley lodge as soon as the rainy season ends. Besides planning the picnic, the Moose initiated a large class of candidates and completed plans for assisting in the organization of the order in this section of the state.

ANTIOCH WILL SPEND $40,000 ON STREETS

ANTIOCH, March 6.—Street work calling for the expenditure of $40,000 will soon be ordered by the board of trustees here. Plans and specifications are now being prepared, the work to be done on five streets. It will be oil macadam and at the meeting of the officials on Monday evening they will ask for bids.

RICHMOND NOTES

RICHMOND, March 6.—Abundant rainfall has blessed this section during the past 24 hours, and everybody is feeling good natured. Nearly two inches were precipitated here.

A total of 25 babies were born in Richmond during February, according to the report of Health Commissioner Blake, as compared to 17 the same month a year ago. There were 17 boys and eight girls.

A gala day is to be made on the date the picture men arrive to take the pictures of the city of Richmond and its industrial plants for the motion picture films to be used at the Panama-Pacific exposition and throughout the East.

MAN LOST AMBITION

It seemed strange to so active and energetic a young man as Arthur H. Scott of Brooklyn that he did not attack his work with the usual enthusiasm last spring.

He knew it was not "spring fever," for his health failed and, to use his own words in a recent letter, "I could not sleep, had no energy or ambition and could not do my work properly.

"I must say that Vinol has done me wonderful good, for I feel strong and ambitious again, just like I used to before my health failed. I rest well at night, have a good appetite and no more nervousness, all because I took your excellent tonic, Vinol."

One reason Mr. Scott was willing to try Vinol was because he knew he could get his money back if Vinol did not benefit him. This delicious cod liver and iron remedy without oil, positively has no equal as a spring medicine, to enrich the blood and make weak, worn-out men, women and children, rugged, rosy and strong. We guarantee it to do this, and give back your money if it does not. The Owl Drug Co., Oakland, Cal

ROOSEVELT CLUB TO BE ORGANIZED

Hayward Supporters of T. R. to Boost for His Nomination.

HAYWARD, March 6.—A Theodore Roosevelt club will be organized here at a public meeting in the town hall next Friday night, following an informal gathering of prominent Roosevelt supporters held in the office of H. E. Brunner, yesterday afternoon. Among those present at yesterday's meeting were R. Reid, W. J. Ramage and C. L. Little.

Brunner was authorized to make full arrangements for the mass meeting and will act as chairman until a permanent one is appointed. An effort will be made to obtain prominent progressive republicans to address the gathering. A dispatch will be sent Colonel Roosevelt apprising him of the formation of the club, including a request that a message of encouragement be sent in return to "boost" the local movement.

WOMAN MAY RUN FOR TOWN OFFICE

Mrs. Charles E. Beck, Livermore Club Leader, Urged to Become Candidate.

LIVERMORE, March 6.—Mrs. Charles E. Beck, prominent member of the Livermore Women's Improvement club, is a possible candidate for a seat on the board of town trustees, and is being urged to run for office at the coming election in April by the suffrage sympathizers in local political circles.

Mrs Beck is chairman of the library committee and has been asked to circulate certificates of nomination, her supporters assuring her that a sufficient number of signatures could be secured in the ranks of the club. Although the time for filing petitions of nomination for town officials expires next Friday, none has yet been filed except for city clerk. There are four candidates for this office.

LEAGUE TO DINE.

SAN FRANCISCO, March 6. — The regular weekly luncheon of the Home Industry league of California will be held at the Palace hotel on Thursday, March 7, at 12:15 p. m. This meeting will be devoted entirely to the members of the association and any one who desires to talk will be granted the courtesy of the floor.

SAFE BLOWERS FOILED

RENO, Nev., March 6.—A bold attempt at safe robbery in Virginia City early yesterday was thwarted by the unexpected appearance of three men who heard the explosion of the dynamite used by the yeggmen and rushed to the scene. The safe of Henry Tovener, a butcher, was the object of the dynamiters' attack. The robbers made a quick escape, and the entire state police force is searching for them.

DRY YEAR COMING
YOU CAN MAKE BIG MONEY HERE

All signs point to one of the driest years, California has ever seen, for 1912.

No matter how long or severe the drouth you will have all the water you need here.

Our supply has never failed—cannot fail. The snow that gives our river the most steady flow of any stream in California is already on the mountain crest, safer and surer than if it were in a reservoir.

While crops here will be as large, or larger than usual, non-irrigated farmers will have a failure. Districts where the water supply is short will have part failure.

Alfalfa will be worth $20 or $25 a ton. The farmer here who grows 8 or 10 tons per acre will pay for his land in one crop.

Everything else will be correspondingly high.

The great boon of irrigation will be demonstrated as never before.

Los Molinos is one among the three or four irrigation projects in California, where the water supply is absolutely and abundantly sufficient for the driest season.

You can still plant alfalfa and can get a good crop this year

But you must hurry.

Come at once and bring your live stock and equipments. Wild pasture plentiful.

Only $150 to $400 needed to get possession of 10 or 20-acre tract—richest sediment loam soil plow ever stirred.

Grows everything you ever saw grow anywhere.

More fruit, better fruit, earlier fruit than Southern California.

Big money in dairying, hogs, poultry, vegetables, bees.

Creamery furnishes all the cows you want, taking one-half your monthly cream check in payment.

Acre alfalfa supports two head.

Choice tracts going fast.

Big rush of Eastern homeseekers starting with low rates this month.

Don't let them beat you to the best thing in the State.

Those living in Oakland, San Francisco or vicinity call today on Edward Brewster & Clover, Mills Bldg. Others write at once

FIRST DESERTION CASE DEPORTED

Will Take Prisoner to Niagara City on Charge of Wife Abandonment.

With the first extradition papers to be issued in the United States to take a man across the continent for deserting his wife and family, Detective Sergeant John L. Roeder of Niagara Falls city, N. Y., arrived in Oakland today to take James Donnelly, arrested here a week ago, back to New York state for trial.

It has not been the custom in the past to apply for extradition where the crime of failure to provide was concerned, and it is thought that the new precedent set by New York of seeking out fugitives of this character to force them to do their duty will be followed in other states.

Chief of Police Thomas H. Lyons of Niagara Falls city has been engaged for the past seven months in trailing Donnelly across the continent, using the telegraph wires freely, and obtaining the cooperation of police departments in various cities. The desertion of his family by Donnelly is said to have been unusually callous, as the man left a wife and six children, ranging from 7 years of age to one born after he had deserted his wife.

Donnelly was captured in Pullman, Contra Costa county, through the efforts of the Oakland police on information provided by Chief of Police Lyons of Niagara Falls city. The man was greatly surprised when taken into custody, and stated that he had no idea that anybody within 1000 miles knew of his identity.

The wife deserter explained to Detective Sergeant Roeder this morning that he left his home and position in the east because he feared for his life. He declared that he woke one night to find his wife standing over him with a razor in her hand, and that he feared she was demented and would cut his throat sometime when he was asleep.

The story told by Donnelly is looked upon as a dubious invention by the police. The man left his wife last May, and since that time she has been in destitute circumstances. The landlord of her residence charitably forgot to call on rent days, and assisted in providing assistance for the woman and her children. The case came to the notice of Chief Lyons and he decided that he would find the deserter and bring him back if possible.

Mrs. Donnelly was taken before the grand jury and an indictment was issued against the fugitive. Papers were signed by the governor, and armed with these legal documents Chief Lyons commenced his seven months search for Donnelly.

The man will be taken back tomorrow or Friday by Detective Sergeant Roeder, who is making his first trip to the Pacific coast. He is a guest of Chief Wilson and Captain Petersen of the Oakland department.

979 Apply for 20 Jobs on Highway

State Engineer Fletcher Says That 960 Will Be Refused Berths.

SACRAMENTO, March 6.—That at least 960 applicants for positions under the state highway commission will be disappointed was indicated today when State Engineer Fletcher announced that there are 979 men after 15 or 20 places to be filled within the next two months. Nine hundred of these applicants are from engineers of all grades and from all sections of California, as well as from other states.

CONWAY ARRESTED AS BAD CHECK OPERATOR

SAN FRANCISCO, March 6.—Detective George Richards arrived here from Los Angeles today, having in custody James Conway, alias William Riddell, who is accused of passing fictitious checks. E. B. Montgomery, a local hotel man, and the proprietor of the Von Dorn hotel are among Conway's alleged victims, and the total amount of money which it claimed he obtained will aggregate $142.

PLANS STOLEN.

SAN FRANCISCO, March 6.—L. J. Ramsay, of Stockton, had a bundle of plans valued at $250 and a revolver stolen from him while on a boat en route here this morning. He reported the theft to the Harbor station.

MOTHER OF POET DIES IN TACOMA

Mrs. Antha Taylor MacLafferty Passes Away; Well Known Church Worker.

After an illness of several months Mrs. Antha Taylor MacLafferty, widow of Rev. B. S. MacLafferty, pastor of the First Baptist Church of this city, died yesterday at the home of her daughter, Miss Happy Alma MacLafferty, in Tacoma, Wash. The news of her death has come as a shock to her friends here, where she lived for six years.

In musical and religious circles Mrs. MacLafferty played an important part. She was a leader in the Home and Foreign Missionary Society of the Baptist denomination, and was active in organizing branches of religious work in the church. For years she sang in the choir as the leading soloist. She possessed a voice of rare quality, which won for her a high place among the vocalists of this community.

Mrs. MacLafferty was a native of Parma, N. Y., where she received her education. She was 74 years of age. The deceased is survived by Mrs. Gertrude E. Tonneson of Uplands, Happy Alma MacLafferty of Tacoma, Holcolm Rhees of Los Angeles, James Henry MacLafferty, poet of this city; Charles P. MacLafferty, manager of Miller & Co., and Taylor Hoyt MacLafferty, lumberman of Seattle.

The funeral will be held Sunday in Tacoma.

BRICKBATS FLY.

Brickbats flew thick and fast during a quarrel between two painters at work on a building on Broadway this morning, and C. F. Wethercott of 1012 Twenty-first street, applied for aid at the receiving hospital, where a severe scalp wound was dressed by Dr. E. M. Clark and Steward Platt. Wethercott said that Carl Vinther had thrown the missile.

STRIKE AFFECTS WHEAT MARKET

Liverpool Prices Show Downward Tendency; Liberal Offerings Reported.

CHICAGO, March 6.—Wheat receipts on a larger scale than bulls had looked for gave the market today an easy tone.

Liverpool prices had a downward tendency because of labor disturbances and reports of more liberal offerings from Argentine and the Danube. May started at $1.03¼@1.03⅜ to $1.03⅝, a shade to ⅛c down, and sagged to $1.03⅛@1.03¼.

A sharp rally ensued owing to big export flour sales and improved cash demand. The close was strong, with May ⅝c net higher at $1.04⅛@1.04¼.

Generally favorable weather conditions and a selling attitude on the part of farmers made the corn market weak. May opened ⅛ to ¼c off at 70⅝ to 71¼c and dropped to 70⅝@70½c. The market later recovered with wheat. Closing figures were firm at 71¼ for May, ⅜c over last night.

Support was poor in oats. Moderate selling pressure carried quotations downward. May started ⅛ to ¼c lower at 52⅝ to 52¾c and descended to 52½c.

There was rather free unloading of hog products as a result of the weakness in grain. First transactions varied from 2½c lower to 5c advance with July delivery $15.11½ for pork, $9.57½ to $9.00 for lard, and $8.95 for ribs.

Close.

Wheat—May $1.04⅛ to $1.04¼; July, 98⅛ to 98⅜c; September, 96 to 96⅛c.

Corn—May 71¼c, July, and September, 71 to 71⅛c.

Oats—May, 53c; July, 49 to 49⅛c; September, 41⅞c.

Pork—May, $15.80; July, $16.10; September, $16.35 to $16.37½.

Lard—May $9.37½; July, $9.55; September, $9.70 to $9.72½.

Ribs—May, $8.77½ to $8.80; July, $8.8; September, $9.02½ to $9.05.

CHICAGO, March 6.—Cash corn—No. 3, 66@66½c; No. 3 white, 66½@67c; No. 3 yellow, 66@67c; No. 4, 63½@64½c; No. 4 white, 64½@65½c; No. 4 yellow, 63@65½c.

Rye—No. 2, 93½c.

Barley—82c@$1.30.

Timothy seed—$11@14.50.

Clover seed—$16@21.

CHICAGO, March 6.—The Inter Ocean says: It was the gossip of the wheat trade last night that few of the local professionals had any long wheat and that a number were short. Traders are not disposed to do much until the government report on farm reserves is given out late Friday. They think that 140,000,000 bushels will be bearish, although it will show 22,000,000 bushels and last year's revised figures. The local short iterest is larger than it has been for several day, notwithstanding falling off in the eceipts to below last year's. Outside buyers are waiting for more bull news.

Corn—Traders were mixed last night. Those who sold out on the bulge say that they expect their lines back at lower prices. It was noticeable that few of them will sell short, will stand any punishment and were satisfied with small profits. The short interest, however, was larger than for several days and the disposition is to look for a further break. The staunchest of the bulls, who have corn bought at much lower prices, are sitting still.

Cash sales grain at Chicago Tuesday were 15,000 bushels wheat, 75,000 bushels corn and 175,000 bushels oats.

LIVERPOOL, March 6.—Broomhall says: Wheat—Market was quiet at the start and unchanged to ⅛d lower and later further declined ⅛@¼ d, with the undertone easier with the exception of March, which was supported on very few tenders and the scarcity of nearby stuff. The distant months were affected by the lower American cables and better European crop advices, with pressure on the continent and quiet continental demand. The market on the whole was dull, awaiting the American government report. At 1:30 p. m. prices were unchanged to ⅛d lower than yesterday.

Corn—After opening unchanged, declined ⅛d on the cheaper La Plata offers and free Indian and Danubian offers. The market was dull.

Buenos Ayres—Wheat closed steady, with shorts in March covering and this month ⅛d up from the opening, while May was unchanged. There is a pronounced scarcity of arrivals and the export demand continues urgent, with the quality of arrivals unsatisfactory. Corn closed steady with a good foreign demand.

India—An official report for the province of Bengal shows the yield of wheat 100 per cent of normal and the acreage a small increase.

COTTON MARKET

NEW YORK, March 6.—Cotton—Spot closed quiet, unchanged; middling uplands, 10.45; do gulf, 10.70. Sales 200 bales.

NEW YORK, March 6.—New York expected to open 3 to 4 points higher. Weather map still cold and rainy, 30 degrees at Memphis, 34 at Atlanta, 36 at Augusta and Macon and 32 at Little Rock. Rainfall 1½ inches at Macon to 1¼ at Raleigh and Montgomery, 1 inch at Savannah and Charleston, 2 at Augusta.

Prospects of weaker market, cold rains delaying field work.

Liverpool evidently optimistic about coal strike. Cautious trading advisable till coal strike is settled. Conditions liable to change for the better any day. Market narrow and manipulated.

The quotations today were as follows:

STRIKE RUMORS CAUSE OF DROP

Stocks Fall; Traders Say That Anthracite Situation Is the Reason.

NEW YORK, March 6.—For lack of a more tangible reason, traders on the stock market seized upon the rejection of the anthracite coal miners demand as the chief cause of reaction today. As a matter of fact, in no important instance except Reading did the decline extend much beyond a point from yesterday's best.

It is not unlikely that recessions were due more to realizing for profits than to any other cause. Some improvement was noted before noon, New York Central responding to the "extra" dividends declared by several of the Vanderbilt lines, including Lake Shore and Michigan Southern. Erles were again strong, but the movement otherwise was upward.

Prices picked up slightly in the later afternoon, seemingly more on account of a suspension of selling orders than of any confident demand. Standard Milling stocks rose several points on the announcement of the increase in the dividend on the preferred stock.

Bonds were steady.

MAKES STOMACH TROUBLE VANISH

No Indigestion, Heartburn, Gas or Dyspepsia in Five Minutes.

Why not get some now—this moment, and forever rid yourself of Stomach trouble and Indigestion? A dieted stomach gets the blues and grumbles Give it a good eat, then take Pape's Diapepsin to start the digestive juices working There will be no dyspepsia or belching of Gas or eructations of undigested food; no feeling like a lump of lead in the stomach or heartburn, sick headache and Dizziness, and your food will not ferment and poison your breath with nauseous odors.

Pape's Diapepsin costs only 50 cents for a large case at any drug store here, and will relieve the most obstinate case of Indigestion and Upset Stomach in five minutes.

There is nothing else better to take Gas from Stomach and cleanse the stomach and intestines, and, besides, one single dose will digest and prepare for assimilation into the blood all your food the same as a sound, healthy stomach would do it.

When Diapepsin works your stomach rests—gets itself in order, cleans up—and then you feel like eating when you come to the table, and what you eat will do you good

Absolute relief from all Stomach Misery is waiting for you as soon as you decide to take a little Diapepsin Tell your druggist that you want Pape Diapepsin, because you want to become thoroughly cured this time.

Remember, if your stomach feels out of order and uncomfortable now, you can surely get relief in five minutes.

WILL CUT 30 DAYS FROM SENTENCE

The Chef of Kansas City Hotel Must Shave With Dull Razor.

KANSAS CITY, Mo., March 6.—Hyman Fernandez, chef at a Kansas City, Kan., hotel, will shave 30 days from his sentence on the municipal rockpile with a dull razor.

Fernandez was convicted of striking a waiter with a frying pan yesterday. When arrested, a razor was found in his pocket. The judge asked about the razor

"I shave every morning with that, your honor," explained the chef.

The judge examined the blade, full of nicks.

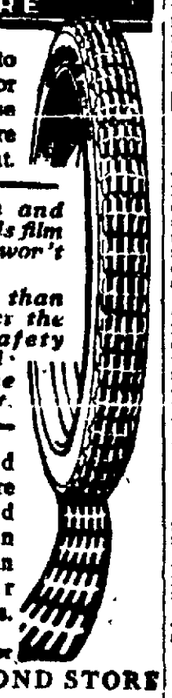

"I will sentence you to 60 days on the rockpile, but if you will agree to shave every morning with that razor, I will let you out when the 30 days are up"

Fernandez agreed and he and the razor entered the workhouse today

BATTLE CREEK, Mich., March 6.—Lieutenant-Colonel Henry C. Hall, a veteran of the Thirteenth Michigan Infantry in the Civil war, is dead here

The Diamond SAFETY TREAD TIRE

Skidding is due to a film of mud or water or grease between the tire and the pavement.

Cut through and clean away this film and the tire won't skid.

Easier said than done—in fact the Diamond Safety Tread Tire is the only one that does it.

The Diamond Safety Tread Tire is a year-round tire, greater in mileage even than the regular Diamond Tires.

FATHER OF FIRST WHITE TWINS DEAD

John Klein Dies at Age of 91; Was Pioneer Miner of State.

John Klein, father of the first white twins born in Tuolumne county, died yesterday in this city, aged 91 years 7 months and 9 days His twin sons, who are also his youngest children, are now past 50 years of age They are Charles B. and Albert Klein, both of San Francisco

Other surviving children of Klein are H. A. Klein, his oldest son, aged 64 years, of San Francisco, Charlotte Louise Klein, aged 62 years, of Oakland, and Captain John E. Klein, aged 56 years, of San Francisco Klein was also the father of the late Mrs George B Calder of Oakland

Klein was born in Westphalia, Germany, and came to New York when he was a young man. In that city he was one of the organizers of the Order of Hermann's Sons. In 1856, with his wife and their elder children, Klein came to California and engaged in mining in Tulumne county. He was one of the best known mining men in the State He remained in Tuolumne county until 14 years ago, when ill health prompted him to leave the country. He went first to Stockton and then to San Francisco, and after the great fire of 1906 he moved to Oakland. He was a past president of the Odd Fellows' order in Tuolumne, and had held other offices of honor in that order.

ANCIENT FEUD BROUGHT TO LIGHT BY ARREST

SAN BERNARDINO, March 6 —Never to set foot upon each other's sidewalk and always to be prepared to shoot to kill if they should meet outside the city, is the strange pact that for fifteen years has been in existence between C. W. Richardson and Joseph and John Shafer, prominent business men of this place Their places of business are opposite each other on Court street. This pact was violated last week, when Joseph Shafer, trying to catch a better glimpse of an aviator, crossed to his enemy's sidewalk. Richardson came forth with a jump to make an attack. Shafer fled to his own side of the street, but hurled back a challenge. This aroused Richardson, whose high-voiced reply made it possible to secure Richardson's arrest for disturbing the peace.

At the trial the strange pact was made public. Richardson was found guilty, but the jury recommended mercy. The feud started fifteen years ago, when as a bachelor Richardson and the Shafer brothers occupied adjoining houses Richardson broke the bachelor atmosphere by marrying, and the fight was on Several court cases have grown out of seemingly trivial quarrels between the contestants.

DAUGHTER AND MOTHER REUNITED AFTER YEARS

VICTORIA, B C, March 6—Miss Lily Peterson, who was abducted by her father when she was nine years of age was restored to her mother, Mrs Kilbourne of Tacoma, yesterday after a separation of nine years. The meeting occurred on the wharf when Miss Peterson disembarked from the steamer Makura which brought her from Auckland, where her father fled after he spirited her away from Tacoma when his wife obtained a divorce. The mother did not recognize her daughter, but the young woman picked Mrs Kilbourne out of the crowd and a joyous reunion followed

When Peterson fled with the girl his divorced wife made every effort to find her, but finally gave up the search Peterson died a year ago without informing his daughter of the whereabouts of her mother. She made inquiries, however, and Mrs. Kilbourne was found by the British consul at Tacoma

RUMOR JUGGLES NAME OF KATHERINE ELKINS

NEW ORLEANS, March 6—Interest was revived in the love affairs of Miss Katherine Elkins yesterday, when it was discovered that she and W F. Hitt, the son of R. R. Hitt, minister to Guatemala, and her devoted suitor, would start for Guatemala today They are chaperoned by Mr and Mrs Elkins, brother and sister-in-law of Miss Katherine

The party will spend two weeks in Guatemala City as guests of Minister Hitt, going from there to Panama for an inspection of the canal, and then on to Jamaica, from where they will sail for New York. The rumor was persistent around the hotel all day that before they return to New York Miss Elkins will have become Mrs Hitt.

TEAMSTER FINED FOR CARRYING A WEAPON

August Joaquin, a teamster for the Sunset Lumber company, was fined $25 for carrying concealed weapons by Judge George Samuels yesterday Joaquin was arrested on the complaint of C Nunan, who stated that the man had fired a shot at him

This statement was not proved, but as Joaquin carried a revolver, he was found guilty on a minor charge.

SIR BADEN-POWELL TALKS OF SYSTEM

Distinguished Britisher Arrives in San Francisco on Way to Australia.

SAN FRANCISCO March 6 — Sir Robert Baden-Powell whose military achievements in the South African war won him his promotion to Lieutenant-General in the British army arrived here yesterday on his way to visit Australia and New Zealand

The distinguished traveler told last night at the Fairmont some of his experiences in training recruits in the British army and in the training of the Boy Scouts along the same lines

"Responsibility has been the keynote of my work" he said 'In the South African campaign I noticed that men who had been trained to be perfectly good soldiers in time of peace were very helpless when put on their own resources in war Sentries would walk their posts with the same excellent military appearance as on parade grounds They would challenge a Bush man in the proper formula but the Bushman found no difficulty in sticking a spear through the sentry

"When they were given their rations they were as likely as not to mix the flour with water and drink it"

It was from these observations that a new system of training recruits among the British has been adopted, with the sanction of the King

TEACH THEMSELVES

"Our method in teachingg cavalry recruits,' Baden-Powell said, "no longer is put to them at once in the hands of a riding master, but to give them horses and let them teach themselves to ride for the first four days After that a riding master joins them and gives his suggestions"

Following this Baden-Powell became interested in training boys on the same lines of individual responsibility, until finally he was relieved from active service in the army of the King in order that he might devote himself to the latter work

"We do not care so much for numbers," he said last night "We have 150 000 in England now One of the largest organizations is in Chile and in Japan companies are being formed"

When asked if he expected a strong movement toward world peace from this movement, he said that he did not immediately.

"The nation that stops building battleships from motives of economy is likely to get into trouble" he said "for sometime to come, and until we have learned the wisdom of settling our difficulties by pacific agreement and when that time comes it will be pretty near the millennium"

This is Baden-Powell's first visit to San Francisco He will be entertained at a banquet at the Palace tonight at which the speakers will be Mayor Rolph, Carnegie Ross James E West and Rev. Joseph McQuaide. George A Knight will act as toastmaster

WORRY OVER ROBBERY PROMPTS HIS SUICIDE

SEATTLE March 6 — Thomas C Waggner was robbed by a highwayman of $57 and a gold watch Sunday night. Yesterday he ended his life by a bullet through his heart Worry over the cash loss, the day's receipts of the cigar stand where he was employed was given as his reason for the deed His employer, W F Hempel, who is a distant relative, told Waggner not to worry about the loss, but Waggner felt that his carelessness was to blame Today, when he came home for lunch, he fired the fatal shot, after leaving a note directing that his life insurance be paid to his widow

FIGHTS FOR HER LIFE WITH VICIOUS MANIAC

FRESNO, March 6—Locked in a corridor with Mrs Mary C Nelson, a woman who was adjudged insane yesterday, Mrs Lizzie Heilbron, matron at the county jail, had a narrow escape from death The patient asked to be released from the cell into the corridor, the door of which was locked, in order to wash her face and hands

Mrs Heilbron granted the request Instantly the woman sprang upon her, placed her knees upon the matron's chest and attempted to strangle her Mrs Heilbron's screams attracted the attention of the elevator attendant at the courthouse, but he had no key Finally a deputy sheriff was summoned and unlocked the corridor door Mrs Heilbron was painfully bruised and her throat badly marked

TRAVEL TO BEGIN ON RAILROAD CUT-OFF

SACRAMENTO, March 6 — After seven years' continuous work, the Sacramento Southern Railroad, a Southern Pacific project, said to be the most expensive roadbed in the United States has been completed to Walnut Grove, and within a few days passenger service will be installed The line is eventually to reach Antioch and will there connect with the Southern Pacific lines, making a short cut to San Francisco.

A party of Sacramento business men made the trip to Walnut Grove over the new line Monday as guests of Division Superintendent H W Sheridan Several dredges are continuously working on the roadbed, extending it across the lower river lands toward Antioch. An immense embankment is thrown up for the whole distance, there being no point where the line is on a level with the country it traverses

BATTLESHIP HAS NARROW ESCAPE

Sea Valve of New Hampshire Breaks and Water Pours Into Vessel.

NEW YORK, March 6—That the battleship New Hampshire narrowly escaped sinking at the Brooklyn navy yard on Monday has just leaked out from unofficial sources

The battleship was about to be towed out of the drydock after undergoing repairs When the big dock was flooded, three tugs made fast to the battleship and started to pull her out. A bluejacket discovered that a sea valve had been broken and water was pouring into the vessel in great volume She was replaced in the dock and the water pumped out. How the valve was displaced probably will be the subject of a court of inquiry It is too far below the water line to have been accidentally knocked off, and there is a suspicion that it may have been tampered with

REMINGTON
Typewriter Leadership

is a triple leadership—a leadership in *quality*, in *improvements* and in *sales*.

The Visible Models 10 and 11
and the
Remington Adding and Subtracting Typewriter
(Wahl Adding Mechanism)
are the latest achievements of Remington Leadership.

The demand for these latest Remington productions has resulted in the breaking of all Remington sales records, has necessitated a vast extension of the Remington manufacturing plant, and has led to the expansion of the Remington sales organization to over 540 salesrooms, the vastest typewriter organization in the world.
